

Teoria Quântica

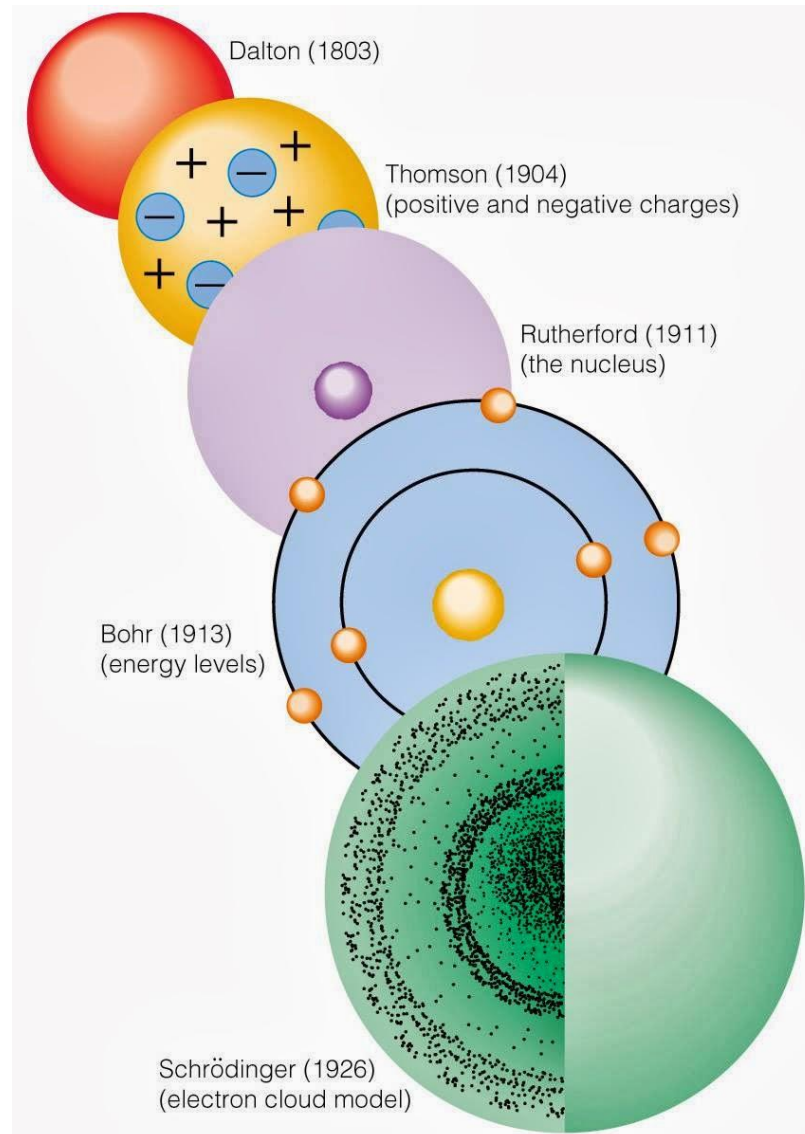

Prof. Jadoski
Física

O pai da Física Moderna

