# Baxi Megaflo System

# Introduction

**BAXI**  
Make it easy

## Reliability

Every Baxi boiler has to achieve 100% to pass a full function test using gas, water and electricity, before it leaves the production line.

## Efficiency

Baxi boilers now come with energy labels showing the efficiency rating of the boiler. All boilers are A rated to help you save money on your fuel bill.

## Warranty

Every Baxi boiler comes with a parts and labour warranty for your peace of mind.\*

## Baxi make it easy

Baxi is easy to deal with, because the whole Baxi family, including Customer Support and Genuine Parts, is all under one roof.

## No jargon - plain and simple

Baxi warranty terms and conditions have been approved by the Plain English Campaign, so they are easy to understand.

\*Subject to completion of the Benchmark Commissioning checklist, registration of the boiler warranty and an annual service.

## A BRIEF HISTORY OF BAXI

Baxi has been manufacturing in the UK for over 150 years. It has a heritage of providing cutting edge heating products for homes and is the best known boiler manufacturer amongst homeowners.†

†According to independent research.

## How we make it easy

Range of outputs to suit most sizes and styles of property

# Baxi Megaflo System

The Baxi Megaflo System boiler is designed for homes with a high demand for hot water, or with more than one bathroom. Installed with a hot water cylinder, such as the Heatrae Sadia Megaflo Eco, it will satisfy all your hot water requirements and heat your home.

It is an Energy Saving Trust endorsed product, so it will lower your energy bills compared with old, standard efficiency boilers, and reduce your carbon footprint\*.

## Key Features

7-year parts and labour warranty\*

Outputs: 15kW, 18kW, 24kW, 28kW and 32kW

Exceptional flow rate (up to 16.4 litres per minute)

Energy Saving Trust recommended

Built-in timer

Built-in frost thermostat

## Benefits

For complete peace of mind

Suits most styles and sizes of property

Ideal for larger homes, great for showers

Save up to £300 a year on fuel bills\*\*

Easy to set and control

Suitable for siting in garages and lofts

\* Subject to registration and an annual service. Terms and conditions apply. For full details visit [baxi.co.uk/warranty](http://baxi.co.uk/warranty)

\*\* According to the Energy Saving Trust ([www.energysavingtrust.org.uk/Heating-and-hot-water/Replacing-your-boiler](http://www.energysavingtrust.org.uk/Heating-and-hot-water/Replacing-your-boiler))

# Use and performance

- A Boiler width = 450mm
- B Boiler height = 780mm
- C Boiler depth = 345mm
- D Side clearance = 5mm\*
- E Upper clearance = 200mm\* (300mm\*  
If using 80/125mm flueing system)
- F Lower clearance = 200mm\*
- G Front clearance = 5mm\* in operation  
450mm\* for servicing purposes

\*These are the MINIMUM recommended clearance dimensions.  
More space will help installation and maintenance.

## Controls

Setting your boiler couldn't be simpler.

Boiler outlet temperature – In either the central heating or domestic hot water position display will illuminate showing the current boiler temperature in degrees centigrade.

Turn the knob clockwise to increase or anticlockwise to decrease the temperature. Range 25 - 80°C.

Note. Calibration control is only for use by the installer or service engineer.

Performance	15kW	18kW	24kW	28kW	32kW
Central heating output	15	18	24	28	32
Efficiency rating	A	A	A	A	A

# Added value services

## Expert support, whenever you need it

Baxi's award-winning UK-based customer support team is only a phone call away. And we have a nationwide network of our own Gas Safe registered engineers that can help you wherever you are.

**Call Baxi Customer Support on 0344 871 1525**

If you have mislaid your boiler's instructions, you can download them from the Baxi website on your computer, tablet or smartphone, 24/7. You'll also find lots of other useful information, including helpful 'How to' video guides.

**[www.baxi.co.uk](http://www.baxi.co.uk)**

## Find a Baxi approved installer

Looking for your local Baxi installer? Just enter your postcode on our website and we will provide a list of Gas Safe registered installers near you, who are all fully trained to work on Baxi boilers.

**[www.baxi.co.uk/findaninstaller](http://www.baxi.co.uk/findaninstaller)**

## Lifetime support for your boiler

We keep parts available for up to 10 years after we stop making a boiler, so your installer can continue to maintain your boiler for the whole of its life.

## Jargon buster

If 'unvented', 'sealed system' or 'heat only' sound gobbledegook to you, look them up in our jargon buster – written to help you easily understand your heating system. **[www.baxi.co.uk/jargonbuster](http://www.baxi.co.uk/jargonbuster)**
