To the Shareholders

Dear Shareholder,

CAPITAL RAISING AND NOTICE OF GENERAL MEETING

1. Introduction

The Company is pleased to announce a Capital Raising to raise gross proceeds of up to approximately £1.4 million before costs which is structured as a pre-emptive offer to Shareholders. The Open Offer is to be made to all Qualifying Shareholders (which excludes those Shareholders resident in Restricted Jurisdictions) to provide an opportunity to subscribe for an aggregate of up to 140,000,000 New Shares on the basis of 4 New Shares for every 11 Ordinary Shares held as at the Record Date, at an Issue Price of 1 penny per New Share.

To the extent that the New Shares are not subscribed for in full pursuant to the Open Offer, the Company proposes to carry out a placing for the allotment and issue of the remainder of the New Shares.

The Company is convening a General Meeting of Shareholders for the purposes of proposing the Resolutions in order to permit the Capital Raising to proceed. If Shareholders do not approve the Resolutions, the Capital Raising will not proceed. As explained below, the Company is also seeking Shareholder approval of the Further Fundraise to approve the issue of up to a further 310,000,000 Ordinary Shares at no less than 1 penny per Ordinary Share, all on a similar pre-emptive basis, on or after September 2021.

It is expected that if insufficient funds are raised by the Capital Raising, the value secured by a realisation of the assets, and any return to Shareholders, will be very significantly reduced.

The purpose of this letter is to explain the background to, and reasons for, the Capital Raising, to set out why the Directors consider the Capital Raising to be in the best interests of the Shareholders as a whole and to seek Shareholder approval for the Resolutions.

2. Background to the Capital Raising

Eurovestech Plc is a technology investment fund focussing on early stage investments in technology businesses at various stages of development in the United Kingdom and Europe. It has been more than sixteen years since Eurovestech has raised significant equity.

In its earlier years, Eurovestech was able to return substantial capital (£27.9 million in aggregate from 2010 to 2017) to Shareholders. Adopting the Board's current assessment of the net asset value of Eurovestech's portfolio (which takes into account third party creditors), the net asset value per Ordinary Share at 1 February 2021 was approximately 7.05 pence.

In February 2020, using existing shareholder authorities, Eurovestech issued 5,000,000 Ordinary Shares at a price of 5.50 pence per Ordinary Share. In October 2020, Eurovestech issued 34,000,000 Ordinary Shares at a price of 1 penny per Ordinary Share in order to raise a further £340,000. This investment was allocated to Audionamix (see below), to service interest on borrowings and to fund the very modest continuing operating expenses.

The Board had hoped that a further fund raise would be unnecessary as it expected that Eurovestech would have realised further cash from the sale of one of its later stage investments. In particular, it had been anticipated that it would be able to realise value from its holding in Toluna, the online market research technology business. However, as explained below, such realisations continue to be delayed. The fund raising now being proposed is recommended in order to protect Eurovestech's assets and optimise their realisation. If the full £1.4 million is raised, the resulting implied net asset value of each Ordinary Share (based on the Board's current assessment of net asset value) would be 5.44 pence. The New Shares (which will on issue rank equally with the Ordinary Shares currently in issue) are being offered for subscription at 1 penny each.

3. Portfolio update

The overall carrying value of the portfolio as at 1 February 2021 was estimated to be £30 million.

A summary update of the Company's asset portfolio is set out below:

3.1 Toluna

Over the last year, Toluna has benefited from the accelerated move to digital as a result of COVID-19. The business has adapted well to the changed environment and is forecasting top line growth. The sector in which Toluna operates is highly rated: YouGov trades on a multiple of more than six times revenue. Revenues reported in respect of the 12-month period to 31 December 2019 were £135 million.

Toluna's management has, however, failed to achieve either a sale or a stock market listing. The Board attributes this to Toluna's focus on "adjusted EBITDA" rather than operating margins and cash generation. The Board subscribes to Charlie Munger's statement "think of the basic intellectual dishonesty that comes when you start talking about adjusted EBITDA. You're almost announcing you're a flake". With funding, Eurovestech intends to maintain pressure on Toluna to be better managed so that it can crystallise value through a significant corporate event such as a listing, a trade sale or a buyout by private equity.

Whilst an online business that generates £135 million of revenue is undoubtedly valuable, Toluna's management recently accepted £15 million of investment from Verlinvest S.A., its largest shareholder. This investment was structured as participating preference shares, which have the effect of diluting Eurovestech's 14.8 per cent shareholding (the extent of this dilution is dependent upon the ultimate sale proceeds). This creates uncertainty as to the appropriate value to be attributed to Eurovestech's holding and, as a result, the Board feels it prudent to reduce the carrying value of its Toluna shareholding by £12.7 million to £15.7 million as at 1 February 2021.

3.2 Audionamix

Eurovestech owns 99 per cent. of Audionamix.

Audionamix provides stemming solutions for the music industry. It recently won the coveted award of "Company To Watch 2020" at ADE (Amsterdam Dance Event), the biggest electronic music conference in the world. Its XTRAX STEMS was the only software product nominated for Best DJ Production Technology for the 2020 TEC Awards, celebrating technical excellence in the fields of audio and sound production. Its professional services offering has just secured a major enterprise subscription solution, offering a client unlimited access to its separation algorithms without cloud dependency. Audionamix has recently signed a subscription with the largest TV company in France. An affiliate marketing programme, which allows users to make 10 per cent. commission from sharing and supporting the sale of its products, also further strengthens the connection between Audionamix's brand and the target market.

Audionamix suffered a setback in October 2020 when a licensee contracted to pay minimum \$600,000 annual revenues defaulted on its obligations. Audionamix is exploring legal redress.

As at 1 February 2021, Eurovestech valued its holding in Audionamix at £4.4 million.

3.3 **LogNet**

LogNet is an innovative software vendor of customer experience solutions for multiple verticals including travel, airlines, utility, telecom and gaming. The company is a leading travel tech supplier with a product suite that Eurovestech believes is positioned to capture a significant share of the multi-billion-dollar travel market once the industry recovers from COVID-19. LogNet's billing product suite for the utility, telecom and gaming sectors have not been impacted by the COVID-19 crisis and the demand for LogNet's services continues to enjoy steady growth. The company's business model and revenue streams are diverse and based on recurring Software as a Service ("**SaaS**") income, selling perpetual licences to new customers and generating fees for providing professional and maintenance services to its existing customer base. At the date of this Circular, LogNet is serving approximately 70 customers across the globe in its two main verticals (including substantial players in each vertical).

For the year to December 2020, LogNet recorded revenues of £5 million and a profit of around £300,000. In January 2021 LogNet raised funds for investment from existing shareholders. Eurovestech was unable to participate.

Based on the share price of LogNet's January 2021 fundraise, the Board estimates the value Eurovestech's shareholding in LogNet at £2.1 million.

3.4 **MaxOptra**

Eurovestech owns 45.3 per cent. of MaxOptra's issued share capital.

MaxOptra was spun out of Magenta to create what is now the UK's leading independent route optimisation and vehicle planning software solution. In contrast with the Magenta fleet management software, MaxOptra has been designed to provide its solution as SaaS. MaxOptra's SaaS solution currently supports over three million routes every month. The business is also expanding internationally, with customers in more than ten countries.

The MaxOptra service is designed to integrate with customers' key ERP/CRM solutions and to interface in live-time through drivers' own in-vehicle devices (typically standard Android or Apple mobile phones).

During 2020, MaxOptra made significant investment in strengthening its core UK-based IT team and in developing its underlying technology with a view to "future proofing" it. This is an ongoing process. In addition new features have been developed and are planned for release in the coming months. Planned strategic developments over the coming years are intended to enhance the value of the company's embedded revenues.

The business has weathered the COVID-19 storm, turning adversity to advantage as it identified companies implementing new delivery services, which its SaaS model was ideally positioned to optimise. The Board expects that the company will remain profitable and continue to self-fund the planned continued investment with a view to securing an exit in two to three years. More than 80 per cent. of MaxOptra's income is derived from SaaS revenues.

As at 1 February 2021, Eurovestech valued its holdings at £3.1 million.

3.5 **Magenta**

Eurovestech owns 47 per cent. of Magenta.

Twelve months ago Magenta was developing its Echo solution for the airline industry. The pandemic forced the business to pivot and focus on its core legacy fleet management software business, which supports large historic corporate customers with bespoke solutions. Whilst these highly tailored solutions are currently delivering profits, creating new sales opportunities is increasingly difficult in the current climate.

As at 1 February 2021, Eurovestech valued its holdings at £0.4 million.

3.6 **VizEat**

Eurovestech owns 18.6 per cent. of VizEat.

The COVID-19 pandemic has had a major and adverse effect on trading. VizEat immediately responded by reducing its cost base by 70 per cent. and recently signed a deal with Trip.com, which has 400 million users, relating to domestic dining. Critically, the business is well funded and has more than 12 months' cash, even assuming zero revenue. VizEat is now seeing some potentially exciting strategic opportunities and Eurovestech, as the third largest shareholder, believes that it is well placed to benefit.

As at 1 February 2021, Eurovestech valued its holdings at £4.3 million.

As Shareholders are aware, Eurovestech has the benefit of an unsecured £2 million loan. The loan from HLF SARL was taken in anticipation of an expected near-term realisation of Toluna which would allow for repayment. As a result of the delays referred to above, this was not possible and HLF SARL has therefore agreed to enter into a revised loan agreement. Whilst the amended terms are subject to final negotiation, they are likely to involve an extension to at least 31 December 2021.

4. Use of proceeds

The Board is now recommending that the Company seek to raise £1.4 million (before expenses) by issuing New Shares on a pre-emptive basis to Shareholders at a price of 1 penny per New Share. This funding shall be used to protect value and to continue to support and optimise the realisation of the portfolio as well as to service some debt.