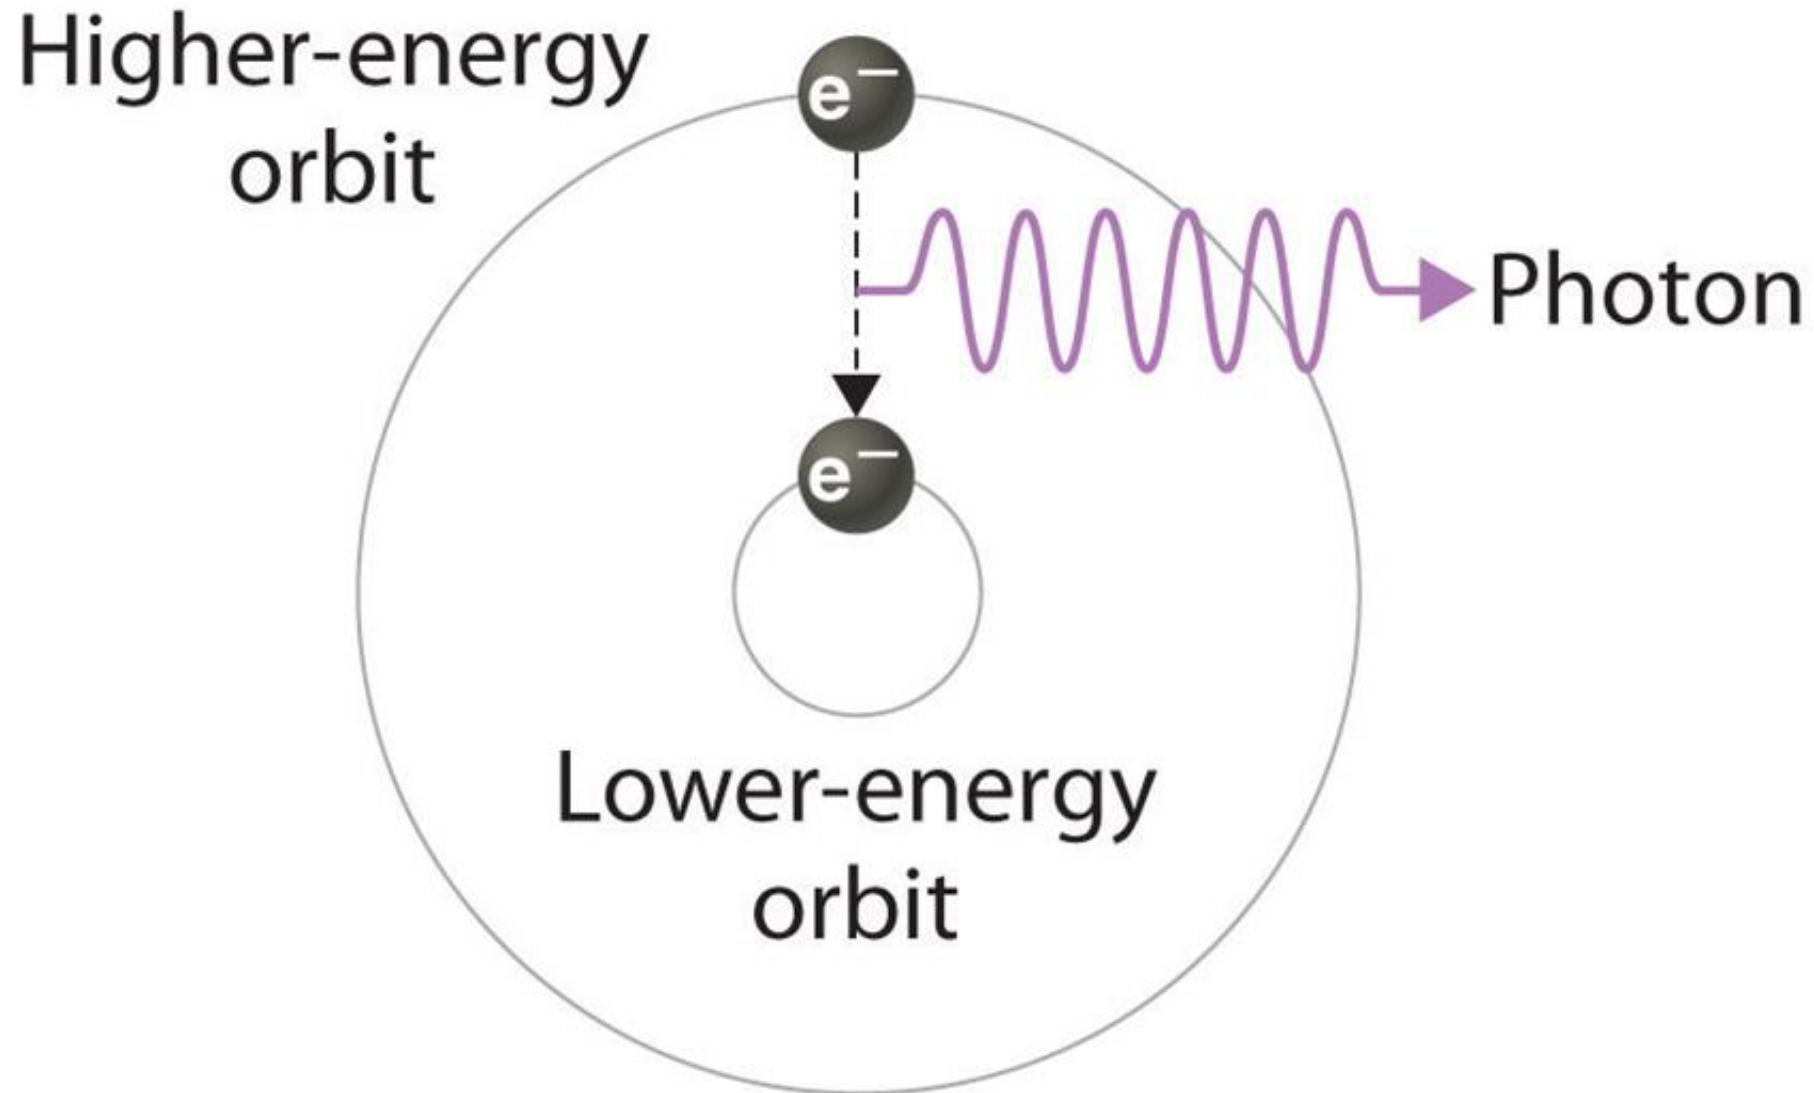

(e da quântica) – Max Planck

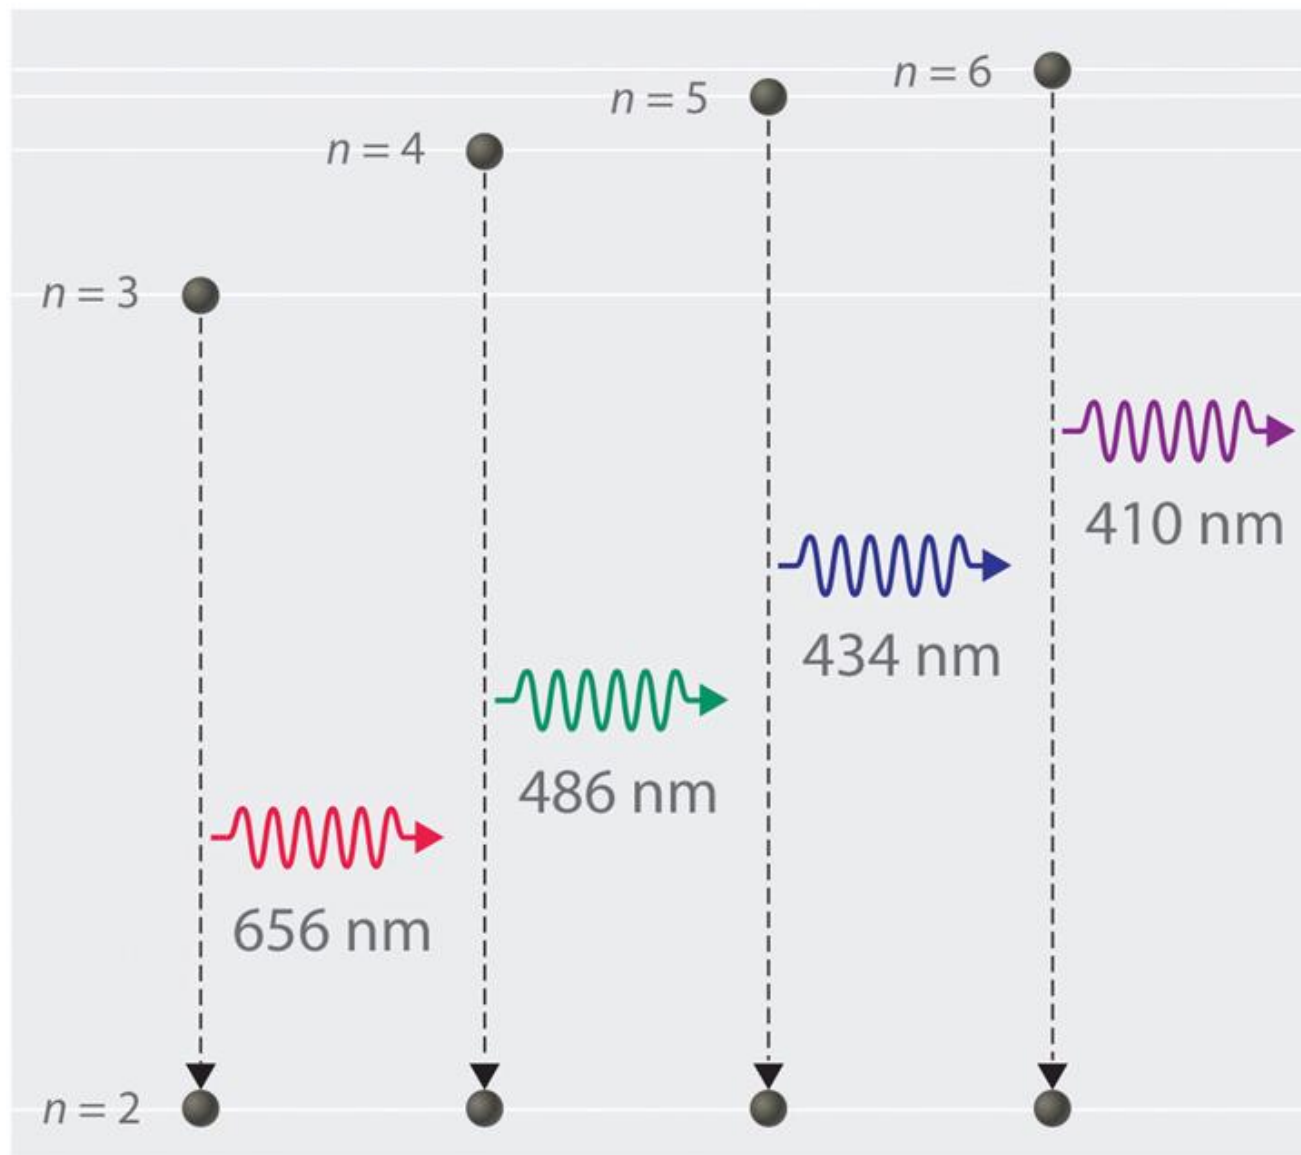

