3. Important information

3.1 WHY YOU SHOULD TAKE OUT THE INSURANCE

The *insurance contract* hereunder is a proof of travel health insurance for foreigners under Act no. 326/1999 Sb., Act on the Residence of Foreign Nationals in the Czech Republic, as amended.

1. The insurance covers the costs of *comprehensive health care* and related assistance services provided to *the insured* in the Czech Republic and the related *assistance service* resulting from worsening of the state of health, an *illness*, an *accident* or in connection with pregnancy and delivery of an insured woman, which occur during the insured period and during the stay of *the insured* in the Czech Republic.
2. The insurance also covers the costs of *essential and urgent health care* provided to *the insured* within the Schengen Area outside the Czech Republic and the related assistance services.

3.2 WHO AND WHAT CAN BE INSURED

1. We will insure *foreigners* who have an insurable interest.
2. Those who suffer from serious nerve disorders, mental disorders and (bilateral) hearing loss, (bilateral) blindness, palsy, drug addiction, alcohol addiction, addiction to prescription drugs, cirrhosis of the liver, cancer, malignant tumours (carcinoma), TB, need kidney dialysis, suffer from HIV infection or AIDS, at the moment of making the insurance, are uninsurable.
3. Unless agreed otherwise in the *insurance contract*, no *insurance contract* is made with an uninsurable person.

3.3 TERRITORIAL APPLICABILITY

The scope of cover is defined by the particular *insurance contract* and applies to the territory of:

Czech Republic – the coverage is applicable in the territory of the Czech Republic in the extent of *comprehensive health care* for foreign nationals.

Schengen Area + Czech Republic – the coverage is applicable in the territory of the Schengen Area in the extent of essential and urgent care for trips up to 90 days + in the territory of the Czech Republic in the extent of *comprehensive health care* for foreign nationals.

Health care, payment of medical expenses and other assistance is provided by our *assistance service* in the extent specified below. *Assistance services* are provided in compliance with the applicable laws and regulations in the country where they are provided.

We are not liable for any delays or inability to perform *assistance services* as a result of a pandemic, a war, internal unrest, terrorism, risks of nuclear energy or any other objective reason for our inability to perform.

3.4 WHEN IS THE INSURANCE EFFECTIVE?

The *insurance contract* is made upon the payment of the premium, unless agreed otherwise in the *insurance contract*. The *insurance contract* may be amended after the insurance is effected and before the commencement of coverage with our consent.

3.5 HOW WE DETERMINE THE PREMIUM

The premium is determined according to the length of the *stay*, the destination zone, age of *the insured*, purpose and requested scope of cover. The amount of the premium is specified in the *insurance contract*.

The premium is agreed as a single premium and is due upon making the contract. Any premium is deemed to be paid on the date on which it is credited to the bank account of the *insurer*. If you effect the *insurance* through one of *our partners - providers*, a payment to the *provider's* account may be agreed, in which case the premium is considered to have been paid. **The *insurance contract* is not effected unless the premium has been paid.**

Should there be any changes on your part after the *insurance contract* has been made, contact our customer centre or our partner, through whom you effected the insurance.

3.6 COMMENCEMENT AND END OF COVER

The basic *travel health insurance* and any optional *insurance cover* commences by crossing the state border of the Czech Republic/Schengen Area. If you effect the insurance while you are already in the Czech Republic/Schengen Area, the *insurance* becomes effective after the *qualifying period* of 48 hours after making the contract.

The insurance coverage ends on the date specified in the *insurance contract*.

3. Important information

3.7 HOW TO PROCEED IF A LOSS EVENT OCCURS:

- a) Contact the *assistance service* immediately if an *illness* or an *accident* occur.
- b) If you have to pay for the outpatient treatment in cash, by bank transfer or by card, keep (request) all the bills, including the medical report, and submit them to us within 30 days after the *insured event* occurred.
- c) In situations requiring immediate and urgent help, always call the ambulance first and then contact the *assistance service*.

4. What type of cover can be arranged?

4.1 BASIC COVERAGE

Section A Medical Expenses

(Indemnity insurance)

If an *illness*, the need to see a *physician* preventively or an *accident* occurs during the insured period, we will reimburse any reasonable, adequate and substantiated costs of the *Comprehensive/essential and urgent health care* for foreign nationals.

The coverage is provided up to the maximum extent covered from the public health insurance, however with the agreed limitations, exclusions and agreed *indemnity limits*.

THE COVERAGE OF ESSENTIAL AND URGENT MEDICAL CARE APPLIES TO:

- p) damage or loss in connection with service or training with any military, police, paramilitary organisation.

