# GOLD Learning Day Breastfeeding in the Early Weeks: Clinical Education Technique

**LIVE Online August 17, 2021**

CERPs (4L) / Nurse Contact Hours / Dietetic CPEUs / Midwifery CEUs Applied For | 6 Weeks Access

## Breastfeeding in the Early Weeks: Clinical Education Techniques

Enhance your clinical skills by learning about motivational interviewing, what drives individuals to change or adopt certain behaviors and how to support parents to discover answers within themselves. Discover the links between stress and lactation and how mindfulness and relaxation techniques can positively impact the let-down-reflex and milk supply. You'll also learn how to encourage responsive caregiving by teaching parents how to identify and understand their baby's cues, states of awareness and abilities.