Modelos atômicos

Modelo de Bohr – modelo átomo de H

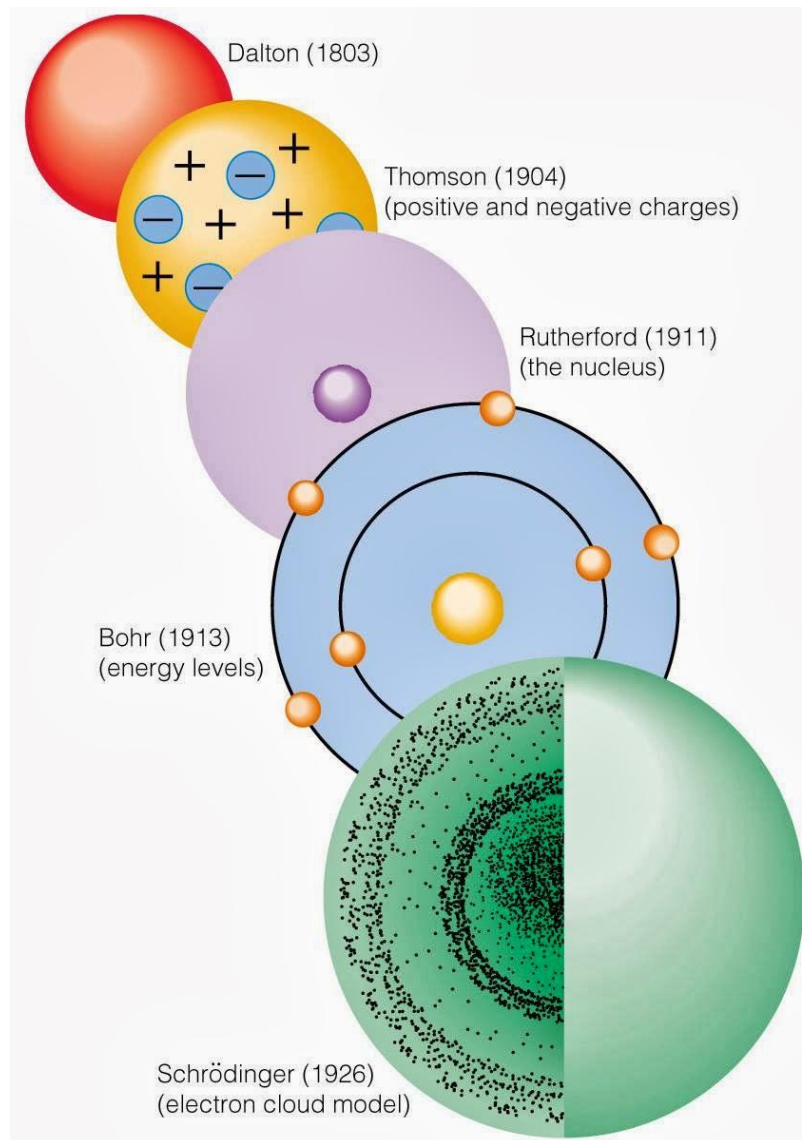

