

Parenting Children on Social Media

A virtual workshop for parents to understand social media and parenting children in today's digital world.

Join us to learn more about:

- The multi-faceted dimensions of social media
- Safe use of social media and support a safe online presence with your child
- The different and popular apps available to children and teens today
- Encourage healthy tech habits for your children and you
- Answers to questions about your child's engagement with social media

Monday

05/22/2023

6 - 8 PM

Educator: Eileen Calandro
