Q9. Please provide further details, based on the grounds of objection for each GI. (If submission based on existing trade mark please provide trade mark number. According to an order of the Italian Minister of Agriculture of 17 July 2009, Prosecco is no longer the name of a grape variety (now to be called Glera), but exclusively a geographical indication. This is akin to Australians naming a town or region "Cabernet" and then having a law passed that it is no longer a variety of grape and is only to be used relating to wines from our "Cabernet region".</p>