Specifically, the Company intends to use the proceeds of this proposed fundraise to repay some external debt, to secure funds to service remaining debt, to provide additional investment capital to Audionamix and to provide sufficient working capital so as to optimise the opportunity for the Company to release value within the portfolio.

It is expected that if insufficient funds are raised by the Capital Raising, the value secured by a realisation of the assets, and any return to Shareholders, will be very significantly reduced.

5. Proposed Further Fundraise

The Directors are also mindful of the Company's remaining third-party debt which it is intended should be repaid before the end of 2021. The priority is to do this by securing realisation of a portfolio asset at an acceptable price. However, given the current global uncertainty, the Board believes it appropriate to seek authority at this time to issue on a pre-emptive basis on terms similar to the Capital Raising up to a further 310 million shares at 1 penny per share.

It is not intended to action such an issue before September 2021 and then only if realisation proceeds have not been received. The Directors are seeking shareholder approval for the issue of these shares at the General Meeting so as to avoid the need to convene a further general meeting later in the year.

If the Directors propose to utilise this additional authority to proceed with the Further Fundraise the Company will write to Shareholders to offer them the right to participate on a pre-emptive basis, similar to the basis on which the Capital Raising is being made, at the relevant time.

The Company is keen to provide certainty of funding in respect of the Further Fundraise. Investors who are prepared to commit to investing at this time are invited to contact the Company in relation to potential underwriting arrangements. Depending on the size of the commitment, the Company is willing to offer a fee of 1.5 per cent. to ensure certainty of funds for the Company.

6. Details of the Open Offer

6.1 **Structure**

The Directors have given consideration as to the best way to structure the proposed fundraising, having regard to current market conditions, the composition of the Company's Shareholder register, the importance of pre-emption rights to Shareholders and ensuring the Company is sufficiently capitalised following completion of the fundraising.

The Directors have concluded that the structure of the fundraising by way an Open Offer is the most suitable option available to the Company and its Shareholders as a whole. The Open Offer provides an opportunity for all Qualifying Shareholders to participate in the fundraising by acquiring New Shares *pro rata* to their holdings of Ordinary Shares.

To the extent that the New Shares are not subscribed for in full pursuant to the Open Offer, the Company proposes to carry out a placing for the allotment and issue of the remainder of the New Shares.

6.2 **Principal terms of the Open Offer**

Subject to the passing of the Resolutions, Qualifying Shareholders are being given the opportunity to subscribe for the New Shares at the Issue Price of 1 penny per New Share, *pro rata* to their holdings of Ordinary Shares held on the Record Date on the basis of:

4 New Shares for every 11 Ordinary Shares

Shareholders subscribing for their full entitlement under the Open Offer may also request additional New Shares through the Excess Application Facility. If applicable, applications under the Open Offer's Excess Application Facility will be scaled back on such basis as the Company considers appropriate.

The Capital Raising is conditional on the passing of the Resolutions. If the Resolutions are not passed, the Capital Raising, including the Open Offer, will not proceed.

The New Shares will, upon issue, rank *pari passu* with the Ordinary Shares then in issue. Fractions of New Shares will not be allotted to Qualifying Shareholders in the Open Offer but aggregated under the Excess Application Facility and entitlements under the Open Offer will be rounded down to the nearest whole number of New Shares.

Qualifying Shareholders with holdings of Ordinary Shares in both certificated and uncertificated form will be treated as having separate holdings for the purpose of calculating the Open Offer Entitlements.

Application will be made for the Open Offer Entitlements in respect of Qualifying CREST Shareholders to be admitted to CREST.

Shareholders should note that the Open Offer is not intended to be a rights issue. Qualifying Shareholders should be aware that in the Open Offer, unlike in a rights issue, any New Shares not applied for will not be sold in the market or placed for the benefit of Qualifying Shareholders who do not apply under the Open Offer.

The Capital Raising will result in the issue of up to 140,000,000 New Shares (representing, in aggregate, approximately 26.62 per cent. of the Enlarged Share Capital). The New Shares, when issued and fully paid, will rank *pari passu* in all respects with the Ordinary Shares and therefore rank equally for all dividends or other distributions declared, made or paid after the date of issue of the New Shares.

Following the issue of the New Shares pursuant to the fundraise, Qualifying Shareholders who take up their full entitlements in respect of the Open Offer will not undergo any dilution to their interests in the Company. Qualifying Shareholders who do not take up all of their Basic Entitlements in respect of the Open Offer will experience a dilution which will be dependent upon the percentage of their take up of their Basic Entitlements, but in the worst case assuming nil take up of their Basic Entitlements and the issue of all the New Shares, the dilution will amount to 26.62 per cent. of their interests in the Company as a result of the Capital Raising.

Application has been made for the Open Offer Entitlements of Qualifying CREST Shareholders to be admitted to CREST. It is expected that such Open Offer Entitlements will be admitted to CREST on 22 February 2021.

The Open Offer Entitlements will also be enabled for settlement in CREST on 22 February 2021 to satisfy *bona fide* market claims only. Applications through the CREST system may only be made by the Qualifying CREST Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim.

Further details of the Open Offer and the terms and conditions on which the Open Offer is being made, including the procedure for application and payment, are contained in Part II of this Circular and for Qualifying Non-CREST Shareholders on the accompanying Open Offer Application Form. To be valid, Open Offer Application Forms (duly completed) and payment in full for the New Shares applied for must be received by Link Group, Corporate Actions, The Registry at 34 Beckenham Road, Beckenham, Kent BR3 4TU by no later than 11.00 a.m. on 5 March 2021.

Qualifying Non-CREST Shareholders will have received an Open Offer Application Form with this Circular which sets out their maximum entitlement to New Shares as shown by the number of Basic Entitlements allocated to them. Qualifying Shareholders are also being given the opportunity, provided that they take up their Basic Entitlements in full, to apply for Excess Entitlements through the Excess Application Facility.

6.3 **Excess Application Facility**

The Excess Application Facility will enable Qualifying Shareholders, provided that they take up their Basic Entitlements in full, to apply for Excess Entitlements. Qualifying Non-CREST Shareholders who wish to apply to acquire more than their Basic Entitlements should complete the relevant sections on the Open Offer Application Form. Shareholders who do not qualify for Basic Entitlements cannot participate in the Open Offer under the Excess Application Facility.

Qualifying CREST Shareholders will have Excess Entitlements credited to their stock account in CREST and should refer to paragraph 3.2 of Part II of this Circular for information on how to apply for Excess Entitlements pursuant to the Excess Application Facility. Applications for Excess Entitlements will be satisfied only and to the extent that corresponding applications by other Qualifying Shareholders are not made or are made for less than their Basic Entitlements and, if applicable, applications under the Excess Application Facility will be scaled back on a pro-rata basis or such other basis that the Company considers appropriate, in its absolute discretion.

Applications through the means of the CREST system may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim. Qualifying Non-CREST Shareholders will receive an Open Offer Application Form with this Circular which sets out their entitlement to New Shares as shown by the number of Basic Entitlements allocated to them. Qualifying Non-CREST Shareholders should note that the Open Offer Application Form is not a negotiable document and cannot be traded.

Qualifying CREST Shareholders will receive a credit to their appropriate stock accounts in CREST in respect of their Basic Entitlements and Excess Entitlements on 22 February 2021. Qualifying CREST Shareholders should note that although the Basic Entitlements and Excess Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of their Open Offer Entitlements may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim. If applications are made for less than all of the New Shares available, then the lower number of New Shares will be issued and any outstanding Basic Entitlements will lapse.

Further information on the Open Offer and the terms and conditions on which it is made, including the procedure for application and payment, are set out in Part II of this Circular. For Qualifying Non-CREST Shareholders, completed Open Offer Application Forms, accompanied by full payment, should be returned by post, to Link Group, Corporate Actions, The Registry at 34 Beckenham Road, Beckenham, Kent BR3 4TU or by hand (during normal business hours only) so as to arrive as soon as possible and in any event so as to be received no later than 11.00 a.m. on 5 March 2021. For Qualifying CREST Shareholders the relevant CREST instructions must have been settled as explained in this Circular by no later than 11.00 a.m. on 5 March 2021.

7. **General Meeting**

Your approval is being sought in respect of the Resolutions.

A General Meeting, notice of which is set out at the end of this Circular, has been convened for 11.00 a.m. on 8 March 2021 for this purpose.

As outlined above, in light of the UK Government's current guidance on public gatherings and the regulations set out in Schedule 14 of the Corporate Insolvency and Governance Act 2020, the Board has concluded that the General Meeting shall run as a closed meeting. Shareholders will not be able to attend the General Meeting in person.

Shareholders are therefore asked to exercise their votes by submitting their proxy in advance of the meeting and to appoint the Chairman of the meeting as their proxy with their voting instructions. As a result of the current Government restrictions, if a Shareholder appoints someone else as their proxy, that proxy will not be able to attend the meeting in order to cast the Shareholder's vote.

Each of the Resolutions to be considered at the General Meeting will be voted on by way of a poll to ensure that Shareholders who have appointed the Chairman of the meeting as their proxy have their votes taken into account.

Shareholder engagement is important to the Company even in these exceptional times. Although the circumstances described above mean that the Company will not be able to hold a General Meeting in the usual way, should a Shareholder have a question relating to the business being dealt with at the General Meeting, they are invited to send their question in advance by email to rb@eurovestech.com, at least three Business Days prior to the date of the General Meeting. A summary of the questions received, together with the Company's responses will be published on the Company's website as soon as practicable after the General Meeting.

Your attention is again drawn to the fact that the Capital Raising is conditional and dependent upon all the Resolutions being passed.

The Resolutions to be proposed at the General Meeting are as follows:

Resolution 1

Resolution 1, which will be proposed as an ordinary resolution, is proposed to enable the Directors to allot Ordinary Shares in the capital of the Company.

