

BAXI

Baxi 200 Combi 2

Introduction

Baxi is proud to have been manufacturing in the UK since 1866. We are passionate about delivering reliable products and responsive services for our customers.

Sustainability is embedded in all we do, and we are committed to being a cleaner, greener manufacturing business. We support our customers by offering them clever heating solutions that keep their homes and businesses warm without warming the planet.

* Subject to completion of the Benchmark Commissioning checklist, registration of the boiler warranty within 30 days of installation and an annual service. T&Cs apply.

Reliability

Every Baxi boiler has to achieve 100% to pass a full function test using gas, water and electricity, before it leaves the production line.

Efficiency

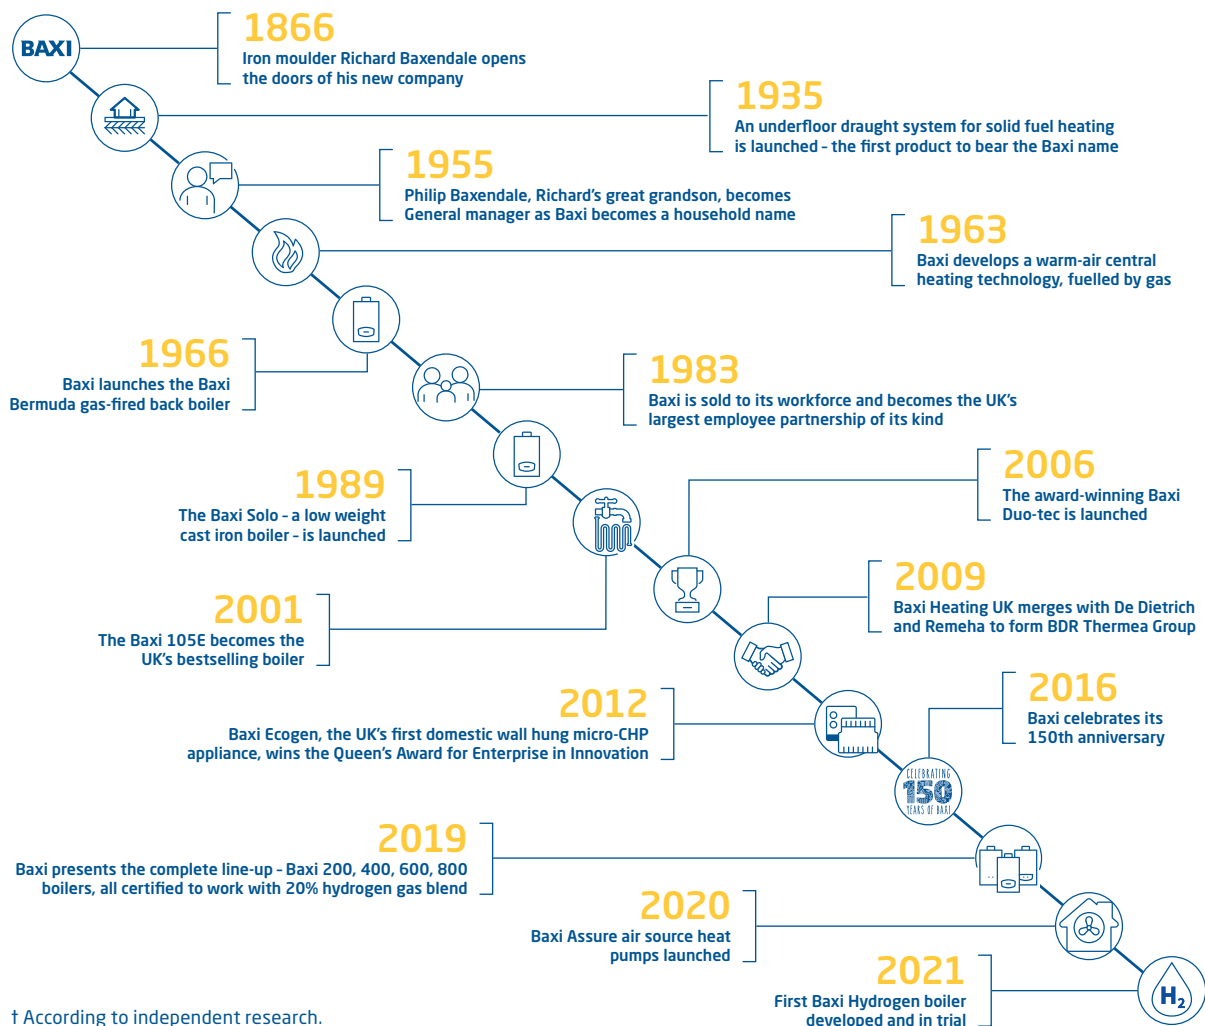

Baxi boilers are A rated to help you save money on your fuel bill and reduce your carbon footprint.

Warranty

Every Baxi boiler comes with a parts and labour warranty* for your peace of mind.

A BRIEF HISTORY OF BAXI

Baxi has been manufacturing in the UK for over 150 years. It has a heritage of providing cutting edge heating products for homes and is the best known boiler manufacturer amongst homeowners.†
