The SLO County Family-Friendly Workplaces program, located at the SLO Chamber of Commerce, is coming together with the Atascadero, Paso Robles, and Templeton Chambers' to offer a special event aimed at helping businesses increase employee recruitment, retention, overall productivity, and workplace culture.

This workshop will put you face-to-face with organizations that are successfully implementing family-friendly workplace practices including:

- Flexible and predictable scheduling
- Childcare support
- Parental leave
- Infants at work and lactation support

You'll leave the event with new ideas, resources, and processes to best assess and act on your employees' needs and interests, increase your bottom line, and enhance your reputation as a family-friendly workplace.