Resolution 2

Resolution 2, which will be proposed as a special resolution and is conditional upon the passing of resolution 1, is proposed to enable the Directors to disapply the statutory pre-emption rights in respect of the allotment of the New Shares and the Ordinary Shares proposed to be issued as part of the Further Fundraise.

Shareholders should note that the disapplication of pre-emption rights is being sought to allow the Company to make the Open Offer and Further Fundraise on the terms set out in Part II and not be required to make offers to Overseas Shareholders which could result in additional legal costs rather than to avoid offering Ordinary Shares pre-emptively.

For further information in relation to all of the Resolutions to be proposed at the General Meeting, please see the Notice of General Meeting at the end of this Circular which contains the Resolutions.

8. Action to be taken

8.1 General Meeting

If you would like to vote on the Resolutions set out in the Notice of General Meeting please appoint the Chairman of the meeting as your proxy by:

- (a) logging onto www.signalshares.com and following the instructions;
- (b) requesting a hard copy form of proxy directly from the Receiving Agent (Link Group) on 0371 664 0300, and returning it to the Receiving Agent; or
- (c) (if you are a CREST member) using the CREST electronic proxy appointment service.

Your proxy appointment must be received by 11.00 a.m. on 4 March 2021. Further details relating to voting by proxy are set out in the notes to the Notice of General Meeting on page 34 of this Circular.

If you are in any doubt about the action to be taken, you should immediately consult your stockbroker, bank manager, solicitor, accountant or other independent financial adviser authorised under FSMA.

9. Recommendation

The Directors consider the Capital Raising and the Further Fundraise to be in the best interests of Shareholders and the Company as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of the Resolutions to be proposed at the General Meeting.

The Directors who are also Shareholders and who are eligible to vote intend to vote in favour of all of the Resolutions in respect of their own beneficial holdings of Existing Shares which amount to 16,829,387 Existing Shares representing approximately 4.36 per cent. of the voting rights held by Shareholders.

Yours faithfully

Richard Grogan
Chairman

PART II

TERMS AND CONDITIONS OF THE OPEN OFFER

1. Introduction

The Open Offer has been structured so as to allow Qualifying Shareholders to subscribe for New Shares at the Issue Price *pro rata* to their existing holdings. Qualifying Shareholders will be able to apply for their Basic Entitlements. Qualifying Shareholders will also be entitled, provided they have taken up their Basic Entitlements in full, to apply under the Excess Application Facility.

A summary of the arrangements relating to the Open Offer is set out below. This Circular and, where relevant, the Open Offer Application Form contains the formal terms and conditions of the Open Offer.

The latest time for applications under the Open Offer to be received is 11.00 a.m. on 5 March 2021. The procedure for application and payment depends on whether, at the time at which application and payment is made, you have an Open Offer Application Form in respect of your Basic Entitlements under the Open Offer or have Basic Entitlements credited to your stock account in CREST in respect of such entitlement. The procedures for application and payment are further set out below in this Part II.

2. The Open Offer

The Company hereby invites Qualifying Shareholders to apply, on and subject to the terms and conditions set out herein and in the Open Offer Application Form (in respect of shares held in certificated form) and subject to the articles of association of the Company, for New Shares at the Issue Price, free from all expenses, payable in cash in full on application.

Subject to fulfilment of the conditions set out below and (in respect of Ordinary Shares held in certificated form) in the Open Offer Application Form, Qualifying Shareholders are being given the opportunity to subscribe for New Shares at the Issue Price payable in full on application and free of all expenses, *pro rata* to their existing shareholdings, on the basis of:

4 New Shares for every 11 Ordinary Shares

held at the Record Date. Basic Entitlements and where relevant, Excess Entitlements of Qualifying Shareholders will be rounded down to the nearest whole number of New Shares. Fractions of New Shares will not be allotted but aggregated under the Excess Application Facility and each Qualifying Shareholder's entitlement will be rounded down to the nearest whole number.

Qualifying Shareholders may apply for any whole number of New Shares up to their maximum Basic Entitlements which, in the case of Qualifying Non-CREST Shareholders, is equal to the number of Basic Entitlements as shown on their Open Offer Application Form or, in the case of Qualifying CREST Shareholders, is equal to the number of Basic Entitlements standing to the credit of their stock account in CREST and, if they so wish, may apply for New Shares in excess of their Basic Entitlements pursuant to the Excess Application Facility.

The Excess Application Facility will enable Qualifying Shareholders, provided that they take up their Basic Entitlements in full, to apply for Excess Entitlements. Qualifying Non-CREST Shareholders who wish to apply to subscribe for more than their Basic Entitlements should complete the relevant sections on the Open Offer Application Form.

Qualifying CREST Shareholders will have Excess Entitlements credited to their stock account in CREST and should refer to paragraph 3.2 of this Part II for information on how to apply for New Shares pursuant to the Excess Application Facility.

Applications for Excess Entitlements will be satisfied only to the extent that corresponding applications by other Qualifying Shareholders are not made or are made for less than their Basic Entitlements and, if applicable, applications under the Excess Application Facility will be scaled back on a pro-rata basis or such other basis that the Company consider appropriate, in its absolute discretion. No assurance can be given that applications by Qualifying Shareholders under the Excess Application Facility will be met in full, in part or at all.

Any monies paid for applications in excess of their Basic Entitlements which are not so satisfied will be returned to the applicant (at the applicant's risk) without interest within 14 days by way of cheque or CREST payment, as appropriate.

The action to be taken in relation to the Open Offer depends on whether, at the time at which application and payment is made, you have an Open Offer Application Form in respect of your entitlement under the Open Offer or have Basic Entitlements credited to your stock account in CREST in respect of such entitlement.

Not all Shareholders will be Qualifying Shareholders. Overseas Shareholders will not qualify to participate in the Open Offer. The attention of Overseas Shareholders or any person (including without limitation a custodian, nominee or trustee) who has a contractual or other legal obligation to forward this Circular into a jurisdiction other than the United Kingdom is drawn to paragraph 5 of this Part II.

If you have received an Open Offer Application Form with this Circular, please refer to paragraphs 3.1 and 4.1 of this Part II.

If you hold your Ordinary Shares in CREST and have received a credit of Basic Entitlements and Excess Entitlements to your CREST stock account, please refer to paragraphs 3.2 and 4.2 of this Part II and also to the CREST Manual for further information on the CREST procedures referred to below.

Application has been made for the Basic Entitlements and Excess Entitlements in respect of Qualifying CREST Shareholders to be admitted to CREST. It is expected that such Basic Entitlements and Excess Entitlements will be admitted to CREST at 8.00 a.m. on 22 February 2021. Such Basic Entitlements and Excess Entitlements will also be enabled for settlement in CREST at 8.00 a.m. on 22 February 2021. Applications through the means of the CREST system may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim.

Qualifying Non-CREST Shareholders will have received an Open Offer Application Form with this Circular which sets out their entitlement to New Shares as shown by the number of Basic Entitlements allocated to them. Qualifying CREST Shareholders will receive a credit to their appropriate stock accounts in CREST in respect of their Basic Entitlements on 22 February 2021.

The New Shares will be issued fully paid and will be identical to, and rank *pari passu* in all respects with, the Ordinary Shares then in issue and will rank *pari passu* for all dividends or other distributions declared, made or paid after the date of issue of the New Shares. No temporary documents of title will be issued.

The Basic Entitlements and any Excess Entitlements of Qualifying CREST Shareholders will be registered in uncertificated form and credited to their stock account in CREST. The Basic Entitlements and any Excess Entitlements of Qualifying Non-CREST Shareholders will be registered in certificated form and certificates will be sent to Qualifying Non-CREST Shareholders. The action to be taken in relation to the Open Offer is described in paragraph 3 below.

The Open Offer is subject to the passing of the Resolutions. If the Resolutions are not passed, application monies are expected to be returned without interest by crossed cheque in favour of the applicant(s) (at the applicant's risk) by post for Qualifying Non-CREST Shareholders and through CREST for Qualifying CREST Shareholders as soon as practicable and any Basic Entitlements or Excess Entitlements admitted to CREST will be disabled.

The Open Offer is not a rights issue. Qualifying Non-CREST Shareholders should note that the Open Offer Application Form is not a negotiable document and cannot be traded. Qualifying Shareholders should also be aware that in the Open Offer, unlike in a rights issue, any New Shares not applied for will not be sold in the market or placed for the benefit of Qualifying Shareholders who do not apply under the Open Offer. Qualifying CREST Shareholders should note that although the Basic Entitlements and Excess Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of entitlements under the Open Offer may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim raised by Euroclear's claims processing unit.

Completed Open Offer Application Forms (in respect of shares held in certificated form), accompanied by full payment, should be returned by post to Link Group, Corporate Actions, The Registry at 34 Beckenham Road, Beckenham, Kent BR3 4TU so as to arrive as soon as possible and in any event so as to be received no later than 11.00 a.m. on 5 March 2021.

Before making any decision to acquire New Shares, you are asked to read and carefully consider all of the information in this Circular, including in particular the important information set out in the letter from the Chairman in Part I of this Circular, as well as this Part II.

3. Procedure for application and payment

Save as provided in paragraph 5 of this Part II in relation to Overseas Shareholders, the action to be taken by you in respect of the Open Offer depends on whether at the relevant time you have an Open Offer Application Form in respect of your entitlement under the Open Offer, including the Excess Application Facility, or you have Basic Entitlements and Excess Entitlements credited to your CREST stock account in respect of such entitlement.

Qualifying Shareholders who hold part of their Ordinary Shares in uncertificated form on the Record Date and who take up New Shares under their entitlement will be allotted New Shares in uncertificated form to the extent that their entitlement to New Shares arises as a result of holding Ordinary Shares in uncertificated form. Further information on deposit into CREST is set out in paragraph 3.2(f) of this Part II.

