EQUITY IN ATHLETICS DISCLOSURE ACT (EADA) Report

Report on Athletic Program Participation Rates and Financial Support Data

The Equity in Athletics Disclosure Act (EADA) requires coeducational institutions of higher education that participate in Title IV federal student aid programs and sponsor intercollegiate athletics programs to disclose information regarding athletic participation, staffing, revenues, expenses, and other financial support associated with their intercollegiate athletics programs.

The University publishes this annual EADA Report in accordance with federal reporting requirements. The report must be published by October 15 each year. The University of Notre Dame makes this report publicly available on its athletics website, FightingIrish.com

TABLE 1 - ATHLETICS PARTICIPATION

This table lists the number of participants by gender for each varsity team. For EADA reporting purposes, a participant is a student who, as of the date of the team's first scheduled contest:

a. is listed by the institution on the varsity team's roster; or
b. receives athletically related student aid; or
c. practices with the varsity team and receives coaching from one or more varsity coaches.

A student meeting one or more of these criteria is counted as a participant, including a student designated as junior varsity, freshman, or novice, or a student withheld from competition to preserve eligibility (redshirt) or for academic, medical, or other reasons. Participants who compete on more than one varsity team are counted as a participant on each team. The unduplicated count represents each individual participant only once, regardless of the number of varsity teams on which the individual