SECTION B ASSISTANCE

(Indemnity insurance)

BESIDE THE SERVICES SPECIFIED IN THE PREVIOUS SECTION HEREOF, THE ASSISTANCE SERVICE WILL PROVIDE YOU WITH:

24/7 SERVICE

Emergency phone lines manned 24/7, 365 days a year, by coordinators speaking multiple languages, who are experienced in the procedures of hospitals and clinics worldwide.

MEDICAL ASSISTANCE AND RECOMMENDATIONS

1. Information about *physicians* and hospitals in the place of your stay
2. Arranging for a *hospitalization*

DIRECT INVOICING

Direct settlement with the hospital if you cannot pay for the treatment yourself.

REPATRIATION

If repatriation is necessary and possible from the medical point of view after *hospitalization* or treatment, the *assistance service*, in cooperation with the attending *physician* will arrange for the return of *the insured* to the country of permanent residence. Should the

4. What type of cover can be arranged?

nature of the case require that *the insured* be accompanied on the return journey by medical professionals, the *assistance service* will arrange for that. Should the *assistance service* and the *physician* deem that from the medical point of view it is possible to transport *the insured* but *the insured* refuses to be repatriated, the *insurer* is not liable for any costs incurred by *the insured* as a result of their refusal of the recommended repatriation.

The possibility of repatriation is assessed, approved and arranged by the *assistance service* of the *insurer* or by *the insurer*.

Air transport (for specific cases): Repatriation or transport to a health care facility by air ambulance or by a regular airline or by other adequate means (based on the *assistance service* consent) depending on the circumstances, and, if necessary, with a fully equipped emergency medical team. After landing we will arrange for a suitable transport of the insured to hospital or home, as necessary.

Search and rescue operations on sea or in the mountains: Should *the insured* be missing in a foreign country, the *policyholder* or a next of kin of the insured are entitled to contact the *assistance service* and ask for assistance with the search. The local authorities, in cooperation with the integrated rescue system, will be in charge of the search.

SECTION C Accident Insurance

(Insurance of agreed sum)

ACCIDENTAL DEATH

In the case of an *accidental death* during the duration of cover we will pay the agreed indemnity to the *beneficiary*.

The benefit in the event of death of the *insured* who is younger than 18 is limited to the amount of CZK 100,000.

PERMANENT DISABILITY

- a) If you suffer a permanent disability as a result of an *accident* during a trip, we will provide you with indemnity in the amount of a percentage of the agreed insured amount in accordance with the Permanent Disability Valuation Table (Valuation Table).
- b) When determining the percentage for the calculation of the indemnity for disabilities that are not listed in the Valuation Table, specifically the nature and severity of the relevant disability will be taken into account, compared to the percentage determined for disabilities specified in the Valuation Table; for the avoidance of doubt, in determining the percentage, the employment or other gainful or leisure activities of the insured will not be taken into consideration.
- c) If more than one permanent disability results from one *accident*, indemnity will be provided in the amount of the sum of indemnity amounts (the relevant percentages of the relevant insured amount) for each of them, however up to the maximum of the total amount of the relevant insured amount.

SECTION D Liability for Damages Optional additional insurance

(Indemnity insurance)

The *insurance* is effected in case that during the *duration of cover* you cause accidental damage, for which you are legally liable, and a claim is filed against *you* for a compensation of:

- a) damage to health of a third party, who is not your family member, fellow traveller or employee;
- b) damage to property, which is not owned, managed by you or in your possession or owned, managed by or in the possession of your *family members*, employees or employer;
- c) damage to a temporary accommodation facility that does not belong to *you* or any of your *family members*, employees or employer.
- d) Unless specified otherwise in the contract, we will apply a *deductible* of CZK 1,000 for each damage.

We will reimburse the costs of legal representation approved in advance by us related to damage *accidentally* caused by you during your *trip* to a third party. The agreed *limit* applies to all claims raised during the *trip*.

