GAME DAY AT A GLANCE

- Saturday afternoon will mark the 40th meeting between Notre Dame and Stanford. The series stands at a 25-14-0 Notre Dame advantage all-time.
- The Irish are 3-1 against the Cardinal under Freeman.
- The two teams last faced off at Notre Dame Stadium on October 12, 2024, when the Irish defeated the Cardinal 49-7.
- The Irish are 21-4 against current ACC opponents under Dick Corbett Head Coach Marcus Freeman. Freeman has five wins against ACC opponents in every season he has coached at Notre Dame.
- The two teams play for the Legends Trophy, which is a combination of Irish crystal and California redwood.
- The Notre Dame Club of the San Francisco area first presented the trophy in 1989.

IRISH WEAR GREEN

- Notre Dame is 7-1 in Irish Wear Green contests since 2018 and is 3-1 when wearing green jerseys in Irish Wear Green games.
- The Irish are 8-1 when wearing green jerseys since 2010.
- Most recently, Notre Dame was victorious over Boise State by a 28-7 score in a 2025 early-season matchup as the Irish donned green jerseys and green pants in the annual Irish Wear Green contest.
- This year's jerseys will feature the recently introduced football leprechaun logo on the shoulders. It is the first time a sport specific leprechaun will be showcased on the Notre Dame Football uniform. The last time a leprechaun logo appeared on the shoulders of a football uniform was on the Irish green 2015 Shamrock Series jerseys that were worn in Fenway Park against Boston College.
- The football leprechaun was the first in a series of sports-specific leprechauns unveiled by the University of Notre Dame Athletics Department in August of 2025. The mark was designed in-house by Fighting Irish Media, with input from the many around Notre Dame's athletic programs and inspired by photos, fundamentals and running styles from former and current student-athletes.

- Contact Sarah Miesle (smiesle@nd.edu) if you need to be added to the distribution list.

STUDENT-ATHLETE INTERVIEWS

- Media members are not permitted to directly contact student-athletes, coaches or support staff to arrange interviews.

MEDIA GUIDELINES

- A document with media guidelines for Notre Dame home football games is emailed to each accredited member of the media before each game. Credentialed media are responsible for reading the guidelines and adhering to the policies.
- To request a copy of Notre Dame football's full media guidelines, email Sarah Miesle at smiesle@nd.edu, or visit fightingirish.com/pressbox.

AVAILABILITY UPDATES

- Notre Dame Football will provide an availability reporting structure in an effort to streamline communication surrounding student-athlete availability.
- In each week's Monday game notes, the program will share a list of all student-athletes who have availability affected for the week. They will be classified as out for the season, out for that week's game, or questionable for that week's game, as well as the general ailment. That listing will be included with the depth chart.
- An updated availability report will be released on Thursday prior to Coach Freeman's late week Zoom call.
- Before each game, Notre Dame will continue to release an availability update roughly 60 minutes prior to kickoff that will confirm or update the availability of any student-athlete listed on that week's depth chart.
- As the information will be readily available, Notre Dame coaches and student-athletes will not comment on or provide additional information on availability in press conferences or interviews throughout the week.

MILESTONE WINS OF THE FREEMAN ERA

FIRST VICTORY - SEPTEMBER 17, 2022 vs CALIFORNIA - W, 24-17

The Irish defense recorded six sacks in the win, four of which came in the final quarter, as Notre Dame prevailed 24-17 over visiting California for the first win of Dick Corbett Head Football Coach Marcus Freeman's tenure at the helm of the program. Audric Estimé ran for 76 yards and a touchdown on 18 carries, and Drew Pyne went 17-for-23 for 150 yards and two scores.

10TH VICTORY - AUGUST 26, 2023 vs NAVY (IN DUBLIN) - W, 42-3

Notre Dame rattled off 42 consecutive points on the way to a 42-3 rout of Navy in the 2023 Aer Lingus College Football Classic at Aviva Stadium in Dublin, Ireland. Sam Hartman completed 19-of-23 passes for 251 yards and four touchdowns. The Irish defense held the Midshipmen to just 169 total yards with only 43 of those coming through the air as Jack Kiser paced the defense with eight total tackles.

