

**Free developmental
screenings for every
child in SLO County
aged 0-5**

**Connection to
community
resources and
services**

**Help in answering
parenting and child
development
questions**

A “developmental screening” checks your young child’s progress with moving, learning, talking, behavior, and other important abilities. This tells you what your child’s strengths are and any support they need.

North County/Bilingual: 805-440-1878
South County: 805-305-4481