CREST sponsored members should refer to their CREST sponsor, as only their CREST sponsor will be able to take the necessary action specified below to apply under the Open Offer in respect of their Basic Entitlements and Excess Entitlements of such members held in CREST. CREST members who wish to apply under the Open Offer in respect of their Basic Entitlements and Excess Entitlements in CREST should refer to the CREST Manual for further information on the CREST procedures referred to below. If any of the details contained in the timetable above should change, the revised times and dates will be notified on the Company's website (at www.eurovestech.com/investors).

3.1 Qualifying Non-CREST Shareholders

(a) General

Subject to the provisions set out in this Part II in relation to Overseas Shareholders, Qualifying Non-CREST Shareholders will have received an Open Offer Application Form enclosed with this Circular. The Open Offer Application Form shows the number of Ordinary Shares registered in the relevant Qualifying Non-CREST Shareholder's name at close of business on the Record Date.

It also shows the number of New Shares for which such relevant Qualifying Non-CREST Shareholder is entitled to apply under the Open Offer, calculated on the basis set out in paragraph 2 of this Part II, above. Qualifying Non-CREST Shareholders may also apply for less than their maximum Basic Entitlements.

The Excess Application Facility enables Qualifying Shareholders who have taken up their full Basic Entitlements to apply for additional New Shares in excess of their Basic Entitlements. Applications in excess of the Basic Entitlements will only be satisfied to the extent that applications made by other Qualifying Shareholders are less than their full Basic Entitlements and, if applicable, applications under the Excess Application Facility will be scaled back on a pro-rata basis or such other basis that the Company considers appropriate, in its absolute discretion.

(b) Market Claims

Applications for New Shares may only be made on the Open Offer Application Form which is personal to the Qualifying Non-CREST Shareholder(s) named thereon and may not be assigned, transferred or split except in the circumstances described below. The Open Offer Application Form represents the right to apply for New Shares and is not a document of title and cannot be separately traded. It is transferable only to satisfy legitimate market claims in relation to market purchases prior to 19 February 2021. Applications may be split or consolidated only to satisfy *bona fide* market claims up to 3.00 p.m. on 3 March 2021.

Qualifying Non-CREST Shareholders may also apply for Excess Entitlements in excess of their Basic Entitlement to New Shares by completing Box 3 of the Open Offer Application Form for the total number of New Shares for which they wish to make application (including their Basic Entitlement) and submitting the amount payable on such application. Further details of the Excess Application Facility are set out in paragraph 3.1(f) below of this Part II.

Any Qualifying Non-CREST Shareholder who has sold or transferred all or part of his holding of Ordinary Shares prior to 19 February 2021 should consult his stockbroker or other professional adviser as soon as possible since the invitation to acquire New Shares under the Open Offer may represent a benefit which can be claimed from him by the purchaser or transferee. Qualifying Non-CREST Shareholders who have sold all or part of their registered holdings should, if the market claim is to be settled outside CREST, complete Box 10 on the Open Offer Application Form and immediately send it to the purchaser or transferee or the bank, stockbroker or other agent through whom or by whom the sale or transfer was effected for transmission to the purchaser or transferee. The Open Offer Application Form should not, however, subject to certain exceptions, be forwarded to or transmitted in or into any jurisdiction other than the United Kingdom. Applications for New Shares (including under the Excess Application Facility) may only be made on the Open Offer Application Form and may only be made by the Qualifying Shareholder named in it or by a person entitled by virtue of a *bona fide* market claim in relation to a purchase of existing Ordinary Shares through the market prior to 19 February 2021. Open Offer Application Forms may be split up to 3.00 p.m. on 3 March 2021.

If the market claim is to be settled outside CREST, the beneficiary of the claim should follow the procedures set out in the accompanying Open Offer Application Form. If the market claim is to be settled in CREST, the beneficiary of the claim should follow the procedures set out in paragraph 3.2 below.

(c) *Application Procedures*

Applications for New Shares (including under the Excess Application Facility) by Qualifying Non-CREST Shareholders may only be made on the Open Offer Application Form, which is personal to the Qualifying Non-CREST Shareholder(s) named on it and is not capable of being split, assigned or transferred except in the circumstances described below.

Qualifying Non-CREST Shareholders may also apply for New Shares in excess of their Basic Entitlement to New Shares up to the maximum amount of their Excess Entitlements by completing Box 3 of the Open Offer Application Form for the total number of New Shares for which they wish to make application (including their Basic Entitlement) and submitting the amount payable on such application. Further details on the Excess Application Facility are set out in paragraph 3.1(f) of this Part II.

A Qualifying Non-CREST Shareholder who does not wish to apply for any of the New Shares to which he or she is entitled should not return a completed Open Offer Application Form to the Receiving Agent. However, he or she is strongly encouraged to appoint the Chairman of the meeting as his or her proxy in respect of the General Meeting.

If you are a Qualifying Non-CREST Shareholder and wish to apply for all or some of your entitlement to New Shares under the Open Offer (including any application for any Excess Entitlements under the Excess Application Facility) you should complete and sign the Open Offer Application Form in accordance with the instructions on it and send it by post to Link Group, Corporate Actions, The Registry at 34 Beckenham Road, Beckenham, Kent BR3 4TU so as to arrive no later than 11.00 a.m. on 5 March 2021. A reply paid envelope is enclosed for use by Qualifying Non-CREST Shareholders in connection with the Open Offer. Your Open Offer Application Form will not be valid unless you sign it.

The Open Offer Application Form represents a right personal to the Qualifying Non-CREST Shareholders to apply to subscribe for New Shares (including under the Excess Application Facility); it is not a document of title and it cannot be traded. It is assignable or transferable only to satisfy *bona fide* market claims.

Open Offer Application Forms may be split up to 3.00 p.m. on 3 March 2021 but only to satisfy such *bona fide* market claims. Qualifying Non-CREST Shareholders who have before 19 February 2021 sold or transferred all or part of their shareholdings are advised to consult their stockbroker, bank or agent through whom the sale or transfer was effected or another professional adviser authorised under FSMA as soon as possible, since the invitation to apply for New Shares (including under the Excess Application Facility) may represent a benefit which can be claimed from them by the purchaser(s) or transferee(s).

Qualifying Non-CREST Shareholders who submit a valid application using the Open Offer Application Form and accompanying payment will (subject to the terms and conditions set out in this Part II, in the letter from the Chairman of the Company in Part I, in the Open Offer Application Form and in the articles of association of the Company) be allocated the New Shares applied for in full at the Issue Price (subject to the Company's discretion to accept, reject or scale back any application for any New Shares).

Applications will be irrevocable and, once submitted, may not be withdrawn and their receipt will not be acknowledged. The Company reserves the right to treat any application not strictly complying with the terms and conditions of application as nevertheless valid.

Multiple applications will not be accepted. All documents and remittances sent by post by or to an applicant (or as the applicant may direct) will be sent at the applicant's own risk.

If New Shares have already been allotted to a Qualifying Non-CREST Shareholder and such Qualifying Non-CREST Shareholder's cheque or a duly endorsed banker's draft is not honoured upon first presentation or such Qualifying Non-CREST Shareholder's application is subsequently otherwise deemed to be invalid, the Company shall arrange (in its absolute discretion as to manner, timing and terms) to make arrangements for the sale of such Qualifying Non-CREST Shareholder's New Shares and for the proceeds of sale (which for these purposes shall be deemed to be payments in respect of successful applications) to be paid to and retained by the Company. None of the Receiving Agent, the Company or any other person shall be responsible for, or have any liability for, any loss, expense or damage suffered by such Qualifying Non-CREST Shareholders.

Please note that Link Group cannot provide financial advice on the merits of the Open Offer or as to whether or not you should take up your entitlement(s) to New Shares under the Open Offer. If any Open Offer Application Form is sent by first class post within the United Kingdom, Qualifying Non-CREST Shareholders are recommended to allow at least four Business Days for delivery. The Company may in its absolute discretion elect to accept Open Offer Application Forms and remittances after 11.00 a.m. on 5 March 2021. The Company may also (in its sole discretion) elect to treat an Open Offer Application Form as valid and binding on the person(s) by whom or on whose behalf it is lodged, even if it is not completed in accordance with the relevant instructions, or if it does not strictly comply with the terms and conditions of application. Applications will not be acknowledged.

The Company also reserves the right (but shall not be obliged) to accept applications in respect of which remittances are received prior to 11.00 a.m. on 5 March 2021 from an authorised person (as defined in FSMA) specifying the number of New Shares concerned, and undertaking to lodge the relevant Open Offer Application Form in due course.

(d) Payments

All payments must be in Sterling and cheques or duly endorsed banker's drafts written in black ink should be made payable to "Link Market Services LTD re: Eurovestech Plc Open Offer A/C" and crossed "A/C payee only". Cheques or banker's drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies and must bear the appropriate sort code in the top right hand corner. Third-party cheques may not be accepted except building society cheques or bankers' drafts where the building society or bank has confirmed the name of the account holder by stamping and endorsing the back of the building society cheque or banker's draft on the reverse to such effect.

Cheques or banker's drafts will be presented for payment upon receipt. The Company reserves the right to instruct the Receiving Agent to seek special clearance of cheques and banker's drafts to allow the Company to obtain value for remittances at the earliest opportunity. No interest will be allowed on payments made. It is a term of the Open Offer that cheques shall be honoured on first presentation, and the Company may elect in its absolute discretion to treat as invalid acceptances in respect of which cheques are not so honoured. All documents, cheques and banker's drafts sent through the post will be sent at the risk of the sender. Payments via CHAPS, BACS or electronic transfer will not be accepted.