THE INSURANCE DOES NOT COVER LIABILITY FOR DAMAGE:

- a) contractually assumed or exceeding the extent set down by the laws and regulations, any penalties imposed by the court or another public authority;
- b) caused by using any motor vehicles and means of transport, trailers, semi-trailers, any watercrafts or aircrafts, drones, all types of parachutes and sports kites, including any accessories;
- c) caused in connection with the ownership, maintenance or use of weapons, performance of military service, police service or the profession of a pilot, or gamekeeping activities or as part of training for any of those activities;

4. What type of cover can be arranged?

- d) caused by the use (except temporary use for the purpose of the stay in the Czech Republic) or the ownership of land or a building;
- e) incurred in connection with a work *accident* or an occupational disease, performance of trade, performance of a job or other gainful activities, or liability for damage to objects acquired and used for the purpose of such activities;
- f) arising in connection with the practice of professional sport;
- g) caused by an illegal provision or infringement of a patent, copyright or trademark, design or business name;
- h) caused in connection with the use, sale, production, supply, maintenance and other handling of substances that are prohibited under the laws of the country of your stay;
- i) caused by damage, destruction or missing records on audio, video and data carriers;
- j) caused by the spread of a contagious human, animal or plant disease;
- k) that occurs under the influence of alcohol if the blood alcohol concentration exceeds 0.5 g/l and/or under the influence of another narcotic substance or drugs that were not prescribed by a physician and/or if any drugs prescribed by a physician were used contrary to the instructions of the manufacturer;
- l) caused to the environment;
- m) caused by providing services on the Internet or a telecommunication network;
- n) which is covered by another *insurance policy* or to which the statutory duty of *the insured* or the aggrieved party to take out an *insurance policy* applies;
- o) caused by a pet.

4.2 OPTIONAL INSURANCE

SECTION E Optional Insurance for Pregnant Women

(*Indemnity Insurance*)

- » The insurance covers medical services related to the insured mother's pregnancy and the birth of her child.
- » There is no waiting period due to pregnancy and childbirth.
- » Prenatal care is covered up to the agreed limit of medical expenses, subject to the public health insurance maximum.

SECTION F Optional Insurance for Professional Athletes

(*Indemnity Insurance*)

- » The insurance covers *illnesses* and injuries that occur in connection with the practice of *professional sports*.
- » Covered care is up to the agreed limit of medical expenses, within the maximum of public health insurance.

5. General provision

The travel health insurance for foreigners (*insurance*) is governed by Act no. 89/2012 Sb., Civil Code, the insurance conditions, the *insurance contract* and other laws and regulations applicable to *insurance*.

The *insurance contract* may deviate from the insurance conditions.

5.1 SCOPE OF INSURANCE AND INDEMNITY

- a) The scope of *insurance*, the agreed type of cover, the *insured amounts*, and *indemnity limits* are specified in the *insurance contract*.
- b) The indemnity will be decreased by a *deductible*, if it is agreed.
- c) We will provide indemnity only if it is not in conflict with any trade or financial sanctions or embargos announced by the European Union, UN, Great Britain, USA or Canada or in conflict with the laws and regulations of the Czech Republic or the European Union.
- d) If any claims arise for *you* or *the insured* against the health insurance company in connection with the *insured event*, such claims pass to us *in the extent of indemnity provided*.
- e) We will indemnify any rescue costs specified in the Civil Code exceeding the *indemnity limit*, however only up to 2 % of the *indemnity limit* agreed in the insurance contract per one *insured event*. For rescue costs *expended on saving the life or health of individuals*, we will pay the maximum of 30 % of the *indemnity limit* agreed in the *insurance contract* per one *insured event*.
- f) The insurance conditions and other documents are written in Czech. Should there be any discrepancies resulting from any translation to a foreign language, the Czech language version prevails.

5.2 OUR OBLIGATIONS

- a) To commence investigation to determine the extent of *our* obligation to provide indemnity immediately after *you* report an *insured event*.
- b) To provide indemnity in the case of an *insured event* in the extent agreed in the *insurance contract*.
- c) To complete the investigation within 3 months after the *insured event* is reported, the time limit may be extended by agreement. Should we be unable to complete the investigation within the time limit determined, we are obliged to inform *you* about the reason.
- d) Pay out the indemnity within 15 days after the investigation is completed. We will inform *you* about the result thereof.

5.3 YOUR OBLIGATIONS

Beside any obligations arising from applicable laws and regulations, you are obliged to:

- a) adopt all measures that may be reasonably required in order to prevent or alleviate any loss, based on which you are entitled to claim indemnity under this *insurance policy*;
- b) contact the *assistance service* immediately or as soon as *your* state of health permits - in particular in the case of any complicated outpatient medical treatment, and if *hospitalization*, transfer, relocation or transport is required, or the repatriation of remains, in the case of a third-party liability or any other emergency, and to obtain a consent from the *assistance service*;
- c) comply with the instructions and observe the treatment prescribed by the *physician*, in the case of *hospitalization*, refrain from leaving the hospital without a consent of the attending *physicians* or otherwise interfering with the treatment, and provide *us* with cooperation in checking the progress of the treatment;
- d) provide *us* with true and complete answers to all questions regarding the claim filed;
- e) observe the relevant safety measures during any sports activities, including using functional protective equipment;
- f) provide consent to requesting medical records in the case of a *loss event*, *the cause of death* or autopsy report.

