

Dear default

We would like to thank all the stores that have already signed on for the new Skirmish season. If you have not scheduled your event time is running out!

If you would like to accept this offer you have until
5 PM Monday 4th October PST
to set your event up in the system.

Event Updates

-Tales of Aria Unlimited Stock for Draft Events-

Stores will be able to order up to four cases to run their event (Four cases supports up to sixty players in two drafts plus a Top 8) from their chosen GEM distributor. If you believe you will need additional cases to support your event please contact the OP team. Requests need to be sent to the OP team prior to the 29th of October to be considered.

-Scheduling Around Major Events-

The Skirmish season does overlap with the end of the Nationals season. Check the link below for a handy list of event dates you may want to avoid.

Update your GEM Account now!

Stores can now update their store capacity in GEM. Adding the number of players you can have in-store gives us more information to help your store. To update in GEM select

Manage Store>Update Store Details>Player Seating Capacity.
