Q4. This submission is written on behalf of an: Individual

Q8. Publication of submission (select one) Publish my submission online anonymously

Q9. Would you like to complete the submission online or upload a document? I would like to complete an online submission

Q10. Do you have a clear understanding of the definitions of a competent person for asbestos-related tasks? How could any misunderstandings be addressed or clarified?

Yes, However, I firmly suggest that there should be a clear definition and reference to who does the Training? There are currently many RTOs in NSW getting on the money train to provide the training. Before ASQA issues the training licence, ALL RTOs wishing to become a training provider for the safe removal of asbestos, they should be required to provide evidence of their industry experience, not just go to another RTO to get the qualifications. They should have a minimum hands-on experience in asbestos understanding and handling.

Q11. Do you see a benefit in aligning the training, qualification and experience requirements of competent persons, licensed asbestos assessors and asbestos removal supervisors for asbestos-related tasks? If so, what do you think the training, qualification and experience requirements should be? Please provide information and reasons to support your response.

Yes, provided the trainer assessor has the industry knowledge of asbestos.

Q12. Are there any other issues regarding the definition and requirements of competent persons for asbestos-related tasks that should be considered? Please provide information and reasons to support your response.

As outlined above, I see that there is a lack of understanding/requirement/definition of the RTO and the individual trainer. This could lead to a short fall within the requirements.

Q13. Is there any other additional feedback you would like to provide?

No

Q14. Please upload your submission document or any supporting information to your submission here (optional)

not answered

Q15. Terms and conditions

I have read and understand the Engage terms and conditions (<https://engage.swa.gov.au/terms>) for making this submission.
