# TIERS OF PRE-APPROVAL

Getting pre-approved before shopping for a home is common practice, and highly recommended by agents and lenders alike. However, it's important to keep in mind that all pre-approvals are not the same. As a Certified Buyer in a multiple-offer situation, you're several steps ahead of buyers who've only been pre-qualified or pre-approved by their lenders, making you the optimal choice for sellers.

## CERTIFIED BUYER **MORTGAGE PROCESS**

### **1. APPLICATION**

To kick off obtaining the right program for your dream home, you'll need to complete a mortgage application. Submitting an application allows us to evaluate your income, employment status, credit and more.

### **2. DOCUMENTATION AND UNDERWRITING**

Contrary to the traditional mortgage process, Certified Buyers are approved buyers who go through underwriting first. This saves you an incredible amount of time on the tail end of the process once you have set your sights on a home. By providing all necessary credit documents on the front end, you can receive a fully-underwritten pre-approval, clearing credit conditions, and get the bulk of the paperwork out of the way before you shop.

### **3. SHOPPING FOR A HOME**

Once you've been certified, it's time to begin shopping for a home! Work with your local real estate agent to find the ideal home for you and your family's needs. From condos to townhomes to single-family homes, your agent will work with you to find a home to call yours.

Shopping as a Certified Buyer showcases you as a superior buyer in the market. Submitting an offer with a Certified Buyer Certificate shows the seller how easy it will be to work with you and the financial institution you chose. Plus, our 21-Day Guarantee gives them a secure promise on a quick and successful closing.

#### **4. TITLE AND APPRAISAL**

Your title company will perform a title search on your behalf after your offer is accepted, essentially ensuring that your chosen property does not legally belong to anyone aside from the seller. As long as the title is clear and there are no liens on the property, the transaction will move forward. At the same time, we'll send an appraiser to the property you've chosen to ensure it is worth the amount you've offered. If the appraised value is less than your offer, you will be required to make up the price difference, or negotiate a lower selling price with the current owners.

#### **5. CLOSING**

We're in the home stretch! Because you have already been provided with a fully-underwritten pre-approval, you bypass the time it takes to process your application after your offer is accepted, and can instead head straight to closing. This is where you sign all of your loan documents, pay your down payment and closing costs, and receive the keys to your new home!

#### **6. SERVICING**

Now that you've finalized the financing and closed on your new home loan, it's important to know where to make your monthly mortgage payments. This is where your loan servicer comes in.

Being a Certified Buyer could sometimes be the difference between winning and losing out on your dream home.
