COMMERCIAL TIME – CHILDREN'S PROGRAMMING
VIACOM MEDIA NETWORKS CERTIFICATION: 3rd Quarter 2017

The following certification is provided regarding compliance during the period of July 1, 2017 to September 30, 2017 (the “Current Quarter”) with the commercial time limitations set forth in the FCC’s April 12, 1991 Report and Order Implementing the Children’s Television Act of 1990 (the “Act”) and the rules adopted therein.

NICKELODEON aired children’s programming during the Current Quarter to the extent indicated by the attached program schedules. The children’s programming NICKELODEON aired during the Current Quarter contained commercial matter in an amount that was not more than 12 minutes per hour on weekdays and 10.5 minutes per hour on weekends. NICKELODEON accordingly certifies that it is in compliance for the Current Quarter with the limitations set forth in the Act and FCC rules. However, on August 7, 2017, NICKELODEON aired multiple promotions that displayed an internet address that directed viewers to webpages which inadvertently included advertisements for a temporary period. The display of such internet addresses may have caused the aforementioned on-air promotions to qualify as commercial matter, thereby causing the commercial matter to exceed the time limitations set forth in the Act and FCC rules by approximately 117 seconds in the aggregate on August 7, 2017. As soon as such issue was discovered, it was remedied by removing such advertisements from the applicable webpages, and NICKELODEON promptly reviewed its process to ensure that the error would not reoccur. Additionally, on September 27, 2017, during an approximately 23-minute episode of a program entitled Paw Patrol (the “Program”), NICKELODEON inadvertently aired a commercial that contained images of a product related to the Program, which may have caused such episode to qualify as a “program-length commercial”, thereby causing the commercial matter to exceed the time limitations set forth in the Act and the FCC rules. As soon as the issue was discovered, it was remedied and NICKELODEON promptly reviewed its policies and practices to ensure that the error would not reoccur.

NICK JR., TEENNICK, NICKTOONS and NICK AT NITE aired children’s programming during the Current Quarter as indicated by the attached program schedules for those services, but to the extent these services carried commercials, the amount of commercial matter was within the time limitations set forth in the Act. However, on September 29, 2017, during an approximately 23-minute episode of the Program, NICK JR. inadvertently aired a commercial that contained images of a product related to the Program, which may have caused such episode to qualify as a “program-length commercial”, thereby causing the commercial matter to exceed the time limitations set forth in the Act and the FCC rules. As soon as the issue was discovered, it was remedied and NICK JR.
promptly reviewed its policies and practices to ensure that the error would not reoccur.

Program services MTV, MTVU, MTV2, MTV LIVE, MTV CLASSIC, VH1, LOGO, CMT, CMT MUSIC, COMEDY CENTRAL, TR3S, SPIKE TV, TV LAND, BET SOUL, BET JAMS, BET, BET HIP HOP, BET GOSPEL, CENTRIC (renamed BET HER as of September 25, 2017) and NICK MUSIC did not air any children’s programming subject to the requirements of the Act during the Current Quarter.

Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending June 30, 2016:

1) provided closed captioning services on its QVC Service and QVC Plus delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and

2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC’s programming during such quarters constituted “children’s programming” as defined by Section 76.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none was subject to the commercialization limits imposed on children’s programming (see 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality “Best Practices” for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be “widely available” in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at http://www.adm.qvc.com/forms.html.

* As specified in Children's Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [3 hours of] digital [children’s] core programming, beyond the 3 hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPD")"). Accordingly, the combined JUCE and SOAC program service has a Saturday core block of children’s programming of twelve (12) hours (7 a.m. to 7 p.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service, and three (3) additional hours of that programming block also provide compliance for TBN Salsa. Similarly, the TBN service has a Saturday core block of children’s programming of four (4) hours (7 a.m. to 11 a.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the Hillsong Channel service (formerly known as The Church Channel service).

Re: Certificates of Compliance for the Children’s Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission’s rules ("FCC Rules") implementing the Children’s Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children’s television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks’ certificates of compliance for 3rd Quarter 2017. Please note that the Act’s advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children’s programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system’s public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]
2. From the homepage for TurnerResources.com, you will find the Children’s Television Programming certificates of compliance by clicking on a "link" called "FCC Compliance."

If you have any questions, please contact me at (404) 575-9724 or e-mail barbara.debuys@turner.com. Thank you for your continued carriage of the Turner networks.

Kindest Regards,
