

Never be the reason why another  
trembles in fear,  
cries in pain,  
or loses their life...

A close-up photograph of a cow's face, focusing on its eye. The cow has dark brown fur with a white patch on its forehead. A single tear is visible on its eye, and its expression appears somber. The background is blurred.

The pursuit  
of profit will  
**never justify**  
suffering  
and death.

"A lie doesn't become truth,  
wrong doesn't become right,

and evil doesn't become good,  
just because it's accepted by a  
majority."

- Booker T. Washington
