

Parents Helping Parents

Serving Families of Children with Special Needs

Questions about toilet training your child with a developmental delay (of any age)?

What you will learn:

- Readiness signs
- How to prepare and start
- How to manage set backs
- How to know when you need extra support

Toilet Training

Presented by Dr Tammy Dobbs
Licensed Clinical Psychologist

Dr Dobbs focuses on a behavior-based approach with all her patients. This has proved to be an effective approach with those on the Autism Scale, as well as with patients suffering from anxiety, depression, and related disorders. She is dedicated to supporting patients and their families as they work toward happier, fuller lives. She provides ABA, Cognitive Behavioral Therapy and parent training

Dr. Tammy Dobbs