Application monies will be paid into a separate non-interest bearing bank account pending the Open Offer becoming unconditional. In the event that it does not become unconditional by 8.00 a.m. on 9 March 2021 or such later time and date as the Company may decide (being no later than 6 April 2021), the Open Offer will lapse and application monies will be returned by post to applicant(s), at the applicants' risk and without interest, to the address set out on the Open Offer Application Form, within 14 days thereafter.

The Company shall as soon as possible after 5 March 2021 refund any payment received with respect to an application for a number of New Shares in respect of an Excess Entitlement which has been rejected in whole or in part by the Company.

(e) *Effect of Application*

All documents and remittances sent by post by or to an applicant (or as the applicant may direct) will be sent at the applicant's own risk. By completing and delivering an Open Offer Application Form, you (as the applicant(s)):

- (i) agree that all applications, and contracts resulting therefrom, under the Open Offer shall be governed by, and construed in accordance with, the laws of England;
- (ii) confirm to the Company that in making the application you are not relying on any information or representation other than that contained in this Circular, and you accordingly agree that no person responsible solely or jointly for this Circular or any part thereof shall have any liability for any such information or representation not so contained and that having had the opportunity to read this Circular you will be deemed to have notice of all the information concerning the Group and the Ordinary Shares contained within this Circular;
- (iii) represent and warrant to the Company that if you have received some or all of your Basic Entitlements from a person other than the Company, you are entitled to apply under the Open Offer in relation to such Basic Entitlements by virtue of a *bona fide* market claim;
- (iv) represent and warrant to the Company that you are not a citizen or resident of a jurisdiction other than the United Kingdom and are not applying on behalf of, or with a view to the re-offer, re-sale or delivery of New Shares directly or indirectly in, into or within a jurisdiction other than the United Kingdom or to a resident of a jurisdiction other than the United Kingdom or to any person you believe is purchasing or subscribing for the purpose of such re-offer, re-sale or delivery, except where proof satisfactory to the Company has been provided to the Company that you are able to accept the invitation by the Company free of any requirement which it (in its absolute discretion) regards as unduly burdensome;
- (v) represent and warrant to the Company that you are not otherwise prevented by legal or regulatory restrictions from applying for New Shares or acting on behalf of such person(s) on a non-discretionary basis;
- (vi) represent and warrant to the Company as follows: (i) you have not received the Open Offer Application Form or any other document relating to the Capital Raising in a jurisdiction other than the United Kingdom, nor have you mailed, transmitted or otherwise distributed or forwarded any such document in or into a jurisdiction other than the United Kingdom; (ii) you are not and were not located in a jurisdiction other than the United Kingdom at the time you accepted the Open Offer Application Form or at the time you returned the Open Offer Application Form; and (iii) if you are acting in a fiduciary, agency or other capacity as an intermediary, then either (A) you have full investment discretion with respect to the New Shares covered by the Open Offer Application Form or (B) the person on whose behalf you are acting was located in the United Kingdom at the time he or she instructed you to submit the Open Offer Application Form;
- (vii) request that the New Shares to which you will become entitled be issued to you on the terms set out in this Circular and the Open Offer Application Form, subject to the articles of association of the Company;

- (viii) confirm that in making the application you are not relying on and have not relied on the Company or any person affiliated with the Company in connection with any investigation of the accuracy of any information contained in this Circular or your investment decision;
- (ix) represent and warrant to the Company that you are not and nor are you applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp Duty Reserve Tax Regulations 1986 at any of the increased rates referred to in Section 93 (depository receipts) or Section 96 (clearance services) of the Finance Act 1986;
- (x) represent and warrant to the Company that you have the right, power and authority, and have taken all action necessary, to make the application under the Open Offer and to execute, deliver and exercise your rights, and perform your obligations under any contracts resulting therefrom and that you are not a person otherwise prevented by legal or regulatory restrictions from applying for New Shares or acting on behalf of any such person on a non-discretionary basis;
- (xi) acknowledge that none of the Company nor any person acting on its behalf nor any of its respective affiliates nor any of its respective directors, officers, employees, agents, partners or professional advisers has or shall have any liability for any direct, indirect or consequential loss or damage suffered by any person as a result of relying on any statement contained in this Circular, the Open Offer Application Form or any other information made available by or on behalf of the Company or made publicly available by the Company on its website, by press release, by public filing or otherwise or any other information, provided that nothing in this paragraph excludes the liability of any person for fraud made by that person; and
- (xii) represent and warrant to the Company that the purchase by you of New Shares does not trigger: (a) any obligation to prepare or file a prospectus or similar document or any other report with respect to such purchase; or (b) any disclosure reporting obligation of the Company; or (c) any registration or other obligation on the part of the Company; or (d) the requirement for the Company to take any other action.

If you are unable to provide such representations and warranties you will be deemed not to have validly submitted an application for New Shares, save in the discretion of the Company and subject to certain conditions.

You should note that applications will be irrevocable. The Company reserves the right (but shall not be obliged) to treat any application not strictly complying in all respects with the terms and conditions of application as nevertheless valid.

If you do not wish to apply for any of the New Shares to which you are entitled under the Open Offer, you should not complete and return the Open Offer Application Form. Shareholders are nevertheless requested to appoint the Chairman of the meeting as his or her proxy at the General Meeting to be held as a closed meeting at the registered office of the Company, 164 Field End Road, Eastcote HA5 1RH at 11.00 a.m. on 8 March 2021.

If you are in doubt whether or not you should apply for any of the New Shares under the Open Offer, you should consult your independent financial adviser immediately. For all enquiries in relation to the procedure for application for Qualifying Non-CREST Shareholders under the Open Offer please contact Link Group on 0371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Link Group cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

(f) The Excess Application Facility

The Excess Application Facility enables Qualifying Shareholders who have taken up their Basic Entitlements in full to apply for additional New Shares.

Subject always to satisfying applications by Qualifying Shareholders in full up to their Basic Entitlement, in the event that the Open Offer is oversubscribed it would be necessary to scale back applications under the Excess Application Facility. The Company reserves the rights to scale back applications under the Excess Application Facility on such basis that the Company considers appropriate, in its absolute

discretion. The Company reserves the right to decline in whole or in part any application for New Shares pursuant to the Open Offer.

Should the Open Offer become unconditional and applications for New Shares under the Open Offer exceed the number of New Shares being made available under the Open Offer as a result of applications made in respect of the Excess Application Facility, resulting in a scaling back of applications, each Qualifying Non-CREST Shareholder who has made a valid application for New Shares under the Excess Application Facility and from whom payment in full for such New Shares has been received in cleared funds will receive a Sterling amount equal to the number of New Shares applied and paid for under the Excess Application Facility but not allocated to the relevant Qualifying Non-CREST Shareholder multiplied by the Issue Price. Monies will be returned as soon as reasonably practicable, without payment of interest and at the applicant's sole risk.

Fractions of New Shares will be aggregated and issued under the Excess Application Facility and fractions of New Shares will be rounded down to the nearest whole number.

3.2 **Qualifying CREST Shareholders**

(a) *General*

Subject as provided in paragraph 5 of this Part II in relation to Overseas Shareholders, each Qualifying CREST Shareholder will receive a credit to his stock account in CREST of his Basic Entitlements equal to the maximum number of New Shares for which he is entitled to apply under the Open Offer. Qualifying CREST Shareholders may also apply for New Shares in excess of their Basic Entitlement under the Excess Application Facility. Further details of Excess Application Facility can be found in paragraph 3.2(j) of this Part II.

The CREST stock account to be credited will be an account under the participant ID and member account ID that apply to the Ordinary Shares held on the Record Date by the Qualifying CREST Shareholder in respect of which the Basic Entitlements and Excess Entitlements have been allocated.

If, for any reason, the Basic Entitlements cannot be admitted to CREST by, or the stock accounts of Qualifying CREST Shareholders cannot be credited on 22 February 2021 or such later time as the Company may decide, an Open Offer Application Form will be sent out to each Qualifying CREST Shareholder in substitution for the Basic Entitlements and Excess Entitlements credited to his stock account in CREST. In these circumstances the expected timetable as set out in this Circular will be adjusted as appropriate and the provisions of this Circular applicable to Qualifying Non-CREST Shareholders with Open Offer Application Forms will apply to Qualifying CREST Shareholders who receive Open Offer Application Forms.

Qualifying CREST Shareholders who wish to apply for some or all of their entitlements to New Shares should refer to the CREST Manual for further information on the CREST procedures referred to below. If you have any questions relating to the procedure for acceptance, please contact Link Group on 0371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Link Group cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

If you are a CREST sponsored member you should consult your CREST sponsor if you wish to apply for New Shares (including any applications for Excess Entitlements) as only your CREST sponsor will be able to take the necessary action to make this application in CREST.

(b) *Market Claims*

The Basic Entitlements and Excess Entitlements will have separate ISIN numbers and will constitute separate securities for the purposes of CREST.

The Basic Entitlements will constitute separate securities for the purposes of CREST. Although Basic Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of Basic Entitlements may only be made by the Qualifying CREST Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim transaction. Transactions identified by the CREST Claims Processing Unit as "cum" the Basic Entitlements will generate an appropriate market claim transaction and the relevant Basic Entitlement(s) will thereafter be transferred accordingly.

Excess CREST Open Offer Entitlements will not be subject to Euroclear's market claims process. Qualifying CREST Shareholders claiming Excess CREST Open Offer Entitlements by virtue of a *bona fide* market claim are advised to contact Link Group to request a credit of the appropriate number of entitlements to their CREST account.