Transições eletrônicas quantizadas

Modelos atômicos

incerteza de Heisenberg

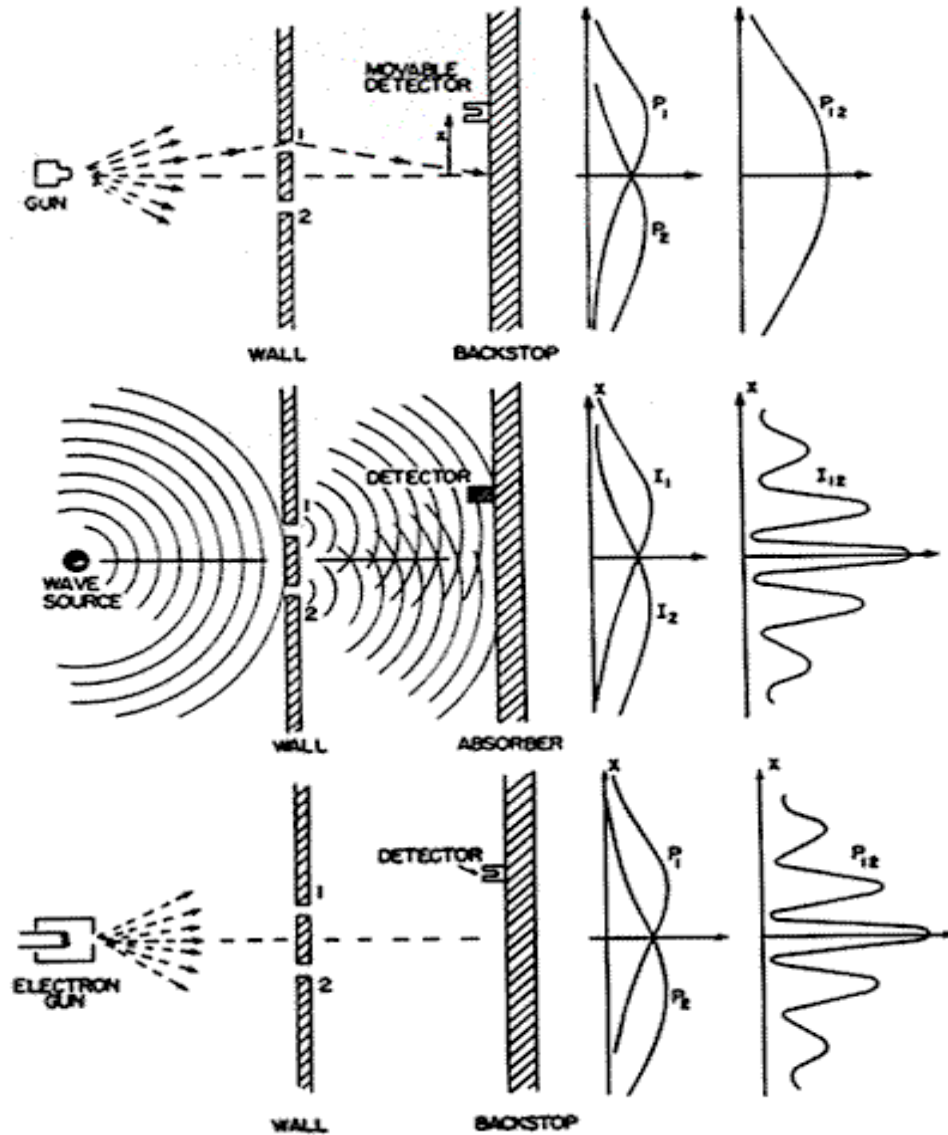

