

13/10/2023

To whom it may concern,

██ wishes to register our support for the ██████████
████████████████████ submission in regard to the proposed introduction of the Bio Security
Protection levy.

We have considered the ██████████ submission and agree with the sentiments expressed.

██████████ represents the majority of ██████████ and our members have a daily connection with the
████████████████████

This client relationship closely aligns ██████████ in that our clients are the constituents that ██████████
represents.

We understand the ██████████ situation which has led us to acknowledge the points made in
opposing the implementation of this levy in the ██████████

██████████ endorses in full the ██████████ submission.

I would be pleased to provide further information if required,

Your sincerely,
