General Terms and Conditions

5. Term.

- (a) This Agreement is binding upon signing and will continue through the Term of its Schedules.
- (b) In the event that either party commits a material breach of this Agreement or any Schedule, and such breach remains uncured for thirty (30) days following receipt of written notice from the non-breaching party, the non-breaching party may terminate this Agreement and/or such Schedule by providing written notice of the breaching party's failure to cure such breach. If such termination is due to Pegasystems' breach, Pegasystems will refund Client any unused, pre-paid fees for the Subscription Services and/or Software. In the event of Client's breach, Pegasystems reserves the right to either suspend or terminate Client's use of the Subscription Services and/or Software or Pegasystems' provision of other products or services.
- (c) Either party may, by written notice to the other party, terminate this Agreement or any Schedule in the event such other party terminates or suspends its business, admits in writing to its inability to pay its debts as they mature, makes an assignment for the benefit of creditors, becomes subject to direct control of a trustee, receiver or similar authority, or becomes subject to any other bankruptcy or insolvency proceedings not dismissed within

sixty (60) days.

- (d) If the Agreement is terminated or expires, each party will return to the other, or certify in writing the destruction of all Confidential Information (as defined below) or property of the other, provided, however, that neither party has to delete or erase any Confidential Information that has been saved to a back-up file or electronic archiving system in accordance with such party's ordinary back-up or document retention policies or that is required for litigation, regulatory or corporate records retention reasons. Upon termination of the Agreement or any Schedule (other than for termination due to Pegasystems' breach of the Agreement), the payment obligation for all fees for the full applicable term will be paid to Pegasystems at the time of termination of this Agreement or the Schedule. If a Schedule is terminated or expires, all rights granted under that Schedule will terminate.

All payments are due within thirty (30) days of the date of Pegasystems' invoice and will be subject to a late charge of 0.667% per month or the maximum amount permitted by applicable law, whichever is less. To the extent that Client requires the issuance of a purchase order before it can make payment, Client's delay in issuing the purchase order prior to the due date will not affect Client's obligation to pay the applicable charges and interest.
- (b) Once due, all fees are non-cancelable and non-refundable, except to the extent expressly provided in this Agreement or such Schedule or under applicable law.
- (c) Client is responsible for any applicable taxes, including sales, use, GST, VAT, customs, or excise tax, excluding only those taxes based upon the net income of Pegasystems.

These remedies will be Client's exclusive remedy for any failures of the warranty in this Section 7(b)(i).
 - ii. The Software provided under a Client Cloud will operate substantially in accordance with its Documentation for a period of ninety (90) days from initial delivery. If there is any failure of this warranty which can be replicated or verified, Pegasystems will, at its election, promptly repair the Software to resolve such failure or replace the Software with alternative software that provides substantially the same functionality. These remedies will be Client's exclusive remedy for any failures of these warranties.

 - iv. All Professional Services provided under this Agreement will be performed in a good and workmanlike manner, consistent with applicable industry standards.
- (c) To invoke the remedies described in Section 7(b)(i) and 7(b)(ii), Client must provide written notice to Pegasystems within the applicable warranty period, expressly outlining the nature of the alleged failure or breach.

- (d) The foregoing warranties will be void to the extent that any failure of such warranties is caused by (i) anyone other than a Pegasystems employee modifying the Subscription Services or Software (unless Pegasystems authorizes the specific change in writing); or (ii) non-Pegasystems' service, software, or hardware; or (iii) Client Applications that are non-Guardrail Compliant.
- (e) EXCEPT AS EXPRESSLY STATED IN THIS SECTION 7, PEGASYSTEMS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT.

 - ii. not to use any such Confidential Information except for those purposes specifically authorized by the disclosing party;
 - iii. to disclose such Confidential Information only to those of its officers, directors, agents, subprocessors and employees who have a need to know, have been advised of the confidential nature of the Confidential Information, and who are under obligations of confidentiality to the receiving party; and
 - iv. to follow the other party's reasonable on-site security procedures.
- (d) The above confidentiality provisions will not apply to information that:
 - i. is in the public domain at the time of its disclosure;
 - ii. is disclosed with the prior written consent of the disclosing party;
 - iii. becomes known to the receiving party from a source other than the disclosing party, provided such source is legally entitled to have and disclose the information; or

- (e) In the event that a receiving party is required by a court of law or by a governmental, regulatory or administrative agency, body or tribunal to disclose any of the Confidential Information of a disclosing party, the receiving party shall, to the extent legally permitted, (i) provide the disclosing party with prompt prior written notice of such requirement so that the disclosing party may seek appropriate relief to prevent or limit such disclosure, and (ii) furnish only that portion of the Confidential Information which is legally required to be furnished or disclosed.
- (f) If, in connection with the Subscription Services and/or Software, Client communicates suggestions for improvements to the Subscription Services and/or Software, Client assigns to Pegasystems all of its right, title and interest (including all intellectual property rights) in such suggestions for improvements and Pegasystems will own all right, title, and interest in and to the same and shall be entitled use the same without restriction.

9. Indemnification.

- (a) Pegasystems will indemnify and defend Client against any third-party claim that the Subscription Services, Software, or a Deliverable infringe upon a United States, Australian, Canadian or European Union trademark, copyright, trade secret or patent ("**IPR**"). If the Subscription Services, Software, or a Deliverable is found to be infringing or if Pegasystems deems it advisable as the result of a claim or threatened claim, Pegasystems will, in its reasonable discretion:
 - i. procure for Client the right to continue using the Subscription Services, Software, or applicable

Deliverable;

- ii. replace or modify the Subscription Services, Software or applicable Deliverable so that it becomes non-infringing; or
- iii. if Pegasystems cannot reasonably do either of the foregoing in its discretion, terminate the Schedule to which the IPR infringement claim relates.

These remedies will be Client's sole remedy for any IPR infringement claim.

- (b) Pegasystems will not indemnify Client when the alleged infringement results from (i) content provided by Client or developed for Client as a Deliverable pursuant to written specifications or instructions provided by Client; (ii) modifications made to the Subscription Services, Software, or applicable Deliverable by Client or a third party; or (iii) any Client Application (excluding unmodified Pegasystems provided RuleSets) or any other RuleSets created by Client or a third party.

- (d) Client will indemnify and defend Pegasystems from and against any third-party claim that (i) arises from any use of the Software by Client that is not in compliance with the terms of this Agreement or the applicable Schedule (other than an IPR claim that is subject to indemnification by Pegasystems pursuant to clause (a) above), or (ii) alleges that any of the Client Applications (excluding unmodified Pegasystems provided RuleSets) or any Client RuleSets infringe or misappropriate any third-party intellectual property rights. During the term of this Agreement and for three (3) years thereafter, Client will not assert against Pegasystems or its affiliates any patent infringement claim relating to its use of the Software or Subscription Services.
- (e) In asserting any claim for indemnification, the relevant party must provide prompt written notice describing the claim and cooperate fully with the indemnifying party. The indemnifying party will be entitled to control any proceedings or litigation for which it is indemnifying the other party, except that the indemnifying party will not, without the other party's prior written consent (not to be unreasonably withheld), enter into any settlement that would require the other party to take any action, or refrain from taking any action, other than permitting the indemnifying party to pay money damages on its behalf.

10. Limitation of Liability.

- (a) Each party will have unlimited liability to the other party under this Agreement for actual, direct damages arising out of, or related to:
 - i. a party's obligation to indemnify the other party for third party claims under Section 9 of this Agreement (including related reasonable attorneys' fees and court costs); or
