Dear Review Panel,

**Animals Australia's Submission regarding the Exporter Supply Chain  
Assurance Systems Review – Stage 1 Discussion Paper**

Thank you for the opportunity to provide feedback regarding the *Exporter Supply Chain Assurance Systems Review – Stage 1 Discussion Paper*

Animals Australia had completed our submission using the *Have Your Say* survey system with the intention to settle and submit the submission on the due date. The website closed and our draft submission has been lost. We wrote to the Department to request retrieval of our submission and have been advised today that this is not possible.

As such, we provide this submission by way of full formal endorsement and adoption of the submission made by the Australian Alliance for Animals (**the Alliance**). Our feedback is aligned.

As the Department is aware, the Alliance represents six of Australia's leading animal protection organisations – which includes Animals Australia. The Alliance represents a combined supporter base of over 2 million people.

Please contact me if you require additional information or references.

Yours sincerely,
