

Customer Participation Form

I acknowledge and understand the following:

- I understand that as part of this program, I will receive the Flume Smart Water System for the discounted price of \$100 plus tax and shipping. The retail price is \$249 plus tax and shipping. Upon installation of the Flume Smart Home Water Monitor, Flume will refund \$25 to my original payment method, for a final total price of \$75 plus tax and shipping.
- I understand that I will be billed for water consumption based only on measurements from the Acton Water District meter. Flume provides detailed information on daily water use, but its readings will not always match the total monthly reads from the Acton Water District meter, which do not coincide with the calendar months.
- This offer is non-transferable. The Flume device must be installed at the property associated with the account that received the offer.
- The Flume device must be installed within 30 days of delivery or returned to Flume. Flume can send a mailing label for this purpose and will refund my payment in this case.
- I am the account holder of the property where the Flume will be installed and understand by accepting this offer, I own the device.
- The water meter is located inside a building on the property where the Flume will be installed, not in a meter pit. I am physically able to install the Flume Water Sensor on my water meter, which may require bending over my meter and working with my home Wi-Fi system.
- My home has Wi-Fi and I have a smartphone (iOS or Android) or other mobile device.
- I am able to plug the Flume Bridge into a power outlet inside my home and am able to connect it to my home's Wi-Fi. This process is similar to the installation of other smart home technology.
- This system presents no guarantee for reductions in water use.
- I allow Flume to share water use data with the Acton Water District in part to assist in determining potential water savings of this device.
- As a part of this program, I agree to keep the Flume Smart Water System installed for a minimum of one year.
- I agree to install the Flume without tampering with the water meter in any other way.
- I agree to participate in at least one online follow-up survey conducted by the Acton Water District.
- To the fullest extent permitted by law, by signing this Participation Agreement, I, as well as my heirs, successors, and assigns shall indemnify and hold harmless the Acton Water District, and its respective officers, directors, employees and agents from and against any and all liabilities, claims, losses, obligations, damages, fines, civil penalties, judgments, costs, expenses of any kind or nature including, but not limited to, interest, court costs, and reasonable attorney fees, arising from this Participation Agreement ("Claim"), except to the extent such Claim arises from the sole negligence or willful misconduct of the City, its officers, directors, employees, or agents.
