

The time has come to bid farewell to Welcome to Rathe!

Join us in saying farewell to the set that started it all.

Welcome to Rathe is out of print, but not out of our hearts.

Send Welcome to Rathe off in style by hosting a Farewell WTR event, with a prize kit featuring for the first time ever, WTR Cold Foil young Heroes. A strictly limited number of Celebration Kits are available to order from distributors. If you want to be part of this event, get in touch with your distributor today and ask about ordering one of these kits!

To participate in the program, you must order a “Farewell WTR Celebration Kit” from your distributor. Kits are strictly limited and will be allocated by distributors based on your recent event and sales activity.

Limit 1 kit per store.

A Celebration Kit includes:

- 3 cases of Welcome to Rathe - Unlimited
- 1 promo pack containing 16 cold foil WTR young heroes

This is a great chance for your store to start running OP in your store. We recommend your store consider running the Farewell event in conjunction with an Ira Welcome event to onboard new players.
