

# Alpine ash forest of mainland Australia (DRAFT)

Australian Government

Department of Climate Change, Energy, the Environment and Water

**For Official Use Only**  
**Not for Public Release**

**Indicative distribution mapping:** this indicative distribution is based on geospatial mapping units (such as local and regional-scale vegetation mapping) that best represent the extent of this ecological community as described in the draft Conservation Advice.

**Please note:** the distribution mapping displayed at this resolution and scale is likely to give an artificial impression of larger intact areas than actually exist.

**Indicative distribution mapping**

- Red square: 'Alpine ash forest of mainland Australia' map units

**Contextual data**

- White square: Cities
- White circle: Towns & Localities
- Grey line: State Border
