

Jimmy Neron, born in 1974, married with 3 children

Graduate from Business School in Montpellier with a Master Degree in International Business.

I started my career in Nigeria in Bolloré Group as Commercial Manager in International Logistics and Transport and later took the position of General Manager of Lagos and Northern cities operations. I then joined the Subsea 7 Group, Leader in Pipelaying and Offshore Construction activities, and assumed the position of General Manager for Business development in Nigeria.

Joining Vinci Energies in 2008, I took the Business Development role for the Oil & Gas Division in all West Africa before taking the position of Commercial Director for Oil & Gas activities based in Paris.

Since summer 2017 I am Director of VINCI Energies Emirates based in Abu Dhabi, in charge of our Business Units delivering services to the Oil & Gas industry and developing other area of expertise of VINCI Energies Group in the UAE.
