STEP

Federico Gregorutti

Adding colour to a traditionally staid form, the Step stool is made from solid ash using a high-tech manufacturing process to create a modern design for kitchens, bars and studios.

THE DESIGNER

Italian designer Federico Gregorutti started his independent work as a scenographer in 1990, producing wall paintings in public spaces, discos, and private villas. In 2000, Gregorutti extended his creative and technical interests and began working as an industrial designer.

About Established & Sons

Established & Sons is a British brand representing all that is innovative in contemporary design. By supporting the best creators of our time, it has built a collection for people who are passionate about design, presenting imaginative products with style and personality.

Designers and artists are afforded the freedom to explore their own language, advancing pioneering ideas that deliver exceptional furniture and lighting collections. Combined with Established & Sons' commitment to skilled craftsmanship and cutting-edge manufacturing techniques, this produces intelligent designs that are at the same time diverse in the extreme and united in their quest for the extraordinary.

The Established & Sons collection includes some of the most important examples of 21st-century design. Many of the pieces have been acquired by international museums, galleries, institutions and private collections.