20TH VICTORY - AUGUST 31, 2024 at NO. 20 TEXAS A&M - W, 23-13

Notre Dame put the final 10 points on the scoreboard with a 21-yard rushing touchdown by Jeremiyah Love and a 46-yard field goal by Mitch Jeter to claim a 23-13 victory over the Aggies in the season opener of 2024. Jack Kiser (eight tackles) and Jordan Botelho (six) led the stifling Irish defensive effort that also included interceptions from Xavier Watts and Adon Shuler as Notre Dame limited Texas A&M to just 100 yards passing.

30TH VICTORY - NOVEMBER 30, 2024 at SOUTHERN CAL - W, 49-35

The Irish outlasted Southern Cal 49-35 at the Los Angeles Memorial Coliseum to win their tenth-consecutive game of the season and ultimately secure a spot in the new 12-team College Football Playoff. Christian Gray returned an interception 99 yards for a touchdown, and Xavier Watts added a 100-yard interception return on the next drive by the Trojans to put the game away.

40TH VICTORY - NOVEMBER 8, 2025 vs NAVY - W, 49-10

Notre Dame was efficient on offense and suffocating on defense to earn a 49-10 victory over Navy in a cold, rainy and eventual snowy sold-out Notre Dame Stadium. CJ Carr completed 13 out of 16 passes for 218 yards and three touchdowns, and Jeremiyah Love rushed for 94 yards with two touchdowns to pace the offense. The defense held Navy to 228 yards - 206 rushing and 22 passing - as the Irish were led by Jaiden Ausberry's eight tackles.

2026 GAME RECAPS

North Carolina

- Notre Dame dominated yet another second half to claim its fifth win of the season and second consecutive road game with a 37-26 victory over North Carolina (2-2) in a rain-soaked Kenan Stadium in Chapel Hill, North Carolina.
- The contest was briefly in doubt early in the third quarter when North Carolina returned the second half opening kickoff for a touchdown to make the score 21-20. From there, however, Notre Dame seized control with two dominating drives that ate up 13 minutes of the clock in just the third quarter alone.
- **CJ Carr** was extremely efficient through the air, completing 21 of 29 passes for 234 yards and four touchdowns. Carr was responsible for five total touchdowns adding in a clutch rushing touchdown in the win.
- **Jonaz Walton** lugged the ball 12 times for 61 yards in the third quarter when Notre Dame took control of the game. The freshman running back finished the game with career-highs in carries (23) and rushing yards (120).

Young finished the game with four tackles and two sacks, the second of which forced a fumble that was returned for a touchdown by **Drayk Bowen**.
- **CJ Carr** threw three touchdown passes and rushed for another in the victory while **Aneyas Williams** added 80 rushing yards and a score.

Michigan State

- Notre Dame powered past Michigan State, 27-10. Holding a 17-10 lead at halftime, the Irish, in similar fashion to their season-opening victory over Wisconsin in Lambeau Field three weeks ago, rode a physical and dominating second half en route to a comfortable win.
- Notre Dame outscored Michigan State 10-0 in the second half and held the Spartans to 40 total yards and zero rushing yards in the game's final 30 minutes.
- **Micah Gilbert** enjoyed a break-out career-best day for Notre Dame, catching eight passes for 170 yards including a 61-yard explosive on the game's first play. **Nolan James Jr.** rushed for a career-high 121 yards on 25 carries.

- **CJ Carr** played the first half and one series in the second, completing 16-of-20 passes for 253 yards and four touchdowns. Two of those tosses ended up in the hands of **Jordan Faison,** who finished with four total catches and 54 yards.

- Traore recovered a fumble against Rice and returned it for a touchdown 14 seconds into the game. It was the eighth-quickest Irish touchdown scored in program history and the fastest since S Brandon Joseph's interception return seven seconds into a 41-24 win over Syracuse on October 29, 2022.

He also had three solo tackles.
- Young set the tone of the game right away. On the first play from scrimmage, he sacked Purdue's quarterback Ryan Browne for a loss of nine yards, leading to a three and out on the Boilermakers' first possession. The Irish defense totaled six sacks on the day to go along with four quarterback hurries, 10 tackles for loss and two forced fumbles.
- His strip sack, which happened in the second quarter to put Notre Dame up 28-0, was the first turnover forced by Young in his career. It was scooped up by linebacker Drayk Bowen who went untouched 15 yards for a touchdown. It marked the third defensive touchdown of the year already for the Irish defense, which is tied for the most among power four teams. It was also the 32nd non-offensive touchdown by Notre Dame since 2021, which leads the FBS.
- **Francis Brewu** recorded Notre Dame's only sack at North Carolina, a seven-yard loss, and finished with three tackles. Brewu has started four consecutive games and has 13 tackles, three tackles for loss and two sacks this season.

