

SPONTLR

Terms of Use

Effective Date: April 16, 2026 · Version 1.0

Spontlr Inc. · 131 Continental Drive, Suite 305, Newark, Delaware 19713, USA

The Short Version

Plain English summary. The full Terms below are the legally binding version.

- You must be 16 or older and use your real identity to join Spontlr.
- Free Access lets you browse and earn points with no time limit — no pressure.
- Paying 9.99 PLN/month makes you a Verified Member and unlocks the full community.
- Businesses can upgrade to Verified Partner (349 PLN/year) to appear in the Discover tab.
- We can suspend or remove accounts that break our rules — no fake names, no bots, no abuse.
- Your content stays yours. We just need a licence to display it on Spontlr.
- Founding Member and Founding Partner are lifetime tiers available during the Poland pilot.

1. Welcome to Spontlr

These Terms of Use are a legal agreement between you and Spontlr Inc. They explain what Spontlr is, what you can do on it, what we expect from you, and what happens if things go wrong.

Please read them. We have written them in plain English on purpose — because we think you deserve to understand what you are agreeing to.

By creating an account or using Spontlr, you agree to these Terms. If you do not agree, please do not use the app.

Company: Spontlr Inc.

Address: 131 Continental Drive, Suite 305, Newark, Delaware 19713, USA

Legal contact: legal@spontlr.com

Support: hello@spontlr.com

2. What Spontlr Is

Spontlr is a verified lifestyle community app. We connect real, ID-verified people with each other and with local businesses. You can discover what is happening near you, earn real money rewards, and be part of a genuine local community.

Spontlr is not a social media platform. We do not use algorithms to manipulate what you see. We do not sell advertising. We do not profile your behaviour. We are on your side.

Our motto is simple: Just Do Life. Spontlr exists to get you out into the real world — not to keep you scrolling. Everything we build is designed with that in mind.

3. Who Can Join

To create a Spontlr account you must:

- Be at least 16 years old
- Provide your real name and date of birth
- Complete identity verification with a valid government-issued ID
- Use a real, working email address
- Agree to these Terms and our Privacy Policy

Spontlr is currently available in Poland. We will expand to other countries over time — when we do, the same rules apply in the local language and currency.

Age verification

Your date of birth must match your government-issued ID exactly. If they do not match, your account will be rejected. If we discover at any point that a member is under 16, their account will be permanently deleted immediately.

One account per person

You may only have one Spontlr account. Creating multiple accounts — whether to avoid a ban, earn extra points, or for any other reason — is not allowed and will result in all accounts being permanently removed.

Businesses

Businesses may create an account and join as a member. A business account follows the same rules as any other member. If a business wants to become a Verified Partner and appear in the Discover tab, they need to upgrade to the Verified Partner tier (see Section 6).

4. Your Account

You are responsible for your account. This means:

- Keep your password safe and do not share it with anyone
- Do not let anyone else use your account

- If you think your account has been compromised, contact us immediately at hello@spontlr.com
- Make sure the information on your profile is accurate and up to date

Your username must be your real name or a variation of it. Fake names, celebrity names, brand names you do not own, or anything designed to mislead other members are not allowed.

Account security

We use industry-standard security to protect your account. But your password is your responsibility. Use a strong, unique password. We will never ask for your password by email or in the app.

5. Free Access — Browse, Earn, and Explore

When you download Spontlr and complete verification, you start on Free Access. There is no time limit on Free Access — you can stay as long as you like.

What you can do on Free Access

- Browse posts and discover what is happening near you
- View business and partner profiles
- Create posts — your posts are saved to your profile but are not visible in public feeds until you become a Verified Member
- Collect points by inviting friends to Spontlr
- Collect points when people you invited spend at partner businesses
- Shop at partner businesses and earn points

What requires a Verified Member subscription

- Chat with other members
- Send and receive connection requests
- Redeem your points for real money cashback
- Your posts become visible in the Near You and Community feeds
- Full interaction features

Here is something worth knowing: your points start accumulating from day one on Free Access. By the time you subscribe, you may already have real money waiting to be redeemed — and your posts will go live to the whole community the moment you do. Try it, feel it, and when you are ready — we will be here.

6. Membership Tiers and Pricing

Spontlr has five tiers. Here is a clear overview of each:

Tier	Price	What you get
Free Access	No charge	Browse, discover, earn points, invite friends. Chat, connections and redemption are not available.

Verified Member	9.99 PLN / month	Full access: chat, connections, points redemption, all interactions. For individuals and businesses starting out.
Verified Partner	349 PLN / year	Everything in Verified Member plus: Discover tab listing, points multiplier offers, hyper-local visibility to nearby members. For businesses ready to grow.
Founding Member	499 PLN one-time	Lifetime full member access, Founding Member badge, and a SAFE with 20% discount on the next funding round. Individual only.
Founding Partner	1,000 PLN one-time	Lifetime Verified Partner access, Founding Partner badge, and a SAFE with 20% discount on the next funding round. Business only.

