Thank you for the opportunity to comment on the Consultation RIS on Recommendations of the 2018 Review of the Model Work Health and Safety Laws, developed by Safe Work Australia.

Woodside welcomes the opportunity to participate in the consultation process and looks forward to further engagement as the review progresses.

Woodside has worked with The Chamber of Minerals and Energy Western Australia (CME) in the development of CME's comprehensive response to the Consultation RIS and this letter is to confirm our support for the CME submission.

Yours sincerely,