Princípio da incerteza o gato de Schrödinger

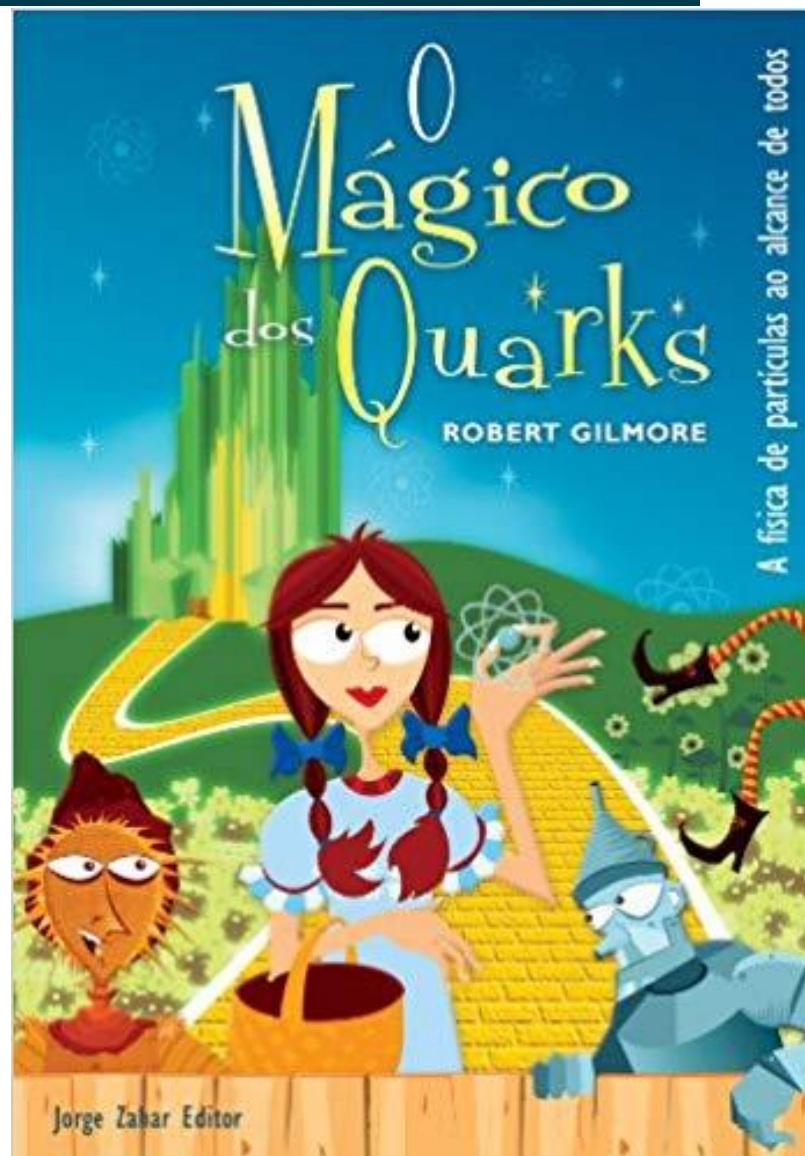

Princípio da incerteza o gato de Schrödinger

Louis de Broglie – dualidade onda partícula

Dica para quem quer saber mais...
