GUIDING PRINCIPLES

The Children and Family Commission of San Luis Obispo County has committed to bring programs together to provide high quality, outcome-based, integrated services to families in San Luis Obispo County. The Commission's decision-making is guided by standards expected of itself and its Contractors. While each may find different ways to implement depending upon its specific Scope of Services, the Contractor:

Recognize throughout its endeavors the value and respect due to children as individual human beings and embrace a comprehensive view of child development that encompasses physicality, cognition, behavior, social interaction, and emotions.

Reduce the effects of adverse health risks such as secondhand smoke, other substance abuse, trauma and family violence on infants and young children.

Respect the cultural diversity among us.
