

Privacy Policy for FootballMatchMaker

Effective Date: March 4, 2026

Last Updated: March 4, 2026

1. Introduction

FootballMatchMaker (“the App”) is operated by **FootballMatchMaker** Ltd. (“we,” “us,” or “our”).

The App is designed to help users create balanced soccer (football) teams using player performance data such as goals per game, matches played, and similar statistical measures.

We are committed to protecting the privacy of all users. This Privacy Policy explains what information we collect, how we use it, and how we safeguard it.

2. Intended Audience

The App is intended for general audiences, including both adults and children. It is designed to be appropriate for all age groups.

We do not knowingly collect unnecessary personal information from users of any age. Where children use the App, we encourage parental supervision.

3. Information We Collect

A. Information Entered by Users

Users may manually enter the following information into the App:

- Player first names or nicknames
- Player performance statistics (e.g., goals per game, matches played, ratings)
- Team data

This information is used solely within the App to generate balanced team selections.

We do not require or request sensitive personal information such as:

- Full legal names
- Home addresses
- Phone numbers
- Precise location data

Users are encouraged to use first names or nicknames only and are limited to 8 character (ie PeterD or JaneA).

B. Automatically Collected Information

The App may collect limited, anonymous technical information such as device type, app version, crash reports, and general usage statistics. This information does not identify individual users and is used only to improve performance, stability, and functionality.

4. How We Use Information

Information entered into the App is used only to:

- Calculate and balance football teams
- Compare player performance statistics
- Improve app functionality and user experience

We do not sell, rent, trade, or share user data with third parties.

5. Data Storage and Security

User-entered data is stored both locally, on the user's device, and on Google's Firebase ("Google Cloud").

We take reasonable steps to protect information from unauthorized access or misuse.

Users may delete their data at any time by:

- Uninstalling the App
-

6. Children's Privacy

The App is appropriate for users of all ages.

We do not knowingly collect personal information from children beyond what is voluntarily entered for the purpose of creating teams (such as player nicknames and performance statistics).

If you believe that personal information has been entered into the App inappropriately, please contact us so we can address the issue promptly.

7. Third-Party Services

If the App uses platform services such as Google Play Services and Apple's App Store, those services operate under their own privacy policies.

We do not use targeted advertising directed at children.

8. Data Retention

We retain user-entered data only as long as it remains stored on the device or Google Firebase and is relevant to presenting the user with balanced teams.

9. User Rights

Users may contact us to:

- Ask questions about this Privacy Policy
 - Request clarification about data practices
-

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any updates will be posted at the same public URL with a revised "Last Updated" date.