Verified Member — 9.99 PLN / month

The Verified Member subscription is the standard tier for individuals and businesses who want full access to Spontlr. Think of it as your community membership — it confirms you are a real, accountable person and unlocks the full experience.

Your subscription renews automatically each month. You can cancel at any time in your account settings. Cancellation takes effect at the end of the current billing period — you keep access until then.

Verified Partner — 349 PLN / year

The Verified Partner tier is for businesses that want to grow through Spontlr. It includes everything in the Verified Member tier, plus your business appears in the Discover tab, you can set points multipliers for customers, and you get hyper-local visibility to members near you.

Upgrading from Verified Member to Verified Partner cancels your monthly subscription automatically — you will not be charged both. The annual fee applies from the date of upgrade.

Your Verified Partner subscription renews annually. You can cancel at any time in your account settings. Cancellation takes effect at the end of the current annual period.

Founding Member — 499 PLN one-time (Poland pilot)

The Founding Member tier is a one-time payment that gives you lifetime full member access to Spontlr. This tier is available only during the Poland pilot phase, while spots last (limited to 200 individual spots).

As a Founding Member you also receive a SAFE (Simple Agreement for Future Equity) which gives you a 20% discount on Spontlr's next funding round. The SAFE is a separate legal document that will be provided to you after your purchase. It is not a share certificate — it is an agreement that converts to equity in a future qualified funding round.

The Founding Member fee is non-refundable once the SAFE has been issued.

Founding Partner — 1,000 PLN one-time (Poland pilot)

The Founding Partner tier is the business equivalent of Founding Member. It gives your business lifetime Verified Partner access — including Discover tab listing, points multipliers, and hyper-local visibility — for a single one-time payment. Limited to 50 business spots.

As a Founding Partner you also receive a SAFE with a 20% discount on Spontlr's next funding round, on the same terms as described above for Founding Members.

The Founding Partner fee is non-refundable once the SAFE has been issued.

Pricing and currency

All prices shown are in Polish Złoty (PLN) and apply to the Poland pilot. When Spontlr expands to other markets, pricing will be shown in the local currency (EUR for EU countries, USD for the United States). Prices may differ by market.

Refunds

Monthly and annual subscriptions: if you cancel within 48 hours of your first payment and have not used any paid features, you may request a refund by contacting hello@spontlr.com. After 48 hours, no refund is available for the current billing period.

Founding Member and Founding Partner: these are non-refundable after the SAFE document has been issued. If you have not yet received your SAFE and wish to cancel, contact us within 7 days of payment.

In-app purchases processed through Apple App Store are subject to Apple's refund policy. Please contact Apple directly for those.

7. Points and Rewards — The Basics

Spontlr has a real rewards economy. Points are real money — they can be redeemed for cashback once you are a Verified Member.

- 1 point = 0.01 PLN (1 Polish grosz)
- You receive 100 points as a welcome gift when you complete signup
- You earn points by inviting friends to Spontlr, and again when someone you invited becomes a Verified Member
- You earn points by inviting friends, shopping at partner businesses, and through partner multipliers
- You earn points by sharing a post about a partner business after a successful transaction there
- You can send points to other members as a gift — to reward a creator you like, or to share with friends and family
- Redemption requires an active Verified Member, Verified Partner, Founding Member, or Founding Partner subscription
- Points do not expire while your account is active
- We reserve the right to correct points balances if they were issued in error or as a result of fraud

Full details of how points are earned, calculated, and redeemed are set out in the Points and Rewards Policy, which is available in the app under Settings. That document is part of these Terms.

8. Your Content

Anything you post on Spontlr — photos, text, comments, profile information — is your content. You own it.

The licence you give us

By posting content on Spontlr, you give us a non-exclusive, royalty-free licence to display, store, and distribute that content within the Spontlr platform. This is simply what is needed to show your post to other members.

We do not claim ownership of your content. We do not use your content for advertising. We do not sell it. When you delete content, it is removed from the platform and from our systems within 30 days.

What you are responsible for

You are responsible for everything you post. By sharing content on Spontlr you confirm that:

- You own it or have the right to share it
- It does not infringe anyone else's copyright, privacy, or other rights
- It follows our Community Standards
- It is honest and not misleading

Content we can remove

We can remove any content that breaks our Community Standards or these Terms, without notice. We will always try to tell you why. Repeated or serious violations may result in account suspension or permanent removal.

