## THREE CHEERS FOR TRIPLE BERRY AÇAÍ

There's a lot to love about açai. It's fun to say (try ah-sigh-EE), the flavor is sort of a magical mashup of dark chocolate and raspberry and it's super full of antioxidants and omegas. We could honestly keep going ... So, we will! This little purple berry is a big superfruit that has long been loved by the indigenous people of Brazil. In fact, Brazil still accounts for over 85% of the world's açai production, and that includes the fruit we're serving this season. Yep, our seasonal Triple Berry Açai Bowl features fruit from certified organic wild harvest areas in the Amazon rainforest of Brazil. The fantastic folks and farmers at SAMBAZON® provide us with certified Fair Trade açai, which they ethically harvest with every effort made to support the local community and protect the ultra-unique and important biodiversity of the rainforest. That is why we are donating 25 cents to Rainforest Trust from the sale of every Triple Berry Açai Bowl. To date, the organization has protected over 42 million acres! Their efforts not only protect critical areas like the Amazon, they keep forests intact, save endangered species and keep carbon safely stored. So, if you want to share a purple-tinted smile and say three cheers for this super(fruit) bowl, we're right there with ya! Hip, Hip, Hooray!
