

# ***Bicycle-Friendly Facility Policy***

Bicycle-Friendly Facility Policy is prepared to create awareness about the significance of riding bicycle.

## **BASIC PRINCIPLES**

- Hillside Beach Club aims to create awareness on sustainable transportation, decreasing carbon foot print, use and safety of bicycle by organizing activities and trainings, inside and outside the facility.
- Hillside Beach Club, oversees and provides for the needs and demands of various age groups and gender related to cycling.
- Hillside Beach Club provides the necessary tools for bicycle maintenance and /or riding safety.
- Hillside Beach Club pays attention to providing the necessary equipment and written, visual and digital data that enables sighting of existing cultural and natural heritage.
- Hillside Beach Club employs personnel who has knowledge about the regional cycling routes.
- Hillside Beach Club provides safe parking space within the facility for bicycles.
- Hillside Beach Club organizes age-appropriate activities for kids that would motivate them to ride bicycle