- Moore was a unanimous All-American as a sophomore in 2025, a Jim Thorpe Award finalist and a Bronko Nagurski Trophy finalist. The case for him is coverage, not counting: quarterbacks spent the fall avoiding his side of the field, and when they tested him he made them pay. He led Notre Dame with five interceptions — tied for seventh-most in the country — added seven pass breakups and forced a fumble across 10 games.
- The signature moment came against Syracuse on Nov. 22, 2025. With No. 9 Notre Dame already up 20-0 in the first quarter, Moore stepped in front of a Joseph Filardi pass at the Syracuse 46 and took it back 46 yards for a touchdown, his first career score, to make it 21-0 in a 70-7 rout. Three weeks earlier the multi-interception form had shown up against Boise State: two picks and a forced fumble in a 28-7 win, a performance that earned him Walter Camp FBS Defensive Player of the Week and Jim Thorpe Award defensive back of the week honors, and made him the first Notre Dame player since 2023 to record a multi-interception game. He closed the regular season with another interception and three pass breakups at Stanford, his fifth pick setting up a Notre Dame touchdown the next drive.
- **Christian Gray** has seven tackles and a pass breakup through five games in 2026. Gray has six interceptions and 23 pass breakups in his career and made his 29th career start at North Carolina.
- **Luke Talich** recorded his sixth career interception and blocked a PAT at North Carolina, adding three tackles and a tackle for loss. Talich has 14 tackles, 3.5 tackles for loss, a sack and a team-high two interceptions through four appearances this season.

- Talich is the fifth NDFB player to have a reception, interception return and punt return for a touchdown in a career.
- **Mark Zackery IV** has recorded four tackles through four appearances in 2026.
- **Ethan Long** has appeared in all five games in 2026 and recorded five tackles
- **Joey O'Brien** added a tackle at North Carolina and has nine tackles and a half-sack through five games in his freshman season. O'Brien made his first career start at Purdue, recording a career-high five tackles and a half-sack.
- **Jayden Sanders** recorded three solo tackles at North Carolina, bringing his season total to five. Sanders also has three pass breakups through five appearances in his first season with the Irish.

DEFENSE IN THE FREEMAN ERA

- Since Marcus Freeman arrived in South Bend, first as defensive coordinator in 2021, then as head coach beginning in 2022. Notre Dame has built one of the most complete defenses in college football, and the national numbers now place the Irish in rare company.
- Over the last three seasons, only one program in the country owns a better composite defensive ranking than Notre Dame, and it is Ohio State. Measured across the three major categories — pass efficiency defense, scoring defense and total defense — the Irish rank second in the FBS from 2023 through 2025, and the margin behind the Buckeyes and ahead of everyone else is not close. Notre Dame and Ohio State are the only two programs within five composite points of one another; the third-place team sits a full class below.
- Freeman inherited a unit ranked 23rd in pass efficiency defense, 15th in scoring defense and 43rd in total defense as a first-year coordinator in 2021. His first defense as head coach settled into the middle of the national pack in 2022. Then, in 2023, the Irish did not simply improve — they surged to the nation's top-ranked pass efficiency defense, finished seventh in scoring and fifth in total defense, and have sustained elite status every year since.

JACK AND KATHY SHIELDS FAMILY HALL

The University of Notre Dame football team has officially moved into its new operational home on campus. The new Jack and Kathy Shields Family Hall opened its doors on Friday, July 31, 2026, as the Fighting Irish football team returns to campus this weekend to begin preparations for the 2026 football season.

The new facility, coupled with the existing Guglielmino Athletics Complex, will accommodate the needs of the University's premier athletics programs. The new space will foster team building and personal growth, improve physical conditioning and technical ability, and enable the College of Science and Notre Dame Research to partner with Athletics in the study of human performance, sports science, medicine and nutrition.

On July 6, 2026, the first step in the unveiling of the facility began when the Patrick Kramer Dining Room, which provides service to all of Notre Dame's student-athletes, opened its doors to serve its first meals. The Notre Dame football team then experienced its new home on July 24, before breaking from their offseason schedule and returning this weekend to a fully functional facility.