(c) *Unmatched Stock Event ("USE") Instructions*

Qualifying CREST Shareholders who wish to apply for New Shares in respect of all or some of their Basic Entitlements and/or Excess Entitlements in CREST must send (or, if they are CREST sponsored members, procure that their CREST sponsor sends) a USE instruction to Euroclear which, on its settlement, will have the following effect:

- (i) the crediting of a stock account of the Receiving Agent under the participant ID and member account ID specified below, with a number of Basic Entitlements or Excess Entitlements corresponding to the number of New Shares or Excess Entitlements applied for; and
- (ii) the creation of a CREST payment, in accordance with the CREST payment arrangements, in favour of the payment bank of the Receiving Agent in respect of the amount specified in the USE instruction which must be the full amount payable on application for the number of New Shares or Excess Entitlements referred to in (i) above.

(d) *Content of USE Instructions in respect of Basic Entitlements*

The USE instruction must be properly authenticated in accordance with Euroclear's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

- (i) the number of New Shares for which application is being made (and hence the number of the Basic Entitlement(s) being delivered to Link Group as Receiving Agent);
- (ii) the ISIN of the Basic Entitlement. This is GB00BNKBJL71;
- (iii) the CREST participant ID of the accepting CREST member;

- (ix) the Corporate Action Number for the Open Offer. This will be available by viewing the relevant corporate action details in CREST.

In order for an application under the Open Offer to be valid, the USE instruction must comply with the requirements as to authentication and contents set out above and must settle on or before 11.00 a.m. on 5 March 2021.

In order to assist prompt settlement of the USE instruction, CREST members (or their sponsors, where applicable) should add the following non-mandatory fields to their USE instruction:

- (a) a contact name and telephone number (in the free format shared note field); and
- (b) a priority of at least 80.

CREST members and, in the case of CREST sponsored members, their CREST sponsors, should note that the last time at which a USE instruction may settle in order to be valid is 11.00 a.m. on 5 March 2021.

(e) *Content of USE Instructions in respect of Excess Entitlements*

The USE Instruction must be properly authenticated in accordance with Euroclear's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

- (i) the number of New Shares for which application is being made (and hence the number of Excess Entitlement(s) being delivered to Link Group as Receiving Agent) not exceeding the maximum amount of the Excess Entitlement;
- (ii) the ISIN of the Excess Entitlement. This is GB00BNKBJM88;
- (iii) the CREST participant ID of the accepting CREST member;
- (iv) the CREST member account ID of the accepting CREST member from which the Excess Entitlements are to be debited;
- (v) the Participant ID of Link Group in its capacity as CREST Receiving Agent, which is 7RA33;
- (vi) the CREST member account ID of Link Group in its capacity as CREST Receiving Agent, which is 21144EUR;
- (vii) the amount payable by means of a CREST payment on settlement of the USE instruction which must be the full amount payable on application for the number of New Shares referred to in (i) above;
- (viii) the intended settlement date, which must be before 11.00 a.m. on 5 March 2021; and
- (ix) the Corporate Action Number for the Open Offer, which will be available by viewing the relevant corporate action details in CREST.

In order for an application in respect of an Excess Entitlement under the Open Offer to be valid, the USE instruction must comply with the requirements as to authentication and contents set out above and must settle on or before 11.00 a.m. on 5 March 2021.

In order to assist prompt settlement of the USE instruction, CREST members (or their sponsors, where applicable) should add the following non-mandatory fields to their USE instruction: (a) a contact name and telephone number (in the free format shared note field); and (b) a priority of at least 80.

CREST members and, in the case of CREST sponsored members, their CREST sponsors, should note that the last time at which a USE instruction may settle in order to be valid is 11.00 a.m. on 5 March 2021.

Please note that automated CREST generated claims and buyer protection will not be offered on the Excess Entitlement security.

In the event that the Open Offer does not become unconditional by 8.00 a.m. on 9 March 2021, or such later time and date as the Company may decide (being no later than 6 April 2021), the Open Offer will lapse, the Basic Entitlements and Excess Entitlements admitted to CREST will be disabled and Link Group as Receiving Agent will refund the amount paid by a Qualifying CREST Shareholder by way of a CREST payment, without interest, within 14 days thereafter. The Open Offer cannot be revoked once all conditions have been satisfied.

(f) *Deposit of Basic Entitlements into, and withdrawal from, CREST*

A Qualifying Non-CREST Shareholder's entitlement under the Open Offer as shown by the number of Basic Entitlements set out in this Open Offer Application Form may be deposited into CREST (either into the account of the Qualifying Shareholder named in the Open Offer Application Form or into the name of a person entitled by virtue of a *bona fide* market claim). Similarly, Basic Entitlements held in CREST may be withdrawn from CREST so that the entitlement under the Open Offer is reflected in an Open Offer Application Form.

Normal CREST procedures (including timings) apply in relation to any such deposit or withdrawal, subject (in the case of a deposit into CREST) as set out in the Open Offer Application Form. A holder of an Open Offer Application Form who is proposing to deposit the entitlement set out in such form

is recommended to ensure that the deposit procedures are implemented in sufficient time to enable the person holding or acquiring the Basic Entitlements and the entitlement to apply under the Excess Application Facility following their deposit into CREST to take all necessary steps in connection with taking up the entitlement prior to 11.00 a.m. on 5 March 2021. In particular, having regard to normal processing times in CREST and on the part of Link Group, the recommended latest time for depositing an Open Offer Application Form with the CREST courier and sorting service, where the person entitled wishes to hold the entitlement under the Open Offer set out in such Open Offer Application Form as Basic Entitlements in CREST, is 3.00 p.m. on 2 March 2021, and the recommended latest time for receipt by Euroclear of a dematerialised instruction requesting withdrawal of Basic Entitlements from CREST is 4.30 p.m. on 1 March 2021, in either case so as to enable the person acquiring or (as appropriate) holding the Basic Entitlements following the deposit or withdrawal (whether as shown in an Open Offer Application Form or held in CREST) to take all necessary steps in connection with applying in respect of the Basic Entitlements and/or Excess Entitlements prior to 11.00 a.m. on 5 March 2021.

Delivery of an Open Offer Application Form with the CREST deposit form duly completed whether in respect of a deposit into the account of the Qualifying Shareholder named in the Open Offer Application Form or into the name of another person, shall constitute a representation and warranty to the Company by the relevant CREST member(s) that it/they is/are not in breach of the provisions of the warranties and representations on page 2 of the Open Offer Application Form, and a declaration to the Company from the relevant CREST member(s) that it/they is/are not citizen(s) or resident(s) of any of the Restricted Jurisdictions and, where such deposit is made by a beneficiary of a market claim, a representation and warranty that the relevant CREST member(s) is/are entitled to apply under the Open Offer by virtue of a *bona fide* market claim.

(g) Validity of Application

A USE instruction complying with the requirements as to authentication and contents set out above which settles by no later than 11.00 a.m. on 5 March 2021 will constitute a valid application under the Open Offer and/or Excess Application Facility, as applicable.

(h) CREST procedures and timings

CREST members and (where applicable) their CREST sponsors should note that Euroclear does not make available special procedures, in CREST, for any particular corporate action. Normal system timings and limitations will therefore apply in relation to the input of a USE instruction and its settlement in connection with the Open Offer. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST sponsored member, to procure that his CREST sponsor takes) such action as shall be necessary to ensure that a valid application is made as stated above by 11.00 a.m. on 5 March 2021. In this connection CREST members and (where applicable) their CREST sponsors are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

(i) Incorrect or incomplete applications

If a USE instruction includes a CREST payment for an incorrect sum, the Company through the Receiving Agent reserves the right:

- (i) to reject the application in full and refund the payment to the CREST member in question;
- (ii) in the case that an insufficient sum is paid, to treat the application as a valid application for such lesser whole number of New Shares and/or Excess Entitlements as would be able to be applied for with that payment at the Issue Price, refunding any unutilised sum to the CREST member in question; and
- (iii) in the case that an excess sum is paid, to treat the application as a valid application for all the New Shares referred to in the USE instruction refunding any unutilised sum to the CREST member in question (without interest).

(j) *The Excess Application Facility*

Provided that a Qualifying CREST Shareholder chooses to take up their Basic Entitlement in full, the Excess Application Facility enables Qualifying CREST Shareholders to apply for additional New Shares in excess of their Basic Entitlements. Qualifying CREST Shareholders will receive a credit Excess CREST Open Offer Entitlements equal to the maximum number of New Shares available through the Open Offer. Any New Shares available under the Open Offer that are not taken up by subscriptions by Qualifying Shareholders under their Basic Entitlements will be available under the Excess Application Facility. Applications under the Excess Application Facility will be scaled back on a pro-rata basis or such other basis that the Company consider appropriate, in its absolute discretion.

Subject as provided in paragraph 5 of this Part II in relation to Overseas Shareholders, the CREST accounts of Qualifying CREST Shareholders will be credited with an Excess CREST Open Offer Entitlement of 4 New Shares for every 11 Ordinary Shares held at the Record Date in order for any applications for further Ordinary Shares under the Excess Application Facility to be settled through CREST. If a Qualifying Shareholder wishes to apply for more Ordinary Shares, such Qualifying CREST Shareholder should contact the Receiving Agent to arrange for a further credit up to the maximum amount of New Shares to be issued under the Excess Application Facility.

The credit of such Excess Entitlement does not in any way give Qualifying CREST Shareholders a right to the New Shares attributable to the Excess Entitlement as an Excess Entitlement is subject to scaling back on such basis as the Company considers appropriate, in its absolute discretion.

Applications for Excess Entitlements will be satisfied only to the extent that corresponding applications by other Qualifying Shareholders are not made or are made for less than their Basic Entitlements and, if applicable, applications under the Excess Application Facility will be scaled back on such other basis as the Company considers appropriate, in its absolute discretion. No assurance can be given that applications by Qualifying Shareholders under the Excess Application Facility will be met in full, in part or at all.

