Add "1" in column B to nominate your participant

@ Gor, Rab, Vau: You need to assign in addition the group in column C. To which OE do your participants belong to? The assignment to BUs will be done on a later step. The countries and regions are not assigned to the OE yet ☹. You can use the dropdown box to select between OE2-4

@ Sdm: Maria will get in touch with Muf re TEC people

Info re double-entry: Please nominate only 1x

< FG6

Employee < 12 months

Fields marked in red just inform you that criteria are basically not fulfilled. That should not avoid you from nominating. This is just a help for decision of the selection and approval.

Entries with TBC need a follow-up

Column A: info about participants of GSSM 2020. FYI only.
