**How would you like to provide your feedback?**

Answer questions

---

**How should a producer be defined for the purposes of the Biosecurity Protection Levy?**

Someone who grows produce to make money

---

**If your submission relates to a commodity that is not subject to existing agricultural levies, how would you define a producer for that commodity?**

Someone making profit from producing a commodity

---

**What should the levy rate look like for the commodities of interest to you?**

**You can refer to page 5 of the consultation paper for further details.**

It should be paid by taxpayers. It's not fair to tax producers of a certain commodity just because it's easy and they already have levies in place

---

**What information would be important to you to have confidence the levy is proportionate to biosecurity system benefits?**

Annual reports (audited)
