

Introduction

Baxi is proud to have been manufacturing in the UK since 1866. We are passionate about delivering reliable products and responsive services for our customers.

Sustainability is embedded in all we do, and we are committed to being a cleaner, greener manufacturing business. We support our customers by offering them clever heating solutions that keep their homes and businesses warm without warming the planet.

* Subject to completion of the Benchmark Commissioning checklist, registration of the boiler warranty within 30 days of installation and an annual service

Reliability

Every Baxi boiler has to achieve 100% to pass a full function test using gas, water and electricity, before it leaves the production line.

Efficiency

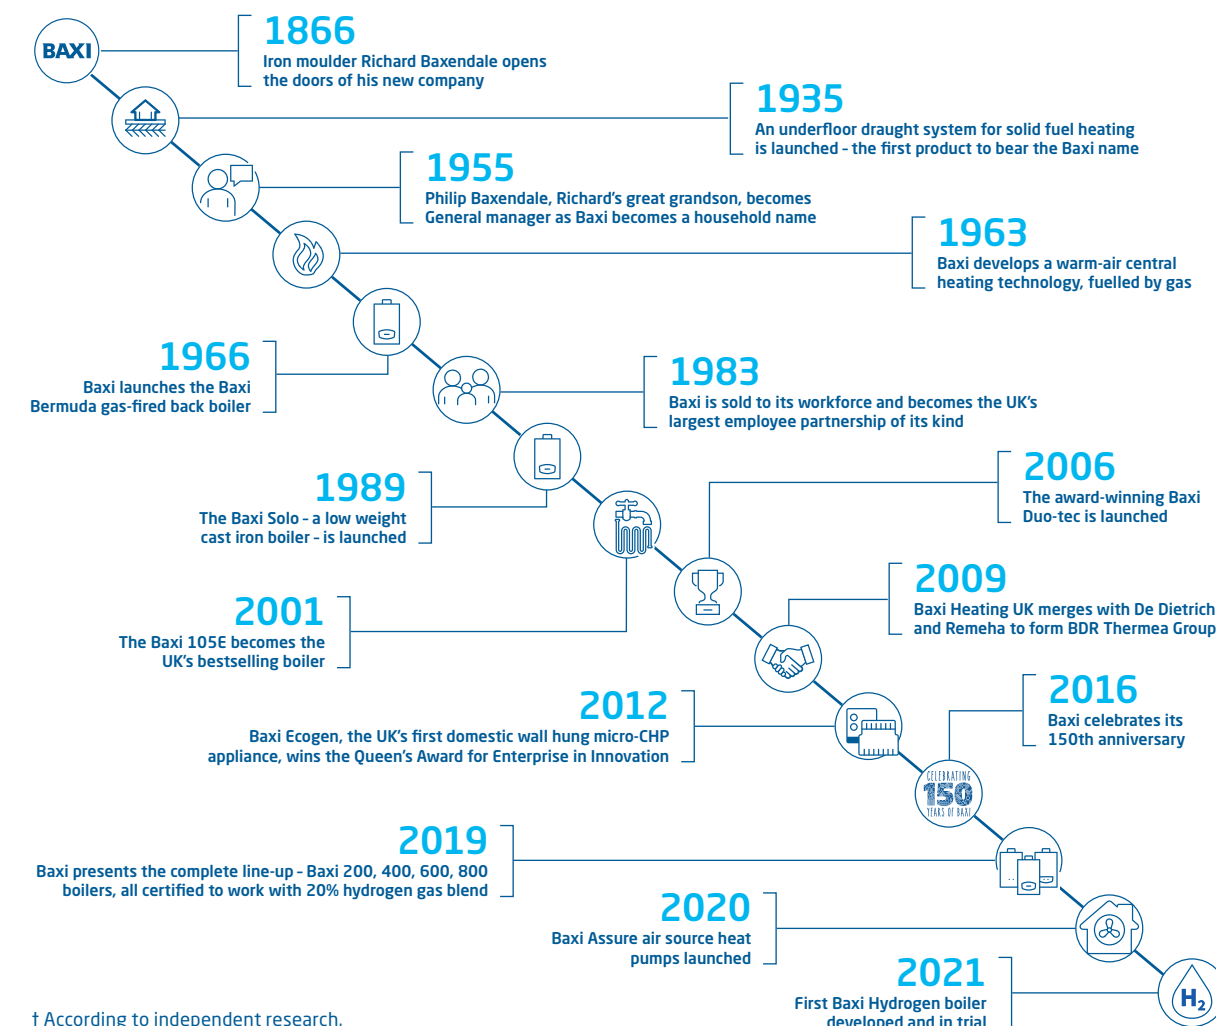

Baxi boilers are A rated to help you save money on your fuel bill and reduce your carbon footprint.

Warranty

Every Baxi boiler comes with a parts and labour warranty* for your peace of mind.

A BRIEF HISTORY OF BAXI

Baxi has been manufacturing in the UK for over 150 years. It has a heritage of providing cutting edge heating products for homes and is the best known boiler manufacturer amongst homeowners.†

Baxi 600 Combi 2

Compatible with Baxi uSense 2 smart control

Use My Baxi App to adjust your heating wherever you are!

Baxi 600 Combi 2

The Baxi 600 Combi 2 is a high efficiency boiler, simple to use and provides plenty of heating and hot water whenever you need it. It comes with a 7-year parts and labour warranty* for your peace of mind and is small enough to fit in a standard kitchen cupboard. The digital boiler display will tell you when you need to top up system pressure and the clever Easy-Fill filling link means you can top up quickly and easily without having to call your heating engineer.

Key features

Benefits

7-year parts and labour warranty*	For your peace of mind
Outputs of 24, 30 & 36kW	Providing great hot water performance
Compact design	Fits neatly into a 290mm deep kitchen cupboard
Backlit digital display	Easy to read if sited in a cupboard
Quiet in operation	Can be fitted into a living space without disturbing you
Compatible with Baxi uSense 2 smart control	Control your heating from your smart device, wherever you are
Easy-Fill filling link	No need to call your heating engineer to top up your system pressure
Natural gas or LPG convertible	Suitable for homes on or off mains gas network

Use and performance

A Boiler width = 395mm
 B Boiler height = 700mm
 C Boiler depth = 295mm
 D Side clearance = 2.5mm
 E Upper clearance = 178mm¹
 F Lower clearance = 150mm¹
 G Front clearance = 5mm¹ in operation, 450mm¹ for servicing purposes

¹These are the minimum recommended clearance dimensions. Greater clearance will aid installation and maintenance.

Controls

Setting your boiler couldn't be simpler.

1. Central heating temperature dial
2. Hot water temperature dial
3. Back (previous menu)
4. Manual reset
5. Menu
6. Confirms selection

Easy-Fill

Re-pressurising your boiler couldn't be simpler.

Pull green lever under right side of boiler. Release when the digital pressure display reads between 1-1.5 Bar.

Performance

	24kW	30kW	36kW
Central heating output (kW)	20	25	25
Maximum domestic hot water flow rate (litre per min) ¹	10.2	12.2	15.0
Efficiency rating	A	A	A

¹At 35°C temperature rise

Added value services

Expert support, whenever you need it

Baxi's award-winning UK-based customer support team is only a phone call away. And we have a nationwide network of our own Gas Safe registered engineers that can help you wherever you are.

Call Baxi Customer Support on 0344 871 1525

If you have mislaid your boiler's instructions, you can download them from the Baxi website on your computer, tablet or smartphone, 24/7. You'll also find lots of other useful information, including helpful 'How to' video guides.