9. Community Standards — The Short Version

Spontlr is a real community of real people. We expect everyone to treat each other with respect. The full Community Standards are available in the app under Settings — please read them. Here is the short version:

You must not:

- Pretend to be someone you are not
- Harass, bully, threaten, or abuse other members or businesses
- Post hate speech, discrimination, or content that targets people based on who they are
- Share illegal content of any kind
- Spam other members or post misleading promotions
- Attempt to scam, defraud, or exploit other members
- Try to manipulate the points system or rewards economy
- Create fake reviews or fake engagement
- Share another person's private information without their consent

Verified identity is non-negotiable

Spontlr is built on trust. Every member is ID-verified. Lying about who you are — your name, your age, your business — breaks that trust and breaks these Terms. Fake accounts are removed immediately and permanently.

10. Spontlr's Role and Responsibilities

We provide the platform. We are not responsible for the content other members post, the products or services businesses offer, or the outcome of any interaction between members.

We do our best to keep Spontlr safe and reliable. But we cannot guarantee that the app will be available 100% of the time, that it will be error-free, or that every member or business will behave as they should.

What we do

- Verify every member's identity before they can interact with the community
- Enforce our Community Standards and remove content and accounts that break them
- Protect your data in line with our Privacy Policy
- Process payments securely through Stripe
- Maintain and improve the platform

What we do not do

- We do not endorse any business, product, or service listed on Spontlr
- We do not guarantee the quality, safety, or legality of anything a partner business offers
- We do not mediate disputes between members — though we will take action when our rules are broken
- We do not provide financial, legal, or tax advice

11. Account Suspension and Termination

We want everyone to have a great experience on Spontlr. But we will take action when our rules are broken.

When we may suspend or remove an account

- Breaking our Community Standards — especially serious violations like abuse, fraud, or illegal content
- Providing false information during signup or verification
- Being under 16 years old
- Creating multiple accounts
- Attempting to manipulate the points system
- Any activity that harms other members, businesses, or Spontlr itself

What happens when an account is removed

If we remove your account, your access ends immediately. Your points balance is forfeited. Content you posted may be removed. If you believe we made a mistake, you can appeal by contacting legal@spontlr.com within 30 days.

Deleting your own account

You can delete your account at any time in Settings. Deletion is permanent — we will begin removing your data within 30 days. Your points balance will be forfeited on deletion. If you have an active subscription, it will be cancelled and no further charges will be made.

12. Intellectual Property

Everything that makes Spontlr what it is — the app design, the logo, the name, the technology, the rewards system — belongs to Spontlr Inc. and is protected by intellectual property law.

You may not copy, reproduce, modify, or distribute any part of Spontlr without our written permission. You may not use the Spontlr name, logo, or brand for any commercial purpose.

Your content remains yours. We only hold the limited licence described in Section 8.

13. Our Liability to You

We care about our members and we work hard to build a great product. But there are limits to our legal responsibility. Here is what they are, in plain English:

- We are not liable for content posted by other members or businesses
- We are not liable for any loss of points due to account deletion or termination for rule violations
- We are not liable for any indirect or consequential losses — for example, if a business deal arranged through Spontlr goes wrong
- We are not liable for temporary unavailability of the app due to maintenance, technical issues, or events outside our control

To the maximum extent permitted by law, our total liability to you for any claim arising out of your use of Spontlr is limited to the amount you paid us in the 12 months before the claim arose.

Nothing in these Terms removes or limits rights you have as a consumer under Polish law or EU consumer protection law. Those rights always apply.

14. Governing Law and Disputes

These Terms are governed by the laws of the State of Delaware, United States, except where mandatory local consumer protection laws in your country provide you with stronger rights — in which case those stronger rights apply.

For EU members

If you are based in the European Union, you also have the right to use the EU Online Dispute Resolution platform to resolve disputes: ec.europa.eu/consumers/odr. You may also bring a claim in the courts of your country of residence.

For Polish members

If you are based in Poland, disputes may be brought before the Polish courts. You also have the right to seek assistance from the Polish consumer protection authority (UOKiK) at uokik.gov.pl.

How we prefer to handle things

Before going to court or a regulator, please contact us at legal@spontlr.com. Most issues can be resolved quickly and without lawyers. We are a small team and we genuinely want to fix problems.

15. Changes to These Terms

We may update these Terms from time to time as Spontlr grows, as we add new features, or as laws change. When we do:

- We will update the Effective Date at the top of this document
- For significant changes, we will notify you in the app and by email at least 14 days before they take effect
- The current version is always available in the app under Settings > Terms of Use

If you continue using Spontlr after an update, this means you accept the new Terms. If you do not agree with a change, you can delete your account at any time before it takes effect.

16. Contact Us

We are real people. If you have a question, a problem, or a concern — please reach out.