5.4 CONSEQUENCES OF BREACH

We are entitled to reduce indemnity proportionately or to refuse to provide indemnity if:

- a) you breach your obligations in making the *insurance contract* and a lower premium has been agreed;
- b) you fail to contact the *assistance service* in spite of being obliged to do so hereunder;
- c) you carry out sports activities without the necessary licence or functional protective equipment if they are required for such activities;
- d) you breach your obligations and it has a substantial influence on the occurrence or the course of the *insured event*, which results in an increase of the extent of the consequences thereof or establishing or determining the amount of indemnity, we are entitled to decrease the indemnity proportionately to the impact of the breach on the extent of our obligation to provide indemnity;
- e) *You, the insured or a beneficiary* consciously state any false information or withhold any relevant information when submitting the claim.

5.5 TERMINATION OF INSURANCE

The *insurance* terminates:

- » by the expiry of the *duration of cover*;
- » by filing a notice of termination of the *insurance contract* with a notice period of 8 days within 2 months after the execution of the *insurance contract*;
- » by an agreement regarding the termination of the *insurance*;
- » by the *policyholder's* withdrawal from the *insurance contract* due to a breach of the *insurer's* obligation to point out any discrepancies between the *insurance policy* offered and the *policyholder's* requirements or a breach of the *insurer's* obligation to give true and complete answers to any written queries of the *policyholder* during the process of effecting the *insurance*;
- » by termination of the *insurance contract* with a notice period of one month, effective within three months from the date of delivery of the notice of the occurrence of the *insured event*.
- » by the expiry of the insurable interest, or the expiry of the insurance peril;
- » on the day of the death of *the insured* or the day of the refusal to provide indemnity;
- » based on other facts specified by law.

If the policy is canceled before the commencement or during the policy period, the policyholder is entitled to a refund of the unused premium.

The insurer is entitled to a decrease by the costs incurred in connection with effecting and managing the insurance, which usually amount to 20 % of the amount of the premium received.

If the insurance is canceled as a result of an *insured event*, the *insurer* is entitled to the full single premium.

5.6 PERSONAL DATA PROTECTION

- a) In the course of administration of the *insurance contract*, personal data are processed. More detailed information on the manner, purpose and period of personal data processing, including any rights that may be exercised in respect of personal data processing, is available on our website under the following link: <https://www.colonnade.cz/ochrana-osobnich-udaju/>.

6. Definitions of terms

Words in italics in the policy or policy conditions have the following meaning:

Accident

A sudden, unexpected and unforeseen event caused by external forces or one's own physical force, independently on your will which occurs during the term of the relevant insurance policy;

Assistance service

A company authorised to act on our behalf in case of a loss event which provides assistance in emergency situations during the trip.

Beneficiary

A person, who is entitled to receive the indemnity or benefit if an insured event occurs;

Comprehensive health care for foreigners

Health care, including preventive and dispensary care, provided to the insured, or to a newborn of the insured, in the insurer's contractual health care facility without direct payment of the cost of treatment by the insured in order to maintain his/her state of health existing prior to effecting the insurance contract. It is negotiated to the maximum extent of the public health insurance, however certain limitations, limits and exclusions are agreed.

Deductible

An amount specified in the insurance contract as a percentage of the indemnity or a fixed amount to be deducted from the indemnity for each insured event.

Duration of cover

A period, for which the insurance is effected, specified in the insurance contract.

Essential and urgent health care for foreigners

Necessary and urgent medical care provided to the insured, or to a newborn of the insured, in the event of an accident or a sudden illness, where a delay may lead to a serious deterioration of health, damage to health or threat to life.

Foreigner

A foreigner is an individual who is not a citizen of the Czech Republic.

Health care facility

A facility which has received a license from a local authority to provide health care services.

Hospitalization

Admission to an inpatient ward of a hospital or another health care facility, which provides inpatient care as an admitted patient, for at least 24 hours;

Indemnity limit

The maximum amount of indemnity specified in the insurance contract or in the insurance conditions.

Illness

A sudden deterioration of your physical health (state of health) which occurs after the commencement of the insurance and which is not a result of a condition or a disorder, in connection with which you have been advised to get a treatment within 6 months before the commencement of the insurance, which requires medical treatment (or veterinary treatment in the case of pets) or hospitalization, and which prevents you or the insured to leave or continue with your trip;

Insurance contract

A contract made between us and you for the coverage hereunder.