To apply for Excess Entitlements pursuant to the Open Offer, Qualifying CREST Shareholders should follow the instructions above. Should a transaction be identified by the CREST Claims Processing Unit as "cum" the Basic Entitlement and the relevant Basic Entitlement(s) be transferred, the Excess Entitlements will not transfer with the Basic Entitlement(s) claim but will need to be claimed separately by the purchaser who is advised to contact the Receiving Agent to request a credit of the appropriate number of Excess CREST Open Offer Entitlements to their CREST account. Please note that a separate USE Instruction must be sent in respect of any application under the Excess CREST Open Offer Entitlement. Qualifying Shareholders may apply to acquire further Ordinary Shares.

Should a Qualifying CREST Shareholder cease to hold all of his Ordinary Shares as a result of one or more *bona fide* market claims, the Excess Entitlement credited to CREST, and allocated to the relevant Qualifying Shareholder, will be transferred to the purchaser. Please note that an additional USE instruction must be sent in respect of any application under the Excess Entitlement.

Should the Open Offer become unconditional and applications for New Shares under the Open Offer exceed the number of New Shares being made available under the Open Offer, resulting in a scaling back of applications under the Excess Application Facility, each Qualifying CREST Shareholder who has made a valid application for New Shares under the Excess Application Facility, and from whom payment in full for the Excess Entitlement has been received, will receive a Sterling amount equal to the number of New Shares validly applied and paid for but which are not allocated to the relevant Qualifying CREST Shareholder multiplied by the Issue Price. Monies will be returned as soon as reasonably practicable, without payment of interest, and at the applicant's sole risk.

Fractions of New Shares will be aggregated and issued under the Excess Application Facility and fractions of New Shares will be rounded down to the nearest whole number.

(k) *Effect of Valid Application*

A CREST member who makes or is treated as making a valid application in accordance with the above procedures will thereby:

- (i) pay the amount payable on application in accordance with the above procedures by means of a CREST payment in accordance with the CREST payment arrangements (it being acknowledged that the payment to the Link Group's payment bank in accordance with the CREST payment arrangements shall, to the extent of the payment, discharge in full the obligation of the CREST member to pay to the Company the amount payable on application);
- (ii) confirm to the Company that in making the application he is not relying on any information or representation other than that contained in this Circular, and he accordingly agrees that no person responsible solely or jointly for this Circular or any part thereof shall have any liability for any such information or representation not so contained and that having had the opportunity to read this Circular he will be deemed to have notice of all the information concerning the Group contained within this Circular;
- (iii) request that the New Shares to which he will become entitled be issued to him on the terms set out in this Circular and subject to the articles of association of the Company;
- (iv) agree that all applications and contracts resulting therefrom under the Open Offer shall be governed by, and construed in accordance with, the laws of England;
- (v) represent and warrant to the Company that he is not applying on behalf of any Shareholder who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of any jurisdiction other than the United Kingdom and he is not applying with a view to reoffering, reselling, transferring or delivering any of the New Shares which are the subject of this application to, or for the benefit of, a Shareholder who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of any jurisdiction other than the United Kingdom except where proof satisfactory to the Company has been provided to the Company that he is able to accept the invitation by the Company of any requirement which it (in its absolute discretion) regards as unduly burdensome, nor acting on behalf of any such person on a non-discretionary basis nor (a) person(s) otherwise prevented by legal or regulatory restrictions from applying for New Shares under the Open Offer;
- (vi) represent and warrant to the Company that he is not and nor is he applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp Duty Reserve Tax Regulations 1986 at any of the increased rates referred to in Section 93 (depository receipts) or Section 96 (clearance services) of the Finance Act 1986;
- (vii) confirm that in making such application he is not relying on any information in relation to the Company other than that contained in publicly available information and agrees that no person responsible solely or jointly for this Circular or any part thereof or involved in the preparation thereof, shall have any liability for any such other information and further agrees that he will be deemed to have had notice of all the information concerning the Group contained within this Circular;
- (viii) represent and warrant to the Company that he is the Qualifying Shareholder originally entitled to the Basic Entitlements or that he has received such Basic Entitlements and Excess Entitlements by virtue of a *bona fide* market claim;
- (ix) represent and warrant to the Company that he has the right, power and authority, and has taken all action necessary, to make the application under the Open Offer and to execute, deliver and exercise his rights, and perform his obligations under any contracts resulting therefrom and that he is not a person otherwise prevented by legal or regulatory restrictions from applying for New Shares or acting on behalf of any such person on a non-discretionary basis;
- (x) confirm that in making the application he is not relying on and has not relied on the Company or any person affiliated with the Company in connection with any investigation of the accuracy of any information contained in this Circular or his investment decision;
- (xi) acknowledge that none of the Company nor any person acting on its behalf nor any of their respective affiliates nor any of their respective directors, officers, employees, agents, partners or professional advisers has or shall have any liability for any direct, indirect or consequential loss or damage suffered by any person as a result of relying on any statement contained in this

Circular or any other information made available by or on behalf of the Company or made publicly available by the Company on its website, by press release, by public filing or otherwise or any other information, provided that nothing in this paragraph excludes the liability of any person for fraud made by that person; and

- (xii) warrant and represent to the Company that the purchase by him of New Shares does not trigger in the jurisdiction in which he is resident: (a) any obligation to prepare or file a prospectus or similar document or any other report with respect to such purchase; or (b) any disclosure reporting obligation of the Company; or (c) any registration or other obligation on the part of the Company; or (d) the requirement for the Company to take any other action.

(l) *Company's discretion as to rejection and validity of applications*

The Company may in its sole discretion:

- (i) treat as valid (and binding on the CREST member concerned) an application which does not comply in all respects with the requirements as to validity set out or referred to in this Part II;
- (ii) accept an alternative properly authenticated dematerialised instruction from a CREST member or (where applicable) a CREST sponsor as constituting a valid application in substitution for or in addition to a USE instruction and subject to such further terms and conditions as the Company may determine;
- (iii) treat a properly authenticated dematerialised instruction (in this sub-paragraph the "first instruction") as not constituting a valid application if, at the time at which the Receiving Agent receives a properly authenticated dematerialised instruction giving details of the first instruction or thereafter, either the Company or the Receiving Agent have received actual notice from CREST of any of the matters specified in Regulation 35(5)(a) in relation to the first instruction. These matters include notice that any information contained in the first instruction was incorrect or notice of lack of authority to send the first instruction; and
- (iv) accept an alternative instruction or notification from a CREST member or CREST sponsored member or (where applicable) a CREST sponsor, or extend the time for settlement of a USE instruction or any alternative instruction or notification, in the event that, for reasons or due to circumstances outside the control of any CREST member or CREST sponsored member or (where applicable) CREST sponsor, the CREST member or CREST sponsored member is unable validly to apply for New Shares by means of the above procedures. In normal circumstances, this discretion is only likely to be exercised in the event of any interruption, failure or breakdown of CREST (or any part of CREST) or on the part of the facilities and/or systems operated by the Company's registrar (being the Receiving Agent) in connection with CREST.

(m) *Issue of New Shares in CREST*

Basic Entitlements and Excess Entitlements held in CREST are expected to be disabled in all respects after 11.00 a.m. on 5 March 2021. If the conditions to the Open Offer described above are satisfied, New Shares will be issued in uncertificated form to those persons who submitted a valid application for New Shares by utilising the CREST application procedures and whose applications have been accepted by the Company on the day on which such conditions are satisfied. On this day the Receiving Agent will instruct Euroclear to credit the appropriate stock accounts of such persons with such persons' New Shares with effect from the next Business Day. The stock accounts to be credited will be accounts under the same participant IDs and member account IDs in respect of which the USE instruction was given.

4. Money Laundering Regulations

4.1 Holders of Open Offer Application Forms

It is a term of the Open Offer that, to ensure compliance with the Money Laundering Regulations, the money laundering provisions of the Criminal Justice Act 1993 and the Proceeds of Crime Act 2002 (together with the provisions of the Money Laundering Sourcebook of the FCA and the manual of guidance produced by the Joint Money Laundering Steering Group in relation to financial sector firms) (together, the "**Regulations**"), that the Receiving Agent may, in its absolute discretion, require

verification of your identity to the extent that you have not already provided the same. Pending the provision to the Receiving Agent of evidence of your identity, definitive certificates in respect of New Shares may be retained at its absolute discretion.

If within a reasonable time after a request for verification of identity but in any event by 11.00 a.m. on 5 March 2021, the Receiving Agent have not received evidence satisfactory to it, the Company may, in its absolute discretion, elect not to treat as valid the relevant application, in which event the monies payable on acceptance of the application will, if paid, be returned without interest and net of bank charges at the applicant's risk by cheque to the applicant(s) to the account of the drawee bank or building society from which sums were originally debited (but in each case without prejudice to any rights the Company may have to take proceedings in respect of loss or damage suffered or incurred by it as a result of the failure to produce satisfactory evidence as aforesaid).

In order to avoid this, payment should be made by means of a cheque drawn by and in the name of the applicant named on the accompanying Open Offer Application Form or (where an Open Offer Application Form has been transferred and/or split to satisfy *bona fide* market claims in relation to transfers of Ordinary Shares through the market prior to 3.00 p.m. on 3 March 2021), by the person(s) named in Box 1 on the Open Offer Application Form. If this is not practicable and the applicant uses a cheque drawn on a building society or a banker's draft, the applicant should:

- (a) ask the building society or bank to endorse the back of the cheque or draft the name and account number of the person whose building society or bank account is being debited which must be the same name as that printed on the Open Offer Application Form, such endorsement being validated by a stamp and authorised signature by the building society or bank on the reverse of the cheque or banker's draft;
- (b) if the applicant delivers the Open Offer Application Form by hand, bring with them the appropriate photographic evidence of identity, such as a passport or driving licence; and
- (c) third-party cheques may not be accepted unless covered by (a) above.

In any event, if it appears to the Receiving Agent that an applicant is acting on behalf of some other person, further verification of the identity of any person on whose behalf the applicant appears to be acting will be required.

