VIII SAFETY PRECAUTIONS

Before utilizing the product, the user should determine the suitability of the product for its intended use. Cablescon expressly disclaim the implied warranties and conditions of merchantability and fitness for a particular purpose. In no case shall Cablescon be liable under any legal theory, including but not limited to contract or strict liability, for any direct, special, incidental or consequential damages resulting from product use.

For UK customers: If your product does not work properly because of a defect in materials or workmanship, CablesSon (referred to as "the warrantor") will, for the length of the period indicated as below, (One Year) which starts with the date of original purchase ("Limited Warranty period"), at its option either (a) repair your product with new or refurbished parts, or (b) replace it with a new or a refurbished product. The decision to repair or replace will be made by the warrantor.

For customers within the EU but outside the UK, the length of the warranty period would be taken as Two Years, starting from the date of original purchase.

This Limited Warranty is extended only to the original purchaser and only covers product purchased as new. A purchase receipt or other proof of original purchase date is required for Limited Warranty service.

This Limited Warranty only covers failures due to defects in materials or workmanship, and does not cover normal wear and tear or cosmetic damage. The Limited Warranty also does not cover damages or failures which are caused by products not supplied by the warrantor, or failures which result from accidents, misuse, abuse, neglect, mishandling, misapplication, alteration, faulty installation, set-up adjustments, maladjustment of consumer controls, improper maintenance, power line surge, lightning damage, modification, or service by anyone other than a Factory Service Centre or other Authorised Service, or damage that is attributable to acts of God. No responsibility can be accepted for damage caused to connected devices as a result of the use of the system.

There are no express warranties except as listed under "limited warranty coverage". The warrantor is not liable for incidental or consequential damages resulting from the use of this product, or arising out of any breach of this warranty. (As examples, this excludes damages for lost time, cost of having someone remove or re-install an installed unit if applicable, travel to and from the service location, loss of or damage to media or images, data or other recorded content. The items listed are not exclusive, but are for illustration only.
