Q1. Name

Q2. Email address

Q3. Mailing address

Q4. Phone

Q5. Organisation name (if applicable)

Q6. Entity type

Industry body

Q7. Please select which EU wine geographical indication (GI) your submission is against

Prosecco

Q8. Grounds of objectionA submission against one or more of the wine GIs must be based on at least one of the four grounds of objection.

The EU GI name is used in Australia as the name of a grape variety, plant variety, or an animal breed.

Q9. Please provide further details, based on the grounds of objection for each GI. (If submission based on existing trade mark please provide trade mark number. If submission based on unregistered trade mark please provide evidence of use on Australia).

Prosecco is the name of a grape variety used in the main to produce sparkling wine in countries across the world, and points to the International Organisation of Vine and Wine's (OIV) recognition of Prosecco as a grape variety in its International list of vine varieties and their synonyms.

Q10. Would you like to make a second selection of EU wine geographical indications (GI)?

Yes

Q11. Please select the second EU wine GI your submission is against

Conegliano Valdobbiadene - Prosecco / Valdobbiadene - Prosecco / Conegliano - Prosecco

Q12. Grounds of objectionA submission against one or more of the wine GIs must be based on at least one of the four grounds of objection.

The EU GI name is used in Australia as the name of a grape variety, plant variety, or an animal breed.

Q13. Please provide further details, based on the grounds of objection for each GI. (If submission based on existing trade mark please provide trade mark number. If submission based on unregistered trade mark please provide evidence of use on Australia).

Prosecco is the name of a grape variety used in the main to produce sparkling wine in countries across the world, and points to the International Organisation of Vine and Wine's (OIV) recognition of Prosecco as a grape variety in its International list of vine varieties and their synonyms. The attachment of a GI to the variety to make a compound term does not change the point of objection.