With support from a generous gift from Jack and Kathy Shields, the new Jack and Kathy Shields Family Hall elevates the football program's ability to provide student-athletes with the resources needed to be successful — all while anticipating future needs as well as new and emerging technologies.

The building covers over 150,000 square feet and is located along Courtney Lane on the east side of campus, across from the Irish Athletics Center, which houses the team's indoor practice facility, and the LaBar Practice Complex, the location of the program's outdoor practice surfaces.

The facility includes an advanced training room; a stand-alone sports medicine facility; an equipment facility with body scanning and fabrication technology; a new and expanded locker room; meeting rooms, including a two-level, all-team auditorium and an augmented reality walkthrough room; media innovation spaces, including recording studios and photo studios; academic support spaces; and a new player nutrition area designed to foster community between teams and model healthy eating.

Jack and Kathy Shields are the parents of four children: John, William, Madeline and Fallon, a 2006 Notre Dame graduate. Jack earned his bachelor's degree from Notre Dame in 1983 and his law degree from Catholic University in 1986. He played middle linebacker for the Notre Dame football team, appearing in the 1981 Sugar Bowl. Kathy earned her bachelor's degree from Smith College.

Jack was the CEO of Shields Health Solutions, a specialty pharmacy accelerator, until 2021, when the company was acquired by Walgreens. Before that, he was president of Shields MRI, the largest outpatient imaging provider in New England. As an entrepreneur, he has formed four companies— in dialysis, oncology, radiology and pharmacy — over 30 years in the healthcare industry. He currently serves as the founder and chair of Shields Health Innovations.

In addition to serving on the For Good cabinet, Jack is on the Advisory Council for the Student-Athlete. He and Kathy are Friends of Ted & Ned and belong to the Badin Guild. They also have a family foundation that supports nonprofits in Massachusetts and Florida, including the Brockton Boys and Girls Clubs and BC High.

In 2019, the Shields provided initial funding for Project LAND (Life After Notre Dame), which, in addition to the University's own 4 For Forever program, provides student-athletes across campus with the tools and resources necessary to succeed at Notre Dame and beyond.

THE EILERS FAMILY SPORTS PERFORMANCE CENTER

Pat '89 and Jana Eilers of Winnetka, Illinois, have made a gift to the University of Notre Dame to endow the Eilers Family Sports Performance Center inside Jack and Kathy Shields Family Hall, the new operational home of the Fighting Irish football program. Pat was a two-year starter for the Notre Dame football program and a member of the 1988 national championship team.

The Eilers Family Sports Performance Center encompasses all of the sports performance areas of support including Sports Medicine, Strength & Conditioning, Sport Psychology, and Sports Nutrition. That support is brought to life by a cutting edge weight room, athletic training and rehab space, physician exam rooms, fuel station and recovery suite.

"Pat and Jana's support has helped shape not only our facilities, but also our ability to continually evolve how we serve our student-athletes," said Pat and Jana Eilers Sr. Associate Athletics Director for Sports Performance John Wagle. "The Eilers Family Sports Performance Center provides a purpose-built environment where our integrated team can collaborate, innovate, and deliver the highest standard of care and performance support. We are incredibly grateful for the Eilers family's partnership and for their continued belief in our vision for Notre Dame Athletics."

The Eilers' dedication and passion for Notre Dame is steadfast. Pat and Jana are members of the Badin Guild, the President's Circle, the Rockne Athletics Fund, the Wall Street Leadership Committee, and the Student-Athlete Advisory Council. Additionally, Pat is a member of the Monogram Club, having lettered in both football and baseball, and Jana serves on the Hesburgh Women of Impact Leadership Committee.

The endowment of the Eilers Family Sports Performance Center is one of several major commitments the family has made in support of Notre Dame Athletics. Much of their giving has centered on endowing key coaching and staff positions, including the football program's defensive backs coach, the Joe Moore Offensive Line Coach position, and the athletic department's director of sports performance. The family has also supported major facility projects, contributing to the construction of the Irish Athletics Center in addition to the Sports Performance Center. Beyond athletics, the family's philanthropy has also extended to academics, most notably through the establishment of the Pat and Jana Eilers Family Endowed Engineering Fellowship in the Energy Center.

