A special thanks to the three golf courses for hosting the three championships. Running a golf tournament with close to 300 participants would not be possible without the help of the CIAC Golf Committee and the following workers:

Division I	-	Jim Casagrande, Newtown High School, Site Director Vin Marola, Bristol Eastern Bob Cecchini
Division II	-	Jim Scully, Wolcott High School, Site Director Jim Casagrande, Newtown High School Len Bruno, Watertown High School
Division III	-	Bob Fallan, Site Director Fran Aniello, Suffield High School Bob Cecchini

New England Golf Supply donated to the CIAC \$3,000 to fund the three tournaments.

Once again, we were blessed with good weather; light rain the first day and a beautiful day the 2nd.

Golf is growing and hopefully we will expand to 18 teams per division for 1995 with an increase in entry fees to offset costs in obtaining golf courses. No one wants to talk free courses anymore.

We will look at Division II and try to expand so quality teams are not excluded and higher scores not included in that division.

We are negotiating with Heritage Village Country Club about the possibility of taking the top 5 boys from each division and play 18 holes on the same course with top 8 representing Connecticut in the New Englands. The ladies would be included in this day if we had more than 10 to qualify.

A great Committee!

Respectfully submitted,

Robert Cecchini,  
CIAC Golf Committee Chairman
