

THE PEACEFUL PARENTING PLACE

Are you a parent of an infant, or know someone who is?
Ever wondered how to have a peaceful baby?

THE PEACEFUL PARENTING PLACE is for parents and infants to gather together within small intimate groupings of 4 (parent/infant sets). In each 8 week, 90 minute gathering, ****I will present** respectful principles of care as established by Magda Gerber...building on a strong nurturing relationship for parent and child

Each gathering is:

- ◆ A safe welcoming environment for infants to gain trust in the world and develop their abilities as they grow and mature
- ◆ A place for parents to have time to focus on their baby
- ◆ A small peaceful group of parents and infants to get in tune

Benefits for infants include:

- ◆ Freedom to move on their own in their own way
- ◆ An environment that is planned for infant discovery & exploration
- ◆ Time for uninterrupted play
- ◆ Opportunities to participate in their own caregiving activities

Benefits for parents include:

- ◆ Time for observing and watching how your infant becomes a self-initiator and explorer
- ◆ A place for sharing and dialoguing with other parents with infants in the same age range
- ◆ An opportunity to gain nurturing guidance from an ****infant and toddler professional**

****I am Haila Hafley-Kluver; Infant/Toddler Specialist.** I have trained with Magda Gerber and Polly Elam of Resources for Infant Educators, known as RIE (rye). For 28 years I taught early childhood education courses at Cuesta College; including the Infant/Toddler Caregiving course. I retired in May 2020. Now I am on a new journey to share with parents of infants ways to fully enjoy parenting by using respectful practices that lead to peaceful parenting and competent authentic young children. I look forward to meeting you and your baby. I am asking for a fee of \$100, which includes the book YOUR SELF CONFIDENT BABY, by Magda Gerber.
