

Notice of Proposal to Declare an Area – Bass Strait region

24 October 2023

I, the Honourable Chris Bowen MP, the responsible Commonwealth Minister for the *Offshore Electricity Infrastructure Act 2021*, make the following notice under section 18 of the Act:

- (a) I propose to declare an area in the Bass Strait, Tasmania as identified by the dataset titled '*Offshore Electricity Infrastructure Act 2021 – Proposed Area – Bass Strait region*' available on the [Department of Climate Change, Energy, the Environment and Water's website](#).
- (b) I invite submissions from the public on this proposal.
- (c) Submissions are to be made via the [Have Your Say portal](#).
- (d) Submissions must be received by **Wednesday 31 January 2024** in order to be considered.

All areas declared as suitable for offshore renewable energy will be multi-user areas. Offshore renewable energy projects must share the area with other users and interests.

Further Information

For more information on the area proposed, see *Overview of the Proposed Area – Bass Strait region* and the *Marine Users, Interests and the Environment in the Bass Strait region* supporting documents available on the [Have Your Say portal](#).

A map allows users to interact with the Bass Strait region under consideration and geographic information relevant to other users and interests in the area. The map, other tools, visualisations and data relevant to offshore renewable energy in Australian waters are also available on the [Australian Marine Spatial Information System](#) portal.

Indicative map of area

An indicative map of the proposed area is shown below. This map is a guide only, and is not a definitive representation of the area proposed to be declared. The exact series of geospatial coordinates for the area is available in the dataset titled *Offshore Electricity Infrastructure Act 2021– Proposed Area – Bass Strait region* available on the Department of Climate Change, Energy, the Environment and Water's website and the Have Your Say portal.
