### Privacy Collection Notice

Safe Work Australia collects, uses and discloses your personal information when you respond to our consultation on the requirements for competent persons in relation to asbestos-related tasks, in accordance with the *Privacy Act 1988* (Cth). We collect this

information to help us perform one of Safe Work Australia's core functions in evaluating and, if necessary, revising the model WHS legislative framework and other WHS materials.

If you do not wish to disclose your personal information, you can choose not to include identifying information on the cover sheet and in your submission. However, if we are not able to collect your personal information, we will not be able to contact you for any further consultation if required. If you choose not to provide details about your occupation, this may limit our understanding of the implementation potential options across different workplaces and industries.

For more detailed information about how Safe Work Australia collects, uses and discloses your personal information in relation to your consultation response, please refer to our [Privacy Collection Notice](#).

## **Confidential material**

Where a submission includes both confidential and non-confidential material, the confidential material should be provided under a separate cover sheet and clearly marked 'IN CONFIDENCE'. Material marked 'in confidence' will not be placed on the website.

## **Disclosure of submissions**

Any submission, regardless of whether it is published, must be released if requested under the *Freedom of Information Act* 1982 (Cth), unless an exemption applies. Your personal information may also be disclosed to third parties in accordance with our Privacy Policy, including where disclosure is authorised or required by law.

## **Copyright**

Copyright resides with the author(s), not with Safe Work Australia. Neither the Commonwealth of Australia nor Safe Work Australia takes responsibility for any breach of the copyright, or libellous or defamatory comments in submissions published by Safe Work Australia.

## **Consultation questions**

These consultation questions are aimed at understanding the nature and extent of any issues with the term "competent person" as it relates to asbestos-related tasks. There is no requirement to answer all the questions; and stakeholders are welcome to provide other feedback relevant to the requirements for competent persons for asbestos-related tasks. Wherever possible, please include reference to the relevant regulation number in the model WHS Regulations in your response.

**Q.1** Do you have a clear understanding of the definitions of a competent person for asbestos-related tasks? How could any misunderstandings be addressed or clarified?

Click or tap here to enter text.

**Q.2** Do you see a benefit in aligning the training, qualification and experience requirements of competent persons, licensed asbestos assessors and asbestos removal supervisors for asbestos-related tasks? If so, what do you think the training, qualification and

experience requirements should be? Please provide information and reasons to support your response.

Click or tap here to enter text.

**Q.3** Are there any other issues regarding the definition and requirements of competent persons for asbestos-related tasks that should be considered? Please provide information and reasons to support your response.

Click or tap here to enter text.
