## Introduction

As part of this consultation, we are seeking views on a total of 10 proposed standards. It may take a significant amount of time to complete if you intend to provide comments on all 10 standards. You will have the opportunity to save your progress throughout the survey and can return to the survey multiple times.

At the end of the survey, you will be given the opportunity to upload any supporting information.

After submitting your response, you will also be given the option to download a copy of your submission.

Please ensure you have read the proposed standards before responding to the survey.
