The Judge programme kicked into overdrive with the first ProQuest season. Once again we need your stores' support.

- ProQuest Stores require a Level One Judge to for the event. You need to provide their details at the below link by the April 25th - [Judge Confirmation Form](#)
- If you do not have a Level One Judge available you may submit a non-Level One Judge on the condition that they will take the Level One test and be certified before the event occurs.
- The next round of Judge testing will start the **May 2nd**, more details to come.
- If you have players or employees at your store interested in becoming a qualified judge please get them to sign up at the below link to be notified of the next intake.
