

# ROAD TO NATIONALS

**Road to Nationals 2021 Kicks off 31st of July!**

## **Covid Lockdown Procedure**

Stores that are affected by covid lockdowns prohibiting them from opening or allowing gathering sizes less than eight, have two options.

1 - Reschedule the event.

The season runs to the 5th of September you may reschedule your event to run as late as possible in this season.

2- Move to an online event.

Contact us [op@fabtcg.com](mailto:op@fabtcg.com) for us to add the online event to your account.

Moving to an online Road to Nationals will require a number of changes:

- These events will no longer offer the rainbow foil extended art Fyendal's Tunic. The Tunic is to be **sent back to your distributor**.
- Events must be webcam events held over discord.
- These events will still offer the top 4 players R2N qualification and have an XP multiplier of x6.
- All other prizes will remain but will be given out as participation prizes rather than for top placing.
- Once the event is over it is up to the store to assign and distribute the participation prizes. It is up to you and the players to send/pick up any prizes won this way.
- Players should only be eligible for participation prizes if they played to the end of swiss.

While this is an online event only players from your country may play in this event. Any players entering from outside your country will face sanctions including but not limited to losing all XP from the event.

- Use country filters in GEM when adding players. Add all players manually rather than using online registration as this does not filter for the players country.

We understand the difficulty stores and players may have at this time due to the pandemic but we believe that either of these options will assist stores in running events and offering players the best possible option to qualify for Nationals.

Good luck all and we look forward to seeing your events!
