

9 February 2026

Erratum – Draft cost recovery implementation statement – fish and egg exports 2026–27

Page 11, Table 4 showing fees and charges for fish and egg exports activities includes the text for organics certifying organisation annual fee as ‘Annual (charged quarterly)’. This should read ‘Annual’.

Page 18, Table 6, showing the cost type breakdown has been replaced with corrected figures. The direct operating expenses should show ‘\$893,192’ and the indirect corporate business services should show ‘\$224,363’. The corrected table is shown below.

Table 6 Cost type breakdown for fish and egg exports cost recovery arrangement, 2026–27
