# European Union Platform-to-Business Report

0.72%  
complaints reversed

From January to December 2022, Etsy received 18,494 complaints through its European Union Platform-to-Business (“P2B”) support channel. Based on the member reports, 10,469 were identified by the member as technology issues, 5,113 as account issues, and 2,912 as P2B complaints. Around 0.72% of the complaints resulted in the reversal of an account action decision, and we processed the complaints within 4.1 days on average.
