

PLATES SHELF

DESIGNER	Raw Edges
DESIGN	2026
TYPE	Storage
DESCRIPTION	Shelf

Design duo Shay Alkalay and Yael Mer set up Raw Edges, a London-based design studio, after both graduating with a Masters in Product Design from the Royal College of Art.

Minimalist yet profoundly sculptural, this series features circular shelves arranged along a vertical structure, supporting everyday objects, transforming them into a curated display. This collection offers complete compositional freedom: shelves can be precisely aligned or rotated. Available in Black and Corten finishes.