The verification of identity requirements will not usually apply (1) if the applicant (not being an applicant who delivers their application in person) makes payment by way of a cheque drawn on an account in the applicant's name or (2) if the aggregate subscription price for the New Shares is less than the Sterling equivalent of €15,000 (approximately £13,000).

In other cases the verification of identity requirements may apply.

By lodging an Open Offer Application Form, each Qualifying Shareholder undertakes to provide evidence of his identity if requested at the absolute discretion of the Receiving Agent and/or the Company, at such specified time thereafter as may be required to ensure compliance with the Regulations.

4.2 **Basic Entitlements and Excess Entitlements in CREST**

If you hold your Basic Entitlements or Excess Entitlements in CREST and apply for New Shares in respect of all or some of your Basic Entitlements (and Excess Entitlements) as agent for one or more persons and you are not a United Kingdom regulated person or institution (e.g. a United Kingdom financial institution), then, irrespective of the value of the application, the Receiving Agent is obliged to take reasonable measures to establish the identity of the person or persons on whose behalf you are making the application. You must therefore contact Link Group before sending any USE or other instruction so that appropriate measures may be taken.

Submission of a USE instruction which on its settlement constitutes a valid application as described above constitutes a warranty and undertaking by the applicant to provide promptly to the Company and the Receiving Agent such information as may be specified by the Receiving Agent as being required for the purposes of the Regulations. Pending the provision of evidence satisfactory to the Receiving Agent as to identity, the Receiving Agent may in its absolute discretion take, or omit to

take, such action as it may determine to prevent or delay issue of the New Shares concerned. If satisfactory evidence of identity has not been provided within a reasonable time, then the application for the New Shares represented by the USE instruction will not be valid. This is without prejudice to the right of the Company to take proceedings to recover any loss suffered by it as a result of any failure to provide satisfactory evidence.

5. Overseas Shareholders

In respect of persons not resident in the United Kingdom or who are citizens of countries other than the United Kingdom the Open Offer may be affected by the laws or regulatory requirements of jurisdictions outside the United Kingdom. It is the responsibility of each Overseas Shareholder to satisfy himself/herself as to the full observance of the laws of any relevant jurisdiction in connection with the Open Offer and voting at the General Meeting. No person receiving a copy of this Circular and/or an Open Offer Application Form in any territory other than the United Kingdom may treat the same as constituting an invitation or offer to him/her nor should he/she in any event use such Open Offer Application Form unless in the relevant territory such an invitation could lawfully be made to him/her or such Open Offer Application Form could lawfully be used without compliance with any registration or other legal or regulatory requirements other than any which may have been fulfilled.

In particular, the New Shares have not been registered under the United States Securities Act of 1933 (as amended) or the relevant securities legislation in any other Restricted Jurisdiction and therefore the New Shares may not be offered, sold, transferred or delivered directly or indirectly in any Restricted Jurisdiction or their respective territories and possessions. No application form will be accepted from any Shareholder who is unable to give the warranty set out in the Open Offer Application Form or who the Company or its agent has reason to believe is ineligible to apply.

It is the responsibility of any person receiving a copy of this Circular or an Open Offer Application Form and wishing to make an application to subscribe for the New Shares to satisfy himself/herself as to the full observance of the laws and regulatory requirements of any relevant territory, including the obtaining of all necessary governmental or other consents which may be required or observing any other formalities needing to be observed in such territory and the payment of any taxes due in such jurisdiction.

None of the Company nor any of their respective representatives, is making any representation to any offeree or purchaser of the New Shares regarding the legality of an investment in the New Shares by such offeree or purchaser under the laws applicable to such offeree or purchaser.

The Company and the Receiving Agent each reserve the right to treat as invalid any application, or purported application, to subscribe for New Shares pursuant to the Open Offer which appears to the Company or its agent to have been executed, effected or dispatched in a manner which may involve a breach of the securities legislation of any jurisdiction or which does not include the warranties set out in the Open Offer Application Form. Completion of an Open Offer Application Form shall constitute a warranty that the Shareholder is eligible to apply.

6. Settlement and Dealings

Basic Entitlements and Excess Entitlements held in CREST are expected to be disabled in all respects after 11.00 a.m. on 5 March 2021 (the latest date for applications under the Open Offer). If the conditions to the Open Offer described above are satisfied, New Shares will be issued in uncertificated form to those persons who submitted a valid application for New Shares by utilising the CREST application procedures and whose applications have been accepted by the Company on the day after such conditions are satisfied (expected to be 9 March 2021). On this day, the Receiving Agent will instruct Euroclear to credit the appropriate stock accounts of such persons with such persons' entitlements to New Shares. The stock accounts to be credited will be accounts under the same participant IDs and member account IDs in respect of which the USE instruction was given.

Notwithstanding any other provision of this Circular, the Company reserves the right to send Qualifying CREST Shareholders an Open Offer Application Form instead of crediting the relevant stock account with Basic Entitlements and Excess Entitlements, and to allot and/or issue any New Shares in certificated form.

In normal circumstances, this right is only likely to be exercised in the event of any interruption, failure or breakdown of CREST (or of any part of CREST) or on the part of the facilities and/or systems operated by Link Group in connection with CREST.

For Qualifying Non-CREST Shareholders who have applied by using an Open Offer Application Form, share certificates in respect of the New Shares validly applied for are expected to be dispatched by post by the week commencing 15 March 2021 or as soon as possible thereafter.

No temporary documents of title will be issued and, pending the issue of definitive certificates, transfers will be certified against the register. All documents or remittances sent by or to applicants or as they may direct, will be sent through the post at their own risk. For more information as to the procedure for application, Qualifying Non-CREST Shareholders are referred to the Open Offer Application Form.

7. Dilution

The share capital of the Company in issue at the date of this Circular will (assuming that all of the New Shares are issued pursuant to the Capital Raising) be increased by approximately 26.62 per cent. as a result of the Capital Raising. Those Shareholders who do not take up their Basic Entitlements or Excess Entitlements may suffer a reduction of up to approximately 26.62 per cent. in their proportionate ownership and voting interest in the ordinary share capital of the Company as represented by their holding of Ordinary Shares immediately following the allotment and issue of the New Shares.

Notes:

- (i) As a member, you would ordinarily have the right to attend, speak and vote at the forthcoming General Meeting or at any adjournment(s) thereof. However, the restrictions which have been put in place under the Corporate Insolvency and Governance Act 2020 in response to COVID-19 mean that members' rights are restricted to voting at the General Meeting, with no right of attendance. Members are not entitled to attend the General Meeting in person.
- (ii) A member entitled to vote at the General Meeting convened by the above notice is entitled to appoint a proxy to exercise all or any of the rights of the member to vote on his behalf at the meeting. A proxy may only be appointed using the procedures set out in these notes.
- (iii) A member may appoint more than one proxy in relation to the General Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. You may not appoint more than one proxy to exercise rights attached to any one share. A proxy need not be a member of the Company. We are asking that members appoint the Chairman of the meeting as their proxy. As a result of the current Government restrictions, if a member appoints someone else as their proxy, that proxy will not be able to attend the meeting in order to cast the member's vote.
- (iv) You can appoint a proxy to vote by:
 - a) logging on to www.signalshares.com and following the instructions;
 - b) requesting a hard copy form of proxy directly from the registrars, Link Group on tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. They are open between 09:00-17:30, Monday to Friday excluding public holidays in England and Wales; or
 - c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

In each case the proxy appointment must be received by Link Group, Corporate Actions, The Registry at 34 Beckenham Road, Beckenham, Kent, BR3 4TU by 11.00 a.m. on 4 March 2021.

- (v) A member wishing to change their proxy instructions should simply submit a new proxy appointment using the methods set out in these notes. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.
- (vi) If more than one valid proxy appointment is submitted, the appointment received last before the latest time for the receipt of proxies will automatically take precedence.
- (vii) To revoke a proxy instruction the Company will need to be informed by the member by sending a signed hard copy notice stating clearly the intention to revoke your proxy appointment to Link Group, Corporate Actions, the Registry at 34 Beckenham Road, Beckenham, Kent BR3 4TU. Any power of attorney or other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by the Company not less than three hours before the General Meeting. Any revocation received after the time specified, subject to the provisions of note (v) above, will not take effect and the proxy appointment will remain valid.
- (viii) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only shareholders registered in the register of members of the Company as at 11.00 a.m. on 4 March 2021 shall be entitled to vote at the General Meeting in respect of the number of shares registered in their name at that time. If the General Meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to vote at the adjourned General Meeting is 48 hours before the time fixed for the adjourned General Meeting. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend, speak and vote at the General Meeting.
- (ix) In the case of joint holders, the vote of the senior holder who tenders a vote by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

- (x) CREST members who wish to appoint a proxy through the CREST service may do so provided that the procedures contained in the CREST Manual are followed. In order to be valid, the completed and authenticated CREST Proxy Instruction must be received by Link Group not less than 48 hours before the General Meeting. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
- (xi) To appoint a proxy or to give or amend an instruction to a previously appointed proxy via the CREST system, the CREST message must be received by the issuer's agent (ID RA10) no later than 11.00 a.m. on 4 March 2021, or, in the event of an adjournment of the meeting, 48 hours before the adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed voting service provider(s) should contact their CREST sponsor or voting service provider(s) for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings, please refer to the CREST Manual. We may treat a proxy appointment sent by CREST as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
- (xii) Subject to the Covid related restrictions in force at the date of the notice of the General Meeting, any member otherwise entitled to attend the General Meeting has the right to ask questions. The Company has made alternative arrangements for questions to be submitted by members by email. Questions can be submitted to the Company by email to rb@eurovestech.com at least 3 Business Days prior to the date of the General Meeting. A summary of the questions received, together with the Company's responses will be published on the Company's website as soon as practicable after the General Meeting.