Pat earned degrees in biology (1989) and mechanical engineering (1990) from Notre Dame and an MBA from Northwestern University (1999). Jana graduated from University of St. Thomas (1989) with a degree in marketing. Pat is the Founder and Managing Partner of Transition Equity Partners LLC. Jana is passionate about cooking, an avid photographer, and she is dedicated to serving her family and community through volunteerism and philanthropy. The couple's four children – Elizabeth '15, Katherine '17 (women's lacrosse), Clare '20 and Patrick '25 (men's lacrosse) – are all Notre Dame graduates.

"Notre Dame has shaped our family in countless ways, making this gift especially meaningful to us," Pat Eilers said. "We are humbled to know the Eilers Family Sports Performance Center will help generations of student-athletes achieve their full potential physically, mentally, and spiritually. We believe the Center will also bring to life the University's Strategic Framework focused on health and well-being, which pursues breakthroughs in medical research, mental health, and wellness."

SHERIN FAMILY LOCKER ROOM

Keith '81 and Janet Sherin of Naples, Florida, have made a gift to the University of Notre Dame to endow the team locker room inside Jack and Kathy Shields Family Hall, the new operational home of the Fighting Irish football program.

The cutting-edge Sherin Family Locker Room contains 114 player lockers as well as 12 alumni lockers for those in the NFL who come back to work out regularly in the offseason.

Keith earned a Monogram as a senior manager for the Notre Dame football team before graduating from the College of Science in 1981. He went on to receive an MBA from Columbia University in 1991. Keith had a 35-year career at General Electric where he was the Chief Financial Officer for 15 years and he retired as Chairman and CEO of GE Capital. Janet has 13 siblings and she runs a floral business in Cape Cod with her sisters called 7 Sisters Florals.

The Sherins are longtime supporters of Notre Dame Athletics and the University. Among their many involvements, they are members of the Student-Athlete Advisory Council, Badin Guild and Friends of Ted & Ned through the Rockne Athletics Fund's Jesse Harper Council. Janet is also a member of Hesburgh Women of Impact. The couple has three children: Maggie, Zach and Jake.

"Janet and I feel very fortunate to be associated with Shields Family Hall and we are proud to support Notre Dame athletics and our tremendous student athletes."

Jack and Kathy Shields Family Hall officially opened on July 31. The state-of-the-art facility, coupled with the existing Guglielmino Athletics Complex, will accommodate the needs of the University's premier athletics programs. The new space will foster team building and personal growth, improve physical conditioning and technical ability, and enable the College of Science and Notre Dame Research to partner with Athletics in the study of human performance, sports science, medicine and nutrition.

THE DAVE AND CLARE BUTLER AUDITORIUM

Dave '87 and Clare Butler of Rye, New York, have made a gift to the University of Notre Dame to name the Football Auditorium inside Jack and Kathy Shields Family Hall, the new operational home of the Fighting Irish football program. Dave played linebacker for the Fighting Irish from 1983-86.

The Dave and Clare Butler Auditorium contains 190 comfortable seats that replicate the premium seating in the lower level of Notre Dame Stadium. This space serves as the primary meeting space for Notre Dame Football. The auditorium is equipped with full video replay capabilities and features cinema-quality video and audio equipment.

Dave is a Senior Partner at The Jordan Company, LP, and Clare is an Interior Decorator at Clare Rooney Butler Interiors. They are the parents of four children: Emma '23, Caroline '21, Margot and William '27.

The Butlers are deeply committed to Notre Dame and its mission to be a force for good in the world. Dave and Clare are founding members of the Friends of Ted & Ned through the Rockne Athletics Fund's Jesse Harper Council and the Cavanaugh Council, and are also members of the Badin Guild. Dave serves on the Student-Athlete Advisory Council, Wall Street Leadership Committee and the For Good Campaign Cabinet. Clare is a member of Hesburgh Women of Impact.

"The Butler Family is proud to be part of the Shields Hall team and appreciates the opportunity to invest in the future of Notre Dame alongside past and future generations of Notre Dame teammates," Butler said.

The gift to name the Dave and Clare Butler Football Auditorium is the latest example of the family's long history of supporting the University and its athletics department. The couple has also established the Butler Family Linebacker Grant-in-Aid and the Butler Family Endowment for Excellence for the Harper Cancer Research Institute.
