Q9. Please provide further details, based on the grounds of objection for each GI. (If submission based on existing trade mark please provide trade mark number. The wines have been varietally labelled, marketed, taught and enjoyed under this name for decades, since long before Italy decided that it was the name of a GI rather than a grape variety. One Old World country's attempt to rewrite history threatens to obliterate a piece of grape-growing history and contemporary culture in a southern hemisphere nation with its own proud traditions.</p>
