not answered

**Q27. Would you like to upload another supporting document?**

not answered

**Q28. Other**Any other information on the impacts EU GIs may have on Australian businesses or industry.

Having worked at a winery in the King & Valley which is the Australian home of Prosecco, I can't imagine the economic impact it will have if our producers can no longer use that name. I am yet to find the geographical region of Italy that is called "Prosecco" yet anyone knows it's an Italian grape originally and the best producers of it in the country are those of Italian heritage based in Victoria's King Valley.
