**How should a producer be defined for the purposes of the Biosecurity Protection Levy?**

Anyone that produces a product for domestic or international consumption

---

**Are definitions from existing levies legislation appropriate (see levies related legislation) legislation?**

Yes

---

**If your submission relates to a commodity that is not subject to existing agricultural levies, how would you define a producer for that commodity?**

Anything that has agricultural export value

---

**What should the levy rate look like for the commodities of interest to you?**

**You can refer to page 5 of the consultation paper for further details.**

I don't think we need more levy's as farmers already pay tax which the government should use towards agricultural protection
